Project Summary

The Worcester County Sheriff's Office FY26 Gun Violence Reduction grant supports the Worcester Criminal Enforcement Team (WCET) in reducing gun violence in Worcester County, Maryland—primarily in Berlin and Ocean City, with support in Snow Hill and Pocomoke City. Based on local crime data, WCET will collaborate with Snow Hill and Pocomoke Police for firearm-related enforcement. The program aims to reduce illegal firearm possession and prevent related violence. It benefits both residents and visitors. Requested funding in the amount of \$33,405 will support personnel overtime to enhance enforcement efforts and promote community safety across the county.

Overall Organization Information (Word Limit: 500)

Overall Organization Information

a. Mission Statement: The mission statement of the Worcester County Sheriff's Office is to maintain a positive working relationship with the community, build trust and confidence, and preserve peace while reducing crime and protecting the lives of citizens living in Worcester County.

b. Brief Overview: The Worcester County Sheriff's Office was established in 1742 and is in Snow Hill, Maryland, the county seat of Worcester County. As the easternmost county of the United States, Worcester County borders the Atlantic Ocean as well as both Delaware and Virginia lines. Located in the same building as the Worcester County Courthouse and government building, we are a full service law enforcement agency that maintains around the clock patrol service. Our agency currently employs 95 sworn deputies.

Our agency serves in numerous law enforcement and public safety capacities, including but not limited to: constitutional duties, individual courtroom security, Court House security, Government Center security, security escort for Treasurer's Office, extraditions across state lines, prisoner transports in and out of county and state, sex offender registrations and tracking, criminal investigations, civil processes, evictions, Sheriff's sales, Allied Law Enforcement agencies coordination, traffic safety, control of County Fire Police, command of Animal Control, and oversight of the County Firearms Training Facility.

c. Key Organizational Information:

i. FY25 FTE: 116.3 (to include 95 Sworn law enforcement officers)

ii. Organizational Budget: FY25 \$17,280,865 (to include personnel salaries and benefits)

iii. Percentage of Budget application requested: \$33,405 - .2%

iv. Jurisdictions: Entirety of Worcester County, including services to Berlin, Ocean City, Ocean Pines, Pocomoke and Snow Hill, Maryland and other smaller unincorporated areas

v. Client Population: The citizens of Worcester County and the thousands of visitors who visit the county annually, specifically during the months of Spring, Summer and Fall. The base population of Worcester County is approximately 52,460 with seasonal influxes of up to an additional 300,000 visitors. On average, each deputy is responsible for approximately 175 square miles during their shift.

Problem Statement/Needs Justification (Word Limit: 500)

a. The objective of this program is to remove illegally possessed firearms from individuals who may use those weapons in the furtherance of criminal activity, and/or are prohibited from possessing firearms in the State of Maryland. The Agency proposes to successfully identify, arrest, and prosecute repeat violent offenders who possess firearms illegally. A pro-active approach to gun violence reduction makes the community a safer place to work, live, and visit by deterring those who want to commit violent criminal behavior and/or utilize firearms in the furtherance of the distribution of illegal narcotics.

i. The proposed services aim to enhance public safety by addressing the issue of illegally possessed firearms, including reporting the number of firearms seized, as well as the number of Polymer 80 privately manufactured firearms. We propose to conduct a targeted pro-active law enforcement approach in seizing firearms from prohibited persons, the removal of illegally privately manufactured firearms and preventing violent acts by the seizure of those firearms. The agency intends to accurately report the number of seized firearms and the number of individuals arrested by reporting the number and type of seized firearms in the W/B HIDTA Case Explorer system. The agency will identify and disrupt any individuals or groups involved in the trafficking of firearms and refer those cases for either Federal

or State prosecution.

ii. This program aligns with the mission of the agency by preserving the peace, protecting the lives of citizens and visitors in Worcester County, while building trust and confidence in the community. Longer-term impacts would be the identification of individuals engaged in firearms trafficking and any subsequent investigation that may result. The Office is committed to sharing information with other law enforcement agencies that need to be aware of those efforts.

iii. In 2023, the Worcester County Sheriff's Office received the FY23 GVRG., which resulted in the seizure of 16 firearms. Most importantly, during that same period, Worcester County did not experience any shootings or known gun-related violence. In 2024, Worcester County was awarded the FY25 GVRG, and throughout the term of the grant, continued to seize firearms and effect arrests. Worcester County has the experience, personnel, and processes to administer this grant successfully. An audit of the awarded FY25 GVRG was conducted by GOCCP personnel in early 2025, and no issues or deficiencies were identified.

iv. From July 1, 2022, to March 28, 2025, Worcester County has been credited with seizing seventy-five (75) firearms; twelve (12) of which were privately made firearms (PMF)

v. No barriers are anticipated, or have been experienced

Program Purpose Area (Word Limit: 150)

The overall objective of this proposed program is to remove illegally possessed firearms from individuals who may use those weapons in the furtherance of criminal activity and/or are prohibited from possessing firearms in the State of Maryland. The Worcester County Sheriff's Office proposes to use its strong law enforcement partnerships to successfully identify, arrest, and prosecute those repeat violent offenders who possess firearms illegally. A successful pro-active approach to gun violence reduction seeks to make the community a safer place to work, live, and visit by deterring those who want to commit violent criminal behavior and/or utilize firearms in the furtherance of the distribution of illegal narcotics.

Project Design (Word Limit: 750)

a. The program will employ a multi-agency law enforcement approach, with members of the Worcester County Sheriff's Office, the Worcester County Criminal Enforcement Team, the Maryland State Police, the Ocean City Police Department, the Snow Hill Police Department, and the Pocomoke Police Department collaborating to achieve the goal. The strategy employed will consist of the use of covert and uniform personnel conducting pro-active patrols focusing primarily on traffic violations; the use of confidential sources and general intelligence gathering through outreach and interview, as well as the response to calls for service from citizens and members of the business community. Often, those engaged in illegal activity have been contacted through traffic enforcement activities, as they have been driving at excessive speeds, driving under the influence of alcohol or narcotics, driving recklessly, or at times have become upset over some contact with another motor vehicle driver and have engaged in verbal or physical altercations and at times weapons have been displayed in the course of those altercations. By conducting proactive patrol measures, it is anticipated that many potential issues may be avoided, and weapons can be seized before they are used or distributed. In addition, the WCET, during its narcotic investigations, often encounters armed individuals and/or receives information about individuals who may be in possession of firearms or are distributing firearms. This information can generate investigative leads that can be investigated by WCET or can be referred to another MCIN law enforcement entity for further investigation or enforcement activities.

b. Not applicable

c. Worcester County has successfully utilized prior Gun Violence Grant project funding to seize 30 firearms to date. Utilizing a GOCCP three-month grant in 2023, 16 firearms were seized. During the latest grant award period (July 1, 2024, to June 30, 2025), to date, 14 firearms, including 2 privately made firearms, have been seized.

d. During prior grant awards, the law enforcement participants have partnered with the Worcester County Health Department to hand out rack cards, which describe the dangers of using different substances such as heroin, fentanyl, and xylazine. The rack cards also contain telephone numbers and information regarding treatment options. This project covered the entire Worcester County area, including several municipalities located within the county.

Goals & Objectives (Word Limit: 1,500)

*Goal - To increase public safety by addressing the problem of illegally possessed firearms and reporting the number of firearms seized and the number of Polymer 80 privately manufactured firearms, aka "ghost guns," seized.

*Objective - Conduct a targeted, proactive law enforcement approach in seizing firearms from prohibited persons, the removal of illegally privately manufactured firearms from the possession of persons and preventing potential violent acts by the seizure of those firearms.

*Goal - Accurately report the number of seized firearms and the number of persons arrested.

*Objective - Reporting the number and type of seized firearms in the W/B HIDTA Case Explorer system, in addition to any other required reporting database or mechanism. Also, report the number of individuals arrested in the same databases.

*Goal - Identify and disrupt any individuals or groups involved in the trafficking of firearms and refer those cases for either Federal or State prosecution.

*Objective - Attempt to identify and disrupt any individuals or groups of individuals that may be residing and/or traveling into the area to sell, trade, or distribute firearms. Collaborate with the Worcester County Office of the State's Attorney and our federal partners to refer cases to the Office of the U.S. Attorney for prosecution, either at the federal or state level. Attempt to identify and disrupt any individuals or groups of individuals that may be traveling into the area to sell, trade, or distribute firearms.

*Goal - Refer the appropriate case and gun seizure information for NIBIN analysis and review.

*Objective - Through collaboration with the appropriate federal or state agency, submit seized firearms and/or ammunition for NIBIN analysis and review. Report any NIBIN hits and make any referrals as the information dictates.

Data Collection Plan (Word Limit: 250)

The measurement of this program will be based on the number of illegally possessed firearms seized, ghost guns seized, and the number of persons arrested. These numbers will be reported in the W/B HIDTA Case Explorer system as well as any other required or suggested database or reporting mechanism, such as MCIN. The WCET is already reporting gun seizures on a bi-monthly basis to a BATFE analyst who is currently detailed to the Washington/Baltimore HIDTA.

Grant Personnel (Word Limit: 500)

The Worcester Criminal Enforcement Team (WCET), the jurisdiction's most experienced unit in narcotics and firearms investigations, currently includes twelve investigators from the Worcester County Sheriff's Office, Maryland State Police, Drug Enforcement Agency and Ocean City Police Department. Some investigators serve as federally authorized task force officers with HSI, DEA, and U.S. Marshals.

Project Director – Carrie Tingle (salary is budget funded)

Ms. Carrie Tingle serves as the Financial Administrator/Grants Coordinator for the Worcester County Sheriff's Office. She has a background in finance and has served in governmental environments for the past 16 years.

Financial Officer - Dhara Patel (salary is budget funded)

Dhara Patel serves as the Senior Budget Officer for Worcester County, where she leverages her background in finance and accounting to oversee complex grant administration and assists in the management of the county's multi-million-dollar budget. Her expertise plays a critical role in maintaining fiscal responsibility and supporting long-term financial planning across county departments.

Key Consultant – Chief Deputy Nathaniel Passwaters (salary is budget funded)

Chief Deputy Passwaters has over twenty years of law enforcement experience and has been involved in a drug enforcement capacity for ~17 of those years. In 2008, Passwaters became a vital asset in developing the Worcester Criminal Enforcement Team (WCET). As Chief Deputy, he oversees all aspects of the Sheriff's Office, with a specific focus on Investigative Services and WCET.

Key Consultant – Sergeant Shane Musgrave (salary is budget funded)

Sergeant Musgrave supervises daily operations of CET, including the ODAC position. He oversees all drug enforcement investigations in Worcester County. Sergeant Musgrave is also cross-designated as a task force officer with Homeland Security Investigations. He conducts outreach presentations on substance abuse across the county, often in coordination with the ODAC.

Sustainability (Word Limit: 200)

The Worcester County Sheriff's Office will seek Federal, State, County and local resources to continue this program after the grant period ends. The Sheriff's Office will work with other local enforcement agencies to identify resources and sources of funding that may be available. One-time purchases require no additional resources and will be fully funded in this application.

Applicant Disclosure of Pending Applications Statement (Word Limit: 150)

The Worcester County Sheriff's Office does not have pending applications submitted within the last 12 months for federally funded assistance that includes requests for funding to support the same project being proposed under this solicitation and will cover the identical cost items outlined in the budget narrative and worksheet in the application under this solicitation.

Budget Details and Spending Plan (Word Limit: 750)

Grant funding will offset overtime costs for personnel involved in the grant project. Funds will be expended quarterly based on actual salary plus 30% fringe benefits paid to personnel with hours worked. Exceptions to overtime costs will be training that comes available over the FY26 grant period that is specifically applicable to the grant project.

2. That cost sharing funds required to pay the non-Federal portion of the cost of each project, for which grant funds are made available, shall be in addition to funds that would otherwise be made available for program activities by the recipient of the grant funds and shall be provided as required in the Grant Award document.
3. That if the subrecipient has expended \$1,000,000 or more in federal funds during the entities fiscal year, a single audit has been conducted in accordance with 2 CFR §200.514 and submitted to the Federal Audit Clearinghouse (<https://www.fac.gov/>).
4. That fund accounting, auditing, monitoring, evaluation procedures and such records as the Governor's Office of Crime Prevention and Policy shall prescribe to and shall be provided to assure fiscal control, proper management and efficient disbursement of funds received.
5. That the Grantee shall maintain such data and information and submit such reports in such form, at such times, and containing such information as the Governor's Office of Crime Prevention and Policy may reasonably be required to administer the program.
6. Subrecipients will comply (and will require any subgrantees or contractors to comply) with any applicable statutorily-imposed nondiscrimination requirements, which may include Title VI of the Civil Rights Act of 1964, which prohibits discrimination on the basis of race, color, national origin, religion or sex in the delivery of services (42 U.S.C. § 2000d), and the DOJ implementing regulations at 28 C.F.R. Part 42, subpart C; The Omnibus Crime Control and Safe Streets Act of 1968, which prohibits discrimination on the basis of race, color, national origin, religion, or sex in the delivery of services and employment practices (34 U.S.C. § 10228(c)(1)), and the DOJ implementing regulations at 28 C.F.R. Part 42, Subpart D; Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of disability in the delivery of services and employment practices (29 U.S.C § 794), and the DOJ implementing regulations at 28 C.F.R. Part 42, Subpart G; Title II of the Americans with Disabilities Act of 1990, which prohibits discrimination in the delivery of services and employment practices (42 U.S.C. § 12132), and the DOJ implementing regulations at 28 C.F.R. Part 35; Title IX of the Education Amendments of 1972, which prohibits discrimination on the basis of sex in educational programs (20 U.S.C. § 1681), and the DOJ implementing regulations at 28 C.F.R. Part 42, Subpart I; The DOJ regulations on the Partnerships with Faith-based and other Neighborhood Organizations, which prohibit discrimination on the basis of religion in the delivery of services and prohibit organizations from using DOJ funding on explicitly religious activities (28 C.F.R. Part 38);
- Age Discrimination Act of 1975, as amended, which prohibits discrimination on the basis of age in the delivery of services (42 U.S.C. § 6102), and the DOJ implementing regulation at 28 C.F.R. pt. 42, subpart I; Juvenile Justice and Delinquency Prevention Act of 1974, as amended, which prohibits discrimination on the basis of race, color, national origin, sex, and religion in the delivery of services and employment practices (34 U.S.C. § 11182 (b)), and DOJ implementing regulations at 28 C.F.R. §§ 31.202, .403 & part 42, subpart D; Victims of Crime Act of 1984, as amended, which prohibits discrimination on the basis of race, color, national origin, sex, religion, and disability in the delivery of services and employment practices (34 U.S.C. § 20110(e)), and the DOJ implementing regulation at 28 C.F.R. § 94.114; and Violence Against Women Act of 1994, as amended, which prohibits discrimination on the basis of race, color, national origin, sex, religion, disability, sexual orientation, and gender identity in the delivery of services and employment practices (34 U.S.C. § 12291(b)(13)). These laws prohibit agencies from retaliating against individuals for taking action to secure rights protected by these laws.
7. That in the event a Federal or state court or administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, sex, or disability against the Grantee, a copy of the finding will be forwarded to the Governor's Office of Crime Prevention and Policy
8. Subrecipients receiving Federal (Safe Streets Act which authorizes VAWA), VOCA, or Title II JJDPA) Department of Justice Funding are governmental or for-profit entities, that have fifty or more employees and that receive a single award of \$25,000 or more are required to prepare and submit electronically their Equal Opportunity Plan and certification utilizing the Equal Employment Opportunity Reporting tool located on the Office for Civil Rights (OCR) website at <https://ojp.gov/about/ocr/eeop.htm>
- Subrecipients receiving Federal (Safe Streets Act which authorizes VAWA), VOCA, or Title II JJDPA) Department of Justice Funding that are Medical or Educational Institution, Indian Tribe, or non profit, governmental or for-profit entities with largest individual grant received is less than \$25,000 and have less than 50 employees will need to submit an online certification form to the Office for Civil Rights (OCR) utilizing the Employment Opportunity tool at <https://ojp.gov/about/ocr/eeop.htm> but would be exempt from completing the Equal Opportunity Plan.
- The Office for Civil Rights has training presentations available to recipients of OJP, OVW and COPS Office funding to assist them in meeting their federal civil rights obligations. These trainings can be accessed at www.ojp.usdoj.gov/about/ocr/assistance.htm
9. That the Grantee will comply with the provisions of the Governor's Office of Crime Prevention and Policy's General and Special Conditions for Grants. General Conditions are posted on the Governor's Office of Crime Prevention, and Policy's website (<https://gocpp.maryland.gov/grants/general-conditions/>).

10. That the Grantee will comply with the provisions of 28 CFR Part 66 applicable to grants and cooperative agreements awarded with DOJ funding.

11. Subrecipients are obligated to provide services to Limited English Proficient (LEP) individuals. Refer to the DOJ's Guidance Document. To access this document see U.S. Department of Justice, Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons (67 Federal Regulation 41455 (2002)). This regulation may be accessed at: <https://www.archives.gov/eo/laws/title-vi.html>

Effective 1/18/2024, the Moore-Miller Administration renamed the Office to the Governor's Office of Crime Prevention and Policy (GOCPP). This change does not invalidate previous, current, or future agreements or documents referencing the agency as GOCCP or GOCPYVS.

CERTIFICATION: I certify that this program will comply with the provisions set forth by the State of Maryland and the Governor's Office of Crime Control and Prevention.

Certification Regarding Lobbying

U.S. DEPARTMENT OF JUSTICE
OFFICE OF JUSTICE PROGRAMS
OFFICE OF THE COMPTROLLER

CERTIFICATIONS REGARDING LOBBYING; DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS; AND DRUG-FREE WORKPLACE REQUIREMENTS

Applicants should refer to the regulations cited below to determine the certification to which they are required to attest. Applicants should also review the instructions for certification included in the regulations before completing this form. Signature of this form provides for compliance with certification requirements under 28 CFR Part 69, "New Restrictions on Lobbying" and 28 CFR Part 67, "Government-wide Debarment and Suspension (Non-procurement) and Government-wide Requirements for Drug-Free Workplace (Grants)." The certifications shall be treated as a material representation of fact upon which reliance will be placed when the Department of Justice determines to award the covered transaction, grant, or cooperative agreement.

1. LOBBYING

As required by Section 1352, Title 31 of the U.S. Code, and implemented at 28 CFR Part 69, for persons entering into a grant or cooperative agreement over \$100,000, as defined at 28 CFR Part 69, the applicant certifies that:

(a) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the making of any Federal grant, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal grant or cooperative agreement;

(b) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form - LLL, "Disclosure of Lobbying Activities," in accordance with its instructions;

(c) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subgrants, contracts under grants and cooperative agreements, and subcontracts) and that all sub-recipients shall certify and disclose accordingly.

2. DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS (DIRECT RECIPIENT)

As required by Executive Order 12549, Debarment and Suspension, and implemented at 28 CFR Part 67, for prospective participants in primary covered transactions, as defined at 28 CFR Part 67, Section 67.510 --

A. The applicant certifies that it and its principals:

(a) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;

(b) Have not within a three-year period preceding this application been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with

obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

(c) Are not presently indicted or otherwise criminally or civilly charged by a Government entity (Federal, State, or local) with commission of any of the offenses enumerated in paragraph, (1) (b) of this certification; and

(d) Have not within a three-year period preceding this application had one or more public transactions (Federal, State, or local) terminate for cause or default; and

B. Where the applicant is unable to certify to any of the statements in this certification, he or she shall attach an explanation to this application.

3. DRUG-FREE WORKPLACE (GRANTEES OTHER THAN INDIVIDUALS)

As required by the Drug-Free Workplace Act of 1988, and implemented at 28 CFR Part 67, Subpart F, for grantees, as defined at 28 CFR Part 67, Sections 67.615 and 67.620 --

A. The applicant certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an on-going drug-free awareness program to inform employees about --

(1) The dangers of drug abuse in the workplace;

(2) The grantee's policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance programs; and

(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

OJP FORM 4061/6 (3-91) REPLACES OJP FORMS 406/1/2, AMD 406/14 WHICH ARE OBSOLETE.

(c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will –

(1) Abide by the terms of the statement; and

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency, in writing, within 10 calendar days after having received notice under subparagraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to: Director, Grants and Contracts Service, U.S. Department of Education, 400 Maryland Avenue, S.W. (Room 312A, GSA Regional Office Building No. 3), Washington DC 20202-4571. Notice shall include the identification number(s) of each affected grant.

(f) Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is so convicted --

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e), and (f).

B. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

Project Summary

The Worcester County Sheriff's Office FY26 Maryland Criminal Intelligence Network-Overdose and Drug Awareness Coordinator program will reduce gaps in services and enhance collaboration among stakeholders across Worcester County, Maryland. It will continue to develop and maintain a robust information sharing infrastructure that enables cross-jurisdictional sharing of intelligence leading to the disruption of criminal networks involved in drug/gun trafficking and gang activity. The program will continue sharing overdose information with law enforcement, health departments, schools and the ODAC network to lessen the number of overdoses and aid those suffering from substance abuse. Requested funds of \$84,789 will support salary/benefits and training.

Overall Organization Information (Word Limit: 500)

a. Mission Statement: The mission statement of the Worcester County Sheriff's Office is to maintain a positive working relationship with the community, build trust and confidence and preserve peace while reducing crime and protecting the lives of citizens living in Worcester County.

b. Brief Overview: The Worcester County Sheriff's Office was established in 1742 and is in Snow Hill, Maryland, the county seat of Worcester County. As the easternmost county of the United States, Worcester County borders the Atlantic Ocean as well as both Delaware and Virginia lines. Located in the same building as the Worcester County Courthouse and government building, we are a full service law enforcement agency that maintains around the clock patrol service. Our agency currently employs 95 sworn deputies.

Our agency serves in numerous law enforcement and public safety capacities, including but not limited to: constitutional duties, individual courtroom security, Court House security, Government Center security, security escort for Treasurer's Office, extraditions across state lines, prisoner transports in and out of county and state, sex offender registrations and tracking, criminal investigations, civil processes, evictions, Sheriff's sales, Allied Law Enforcement agencies coordination, traffic safety, control of County Fire Police, command of Animal Control, and oversight of the County Firearms Training Facility.

c. Key Organizational Information:

i. FY25 FTE: 116.3 (to include 95 Sworn law enforcement officers)

ii. Organizational Budget: FY25 \$17,280,865 (to include personnel salaries and benefits)

iii. Percentage of Budget application requested: \$84,789 - .5%

iv. Jurisdictions: Entirety of Worcester County, including services to Berlin, Ocean City, Ocean Pines, Pocomoke and Snow Hill, Maryland and other smaller unincorporated areas

v. Client Population: The citizens of Worcester County and the thousands of visitors who visit the county annually, specifically during the months of Spring, Summer and Fall. The base population of Worcester County is approximately 52,460 with seasonal influxes of up to an additional 300,000 visitors. On average, each deputy is responsible for approximately 175 square miles during their shift.

Problem Statement/Needs Justification (Word Limit: 500)

ITEM 3

a. The Worcester County Sheriff's Office is requesting continuation of its participation in the FY2026 MCIN-ODAC program to reduce gaps in available services and continue the established collaboration and cooperation among partner agencies and stakeholders in Worcester County, Maryland.

i. The Overdose and Drug Awareness Coordinator position will be tasked with entering all drug investigations, seizures, arrests, overdoses and other drug related investigations into HIDTA's Case Explorer Program, as well as assisting with drug related cellular phone extract uploads into the Communication Analysis Portal (CAP). The ODAC position will also disseminate high-risk victim information to public health for outreach.

ii. The Worcester County Criminal Enforcement Team (CET) falls under the auspices of the WCSO and is the county-wide multi-agency narcotics investigative unit. Since 2016, the ODAC has been successfully embedded within this unit.

iii. The WCSO has been a successful participant in this program since 2016 and has knowledgeable and experienced personnel in place to support and supervise the application and reporting of the grant requirements. The current coordinator has served in this position since the awarding of the initial grant and has entered data into both the HIDTA Case Explorer and CAP systems. This individual has established a successful collaboration with the health department in referring high risk victims for further outreach activities. In 2022, the current Worcester County ODAC was presented with a Maryland Governor's Citation for his work funded by this grant program.

iv. The Worcester County ODAC provides monthly performance measure outputs and outcomes to the W/B HIDTA - GOCPYVS MCIN ODAC Program Manager. The ODAC also enters data into the W/B HIDTA Case Explorer system that is part of the annual W/B HIDTA reporting. The output and initial outcome measures to date for Calendar year 2024 in Worcester County, as reported by the Worcester County ODAC are as follows:

Total Cases – 131
Total Overdoses – 47
Total other Drug Cases – 69
Investigations enhanced through HIDTA coordination – 15
Fatal overdoses – 09
Non-fatal overdoses – 38
Dollar amount seized related to heroin/opioid investigations - \$42,224.00
Vehicles seized related to heroin/opioid investigations – 06
Weight of illicit opioid seized – 661 grams
Prescription opioids seized – 28
Non-fatal overdose victims referred to treatment – 14
Phone extractions uploaded into CAP from overdoses – 06
Phone extractions uploaded into CAP from other investigations – 02
Call Detail Records uploaded to CAP from other investigations – 21

There were 93 event deconflictions and 445 target deconflictions entered.

v. No barriers are anticipated, and none have been experienced specific to this project

vi. Not applicable

b. Continuation Request

i. The Worcester County Sheriff's Office received GOCCP funding in the most recent funding cycle for a similar project. This request is for funding continuation.

1. Not applicable

2.

a. FY25 award: \$71,821

b. Funding source: FY25 MCIN-ODAC grant administered by GOCCP

c. FY25 funding offset the majority of the ODAC position

d. Funding requested: \$84,7890 (increase of \$12,968)

e. Spending of current award is on track: Q1-\$16,484.56, Q2-\$16,071.20; Q3-\$17,762.61, \$21,502.63 remaining for Q4

f. N/A

Program Purpose Area (Word Limit: 150)

The purpose of the Overdose and Drug Awareness Coordinator is to promote coordinated law enforcement and investigative strategy to battle the substance epidemic through cooperation and data sharing. The ODAC coordinator will be tasked with entering all drug investigations, drug seizures, drug arrests, substance overdose and other drug related investigative activities into HIDTA's Case Explorer, as well as assisting law enforcement with drug related cellular phone extract uploads into HIDTA's Communication Analysis Portal (CAP) for information and intelligence gathering so that such data may then be analyzed and disseminated for investigative purposes.

Project Design (Word Limit: 750)

a. Prior to the awarding of the MCIN-ODAC grant, the Worcester County Criminal Enforcement Team had been sporadically utilizing W/B HIDTA's Case Explorer and had not been using the Communication Analysis Portal (CAP) system at all. Additionally, substance overdoses were not completely captured or recorded and no referrals were being made. The amount of time devoted to the capturing and reporting of data had become unmanageable without a dedicated staff person for the task. As substance overdoses increased, so have the number of cases targeting individuals selling these substances, which have become increasingly deadly. Without the full-time ODAC position afforded by this grant, it is unlikely the members of the Criminal Enforcement Team will be able to adequately capture the data and report it in a timely, efficient manner. The unit would certainly not be able to devote the time and effort needed to participate in the various meetings with public health and community stakeholders and foster the relationships needed for effective information sharing and community collaboration. Worcester County has effectively participated in this program since 2016 and has the personnel and mechanisms in place to continue this successful collaboration.

b. The current coordinator position is embedded in the Worcester County Criminal Enforcement Team, the jurisdiction's multi-agency drug task force, which includes members of the Maryland State Police, Worcester County Sheriff's Office, Ocean City Police Department and has in the past based upon adequate agency staffing, participants from the Ocean Pines Police Department and the Pocomoke Police Department. The current onboard person who fills this position has established a successful record of participation in the monthly W/B HIDTA overdose and drug trend information sharing meeting and has regularly participated in the monthly W/B HIDTA multi-agency criminal analyst roundtable. The ODAC also participates in the Worcester County Overdose Prevention Team and Fatality Review Team meetings.

c. The ODAC program has been in place in Worcester County since 2016. The ODAC position has successfully accomplished the goals and objectives as set forth in prior awarded grant proposals and the results of those accomplishments have been reported in a complete and timely manner on a quarterly basis to the grantee, as well as on a monthly basis to the ODAC program manager at W/B HIDTA.

d. Several other agencies and entities have been positively impacted by this program through the sharing of overdose and drug trend information. The ODAC is a participant in both the Overdose Prevention Team and the Opioid Fatality Review Team. The ODAC has provided information to the Worcester County Health Department, the Worcester County School System and Worcester Goes Purple to help them with grant proposals as well as prevention and treatment activities. The ODAC has also provided information to Maryland Probation and Parole, Department of Social Services, Senator Mary Beth Carozza's Office and Atlantic General Hospital, among others.

In requesting continuation of this program grant, the Worcester County Overdose and Drug Awareness Coordinator has successfully met the aforementioned goals and performance measures in all the previous years to include being the recipient of the Maryland Governor's Citation for outstanding accomplishments in 2022. The ODAC continues to enter all non-fatal and fatal overdoses, case initiations, deconflictions, arrests, seizures, disruptions and dismantlements and will continue to share information with other Overdose and Drug Awareness Coordinators, the W/B HIDTA, the health department and other law enforcement and community-based agencies.

Data Collection Plan (Word Limit: 250)

The ODAC will continue to enter overdoses, telephone records, deconfliction information and additional narcotics case information utilizing various databases such as ODMAP, Case Explorer and the CAP. This will occur on a regular basis, if not daily. The ODAC maintains internal Sheriff's Office databases for case investigations, overdose cases, heroin/fentanyl packaging and stamps. The ODAC also receives case information on overdoses and other drug information from the crime analyst at the Ocean City Police Department, as the OCPD has their own narcotics unit and conducts their own overdose and drug distribution investigations. The ODAC reports overdoses and drug cases that are received directly from the narcotics unit investigators in which the ODAC is embedded. The ODAC uses these internal databases, Case Explorer and information from the Worcester County Criminal Enforcement Team, the Worcester County Sheriff's Office, the Worcester Health Department and the Ocean City Police Department to track and report the measures for this award. The ODAC will continue the responsibility of agency LinX Administrative duties for the agency as well.

Grant Personnel (Word Limit: 500)

The Worcester Criminal Enforcement Team (CET), the jurisdiction's most experienced unit in narcotics and firearms investigations, includes twelve investigators from the Worcester County Sheriff's Office, Maryland State Police, Drug Enforcement Agency and Ocean City Police Department. Some serve as federally authorized task force officers with HSI, DEA, and U.S. Marshals. Ocean Pines and Pocomoke PDs previously participated but are currently unable due to staffing shortages. CET conducts felony CDS investigations using both covert and overt methods, ranging from street-level cases to complex, multi-state wiretap operations. They utilize Cellebrite mobile forensics, operated by a certified civilian examiner, which has been vital in overdose cases and securing numerous CDS convictions, including heroin/fentanyl-related prosecutions. Since 2013, the team has responded to overdose scenes to investigate and perform forensic phone extractions.

Project Director – Carrie Tingle (salary is budget funded)

Ms. Carrie Tingle serves as the Financial Administrator/Grants Coordinator for the Worcester County Sheriff's Office. She has a background in finance and has served in governmental environments for the past 16 years.

Financial Officer - Dhara Patel (salary is budget funded)

Dhara Patel serves as the Senior Budget Officer for Worcester County, where she leverages her background in finance and accounting to oversee complex grant administration and assists in the management of the county's multi-million-dollar budget. Her expertise plays a critical role in maintaining fiscal responsibility and supporting long-term financial planning across county departments.

Key Consultant – Chief Deputy Nathaniel Passwaters (salary is budget funded)

Chief Deputy Passwaters has over twenty years of law enforcement experience and has been involved in a drug enforcement capacity for ~17 of those years. In 2008, Passwaters became a vital asset in developing the Criminal Enforcement Team (CET). As Chief Deputy, he oversees all aspects of the Sheriff's Office, with a specific focus on Investigative Services and CET.

Key Consultant – Sergeant Shane Musgrave (salary is budget funded)

Sergeant Musgrave supervises daily operations of CET, including the ODAC position. He oversees all drug enforcement investigations in Worcester County. Sergeant Musgrave is also cross-designated as a task force officer with Homeland Security Investigations. He conducts outreach presentations on substance abuse across the county, often in coordination with the ODAC.

Requested Personnel- Overdose and Drug Awareness Coordinator (salary currently grant funded)

A fulltime position, with duties described herein as Overdose and Drug Awareness Coordinator, imbedded in CET. Position will continue to be responsible for entering all drug investigations, drug seizures, drug arrests, illegal narcotics overdoses, and other firearms and/or drug-related investigative case activities into W/B HIDTA's Case Explorer, as well as assist with law enforcement drug-related cellular phone extract uploads into W/B HIDTA's CAP.

Sustainability (Word Limit: 200)

The Worcester County Sheriff's Office will seek Federal, State, County and local resources to continue this program after the grant period ends. The Sheriff's Office will work with other local enforcement agencies to identify resources and sources of funding that may be available. One time purchases require no additional resources and will be fully funded in this application.

Applicant Disclosure of Pending Applications Statement (Word Limit: 150)

The Worcester County Sheriff's Office does not have pending applications submitted within the last 12 months for federally funded assistance that includes requests for funding to support the same project being proposed under this solicitation and will cover the identical cost items outlined in the budget narrative and worksheet in the application under this solicitation.

Budget Details and Spending Plan (Word Limit: 750)

Grant funding will supplement WCSO's budget for the specific position of Overdose and Drug Awareness Coordinator. Funds will be expended quarterly based on actual salary plus 30% fringe benefits paid to position holder. The only exception to the salary funds would be training costs to attend the 2-day MCIN conference in Fall 2026. Based on GSA per diems, we estimate \$542 (\$322 lodging + \$220 meals/incidentals) for this training, with costs to be incurred in either Q1 or Q2 of the grant program period.

OFFICE OF JUSTICE PROGRAMS
OFFICE OF THE COMPTROLLER

CERTIFICATIONS REGARDING LOBBYING; DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS; AND DRUG-FREE WORKPLACE REQUIREMENTS

Applicants should refer to the regulations cited below to determine the certification to which they are required to attest. Applicants should also review the instructions for certification included in the regulations before completing this form. Signature of this form provides for compliance with certification requirements under 28 CFR Part 69, "New Restrictions on Lobbying" and 28 CFR Part 67, "Government-wide Debarment and Suspension (Non-procurement) and Government-wide Requirements for Drug-Free Workplace (Grants)." The certifications shall be treated as a material representation of fact upon which reliance will be placed when the Department of Justice determines to award the covered transaction, grant, or cooperative agreement.

1. LOBBYING

As required by Section 1352, Title 31 of the U.S. Code, and implemented at 28 CFR Part 69, for persons entering into a grant or cooperative agreement over \$100,000, as defined at 28 CFR Part 69, the applicant certifies that:

(a) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the making of any Federal grant, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal grant or cooperative agreement;

(b) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form - LLL, "Disclosure of Lobbying Activities," in accordance with its instructions;

(c) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subgrants, contracts under grants and cooperative agreements, and subcontracts) and that all sub-recipients shall certify and disclose accordingly.

2. DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS (DIRECT RECIPIENT)

As required by Executive Order 12549, Debarment and Suspension, and implemented at 28 CFR Part 67, for prospective participants in primary covered transactions, as defined at 28 CFR Part 67, Section 67.510 --

A. The applicant certifies that it and its principals:

(a) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;

(b) Have not within a three-year period preceding this application been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with

obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

(c) Are not presently indicted or otherwise criminally or civilly charged by a Government entity (Federal, State, or local) with commission of any of the offenses enumerated in paragraph, (1) (b) of this certification; and

(d) Have not within a three-year period preceding this application had one or more public transactions (Federal, State, or local) terminate for cause or default; and

B. Where the applicant is unable to certify to any of the statements in this certification, he or she shall attach an explanation to this application.

3. DRUG-FREE WORKPLACE (GRANTEES OTHER THAN INDIVIDUALS)

As required by the Drug-Free Workplace Act of 1988, and implemented at 28 CFR Part 67, Subpart F, for grantees, as defined at 28 CFR Part 67, Sections 67.615 and 67.620 --

A. The applicant certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an on-going drug-free awareness program to inform employees about --

(1) The dangers of drug abuse in the workplace;

(2) The grantee's policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance programs; and

(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

OJP FORM 4061/6 (3-91) REPLACES OJP FORMS 406/1/2, AMD 406/14 WHICH ARE OBSOLETE.

(c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will –

(1) Abide by the terms of the statement; and

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency, in writing, within 10 calendar days after having received notice under subparagraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to: Director, Grants and Contracts Service, U.S. Department of Education, 400 Maryland Avenue, S.W. (Room 312A, GSA Regional Office Building No. 3), Washington DC 20202-4571. Notice shall include the identification number(s) of each affected grant.

(f) Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is so convicted --

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e), and (f).

B. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

Place of Performance (street address, city, county, state, zip code)

Check ___ if there are workplaces on file that are not identified here.

Section 67, 630 of the regulations provides that a grantee that is a State may elect to make one certification in each Federal fiscal year. A copy of which should be included with each application for Department of Justice funding. States and State agencies may elect to use OJP Form 4061/7.

Check ___ if the State has elected to complete OJP Form 4061/7.

**DRUG-FREE WORKPLACE
(GRANTEES WHO ARE INDIVIDUALS)**

As required by the Drug-Free Workplace Act of 1988, and implemented at 28 CFR Part 67, Subpart F, for grantees, as defined at 28 CFR Part 67, Sections 67.615 and 67.620 --

As a condition of the grant, I certify that I will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity with the grant; and

B. If convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity, I will report the conviction, in writing, within 10 calendar days of the conviction, to: Department of Justice, Office of Justice Programs, ATTN: Control Desk, 633 Indiana Avenue, N.W., Washington, D.C. 20531.

As the duly authorized representative of the applicant, I hereby certify that the applicant will comply with the above certifications.

Project Summary

The Worcester County Sheriff's Office (WCSO) FY26 PRAR Grant Program will recognize and reward the unwavering dedication of our existing sworn deputies in Worcester County, MD. With the ongoing efforts of other agencies to draw qualified sworn personnel to their departments, we must identify strategies to retain our current experienced staffing. By implementing this grant as a retention incentive, we provide tangible expressions of gratitude and appreciation for the tireless efforts put forth daily by our agency deputies. Program funds in the amount of \$64,695 will provide equipment retention incentives for sworn personnel.

Overall Organization Information (Word Limit: 500)

A. Mission Statement: The mission of the Worcester County Sheriff's Office is to maintain a positive working relationship with the community, build trust and confidence and preserve peace while reducing crime and protecting the lives of citizens living in Worcester County.

B. Brief Overview: The Worcester County Sheriff's Office was established in 1742 and is in Snow Hill, Maryland, the county seat of Worcester County. As the easternmost county of the United States, Worcester County borders the Atlantic Ocean as well as both Delaware and Virginia lines. Located in the same building as the Worcester County Courthouse and government building, we are a full-service law enforcement agency that maintains around the clock patrol service. Our agency currently employs 95 sworn deputies and 28 civilian support staff.

Our agency serves in numerous law enforcement and public safety capacities, including but not limited to: constitutional duties, individual courtroom security, Court House security, Government Center security, security escort for Treasurer's Office, extraditions across state lines, prisoner transports in and out of county and state, sex offender registrations and tracking, criminal investigations, civil processes, evictions, Sheriff's sales, Allied Law Enforcement agencies coordination, patrol services, traffic safety, control of County Fire Police, command of Animal Control, and oversight of the County Firearms Training Facility.

C. Key Organizational Information:

- i. FY25 FTE: 116.3 (to include 95 Sworn law enforcement officers)
- ii. Organizational Budget: FY25 \$17,280,865 (to include personnel salaries and benefits)
- iii. Percentage of Budget application requested: .4% (\$64,695 requested)
- iv. Jurisdictions: Entirety of Worcester County, including services to Berlin, Ocean City, Ocean Pines, Pocomoke and Snow Hill, Maryland and other smaller unincorporated areas
- v. Client Population: The citizens of Worcester County and the thousands of visitors who visit the county annually, specifically during the months of Spring, Summer and Fall. The base population of Worcester County is approximately 52,460 with seasonal influxes of up to an additional 300,000 visitors. On average, each deputy is responsible for approximately 175 square miles during their shift. The WCSO has served Worcester County, MD since 1742.

Problem Statement/Needs Justification (Word Limit: 500)

A. The Worcester County Sheriff's Office (WCSO) FY26 PRAR Grant Program will recognize and reward the unwavering dedication of our existing sworn deputies in Worcester County, MD. With the ongoing efforts of other agencies to draw qualified sworn personnel to their departments, we must identify strategies to retain our current experienced staffing. By implementing this grant as a retention incentive, we provide tangible expressions of gratitude and appreciation for the tireless efforts put forth daily by our agency deputies.

i. Retention incentives in the form of equipment and accessories not funded by our operational budget

ii. Because of challenges such as low salaries, high stress and demanding work conditions, the purpose of this retention incentive program is to validate the importance and appreciation of our current workforce. Retention incentives will ensure that we maintain a skilled and experienced workforce, which is essential for effective law enforcement and public safety, by presenting tangible evidence of appreciation and gratitude. Lowering turnover rates minimizes the costs associated with recruiting and training new deputies and ensures continuity and stability within the ranks. Additionally, retaining experienced deputies can lead to better outcomes in terms of crime prevention, community relations and overall departmental effectiveness.

Overall, the purpose of this retention incentive program is to invest in the longevity and expertise of our current personnel, ultimately enhancing our ability to fulfill our mission of protecting and serving our community. We cannot underestimate the impact of losing experienced personnel. Each member of our team plays a vital role in upholding the professionalism and integrity of our organization. Losing qualified personnel not only weakens our agency's effectiveness but also jeopardizes the safety and security of the communities we serve.

iii. The WCSO is an ideal agency to receive and implement the FY26 PRAR grant because we not only understand the root cause of our staffing challenges, but have a practical plan to address that root cause through strategic investment in our current sworn personnel.

iv. The results of a salary study conducted over the last several months (uploaded to documents) polling starting salaries of like agencies show that WCSO deputies are paid at a lesser rate than neighboring agencies and jurisdictions. Of 32 similar agencies polled, WCSO ranked 30th in starting compensation. The starting salary for a qualified Deputy is \$55,037, while nearby agencies start at \$62,763 (Queen Anne's County Sheriff's Office), \$65,582 (St. Mary's County Sheriff's Office), \$68,673 (Charles County Sheriff's Office), \$78,800 (Rehoboth Beach Police Department), \$86,919 (Delaware State Police). Because our starting salaries fall below neighboring agencies, we must find alternate ways to show our appreciation and gratitude to our deputies.

Program Purpose Area (Word Limit: 150)

By implementing an employee retention incentive program that recognizes every deputy, we can publicly reward the dedication of each of our sworn personnel. They are provided with physical proof that they are an agency priority and that we regularly look for options to enhance their experience with our agency. In turn, morale is enhanced, and performance is improved.

Investing in our current employees is not only a proactive measure but also a strategic one. Retaining skilled professionals who are familiar with our agency's protocols, values, and community dynamics ultimately saves time and resources that would otherwise be spent on recruiting and training new personnel. In addition, retaining experienced personnel strengthens community relationships and increases public trust. Incentivizing the excellence our deputies put forward results in improved law enforcement outcomes and increased community safety.

Project Design (Word Limit: 750)

a. The Worcester County Sheriff's Office is requesting funding in the amount of \$64,695 specifically for the following equipment retention incentives:

5.11 BACKPACKS:

Because law enforcement personnel must be prepared for so many situations, they are required to have on hand untold number of items. This backpack will ensure that numerous items are readily organized and available.

We are requesting funds in the amount of \$13,300 for this item.

(RUSH® 24 2.0 Backpack 37L | High-Performance Tactical Gear | 5.11 Tactical® (511tactical.com) \$140 ea.

LEATHERMAN MUT:

This multi-purpose tool includes 16 items that our deputies will find useful in their daily duties. In addition to the standards such as pliers, wire cutters and cutting hook, it includes a carbon scraper, firearms cleaning rod/brush and firearm disassembly punch. We are requesting funds in the amount of \$19,000 for this item. MUT - Tactical Multi-Tool | Leatherman \$199.95 (rounded to \$200) ea.

BALLISTIC CLIPBOARD:

This tactical clipboard provides another level of ballistic protection within an everyday use item. The straps allow a deputy to easily shield their head or other exposed area in the event of a confrontation. We are requesting funds in the amount of \$14,250 for this item. (Bulletproof Clipboard Level 3A | Ballistic Armor | Hardwire LLC) \$150 ea.

RTIC COOLER:

Our deputies work 10-hr shifts and are frequently held over for incidents or because extra personnel are needed on a later shift. These small personal-size coolers allow the deputies to carry adequate food and drink to last throughout their shifts, while being small enough to fit in with the myriad of items they must have available. We are requesting funds in the amount of \$14,155 for this item.

<https://rticoutdoors.com/Compact-Hard-Sided-Cooler?size=20&color=Dark-Grey> \$149 ea.

YETI TUMBLERS:

Law enforcement personnel take pride in being healthy, which includes constant hydration. These tumblers will serve as a visual daily reminder that an employee is appreciated and valued. We are requesting funding in the amount of \$3,990 for this item. (YETI Rambler 30 oz Travel Mug With Stronghold Lid) \$42 ea.

b. N/A

c. Utilizing grant funding in the manner described aligns with best practices and industry standard in law enforcement management:

1. Focus is on retention over replacement - more cost-effective than hiring and training new law enforcement deputies, holding on to tenured sworn personnel is critical to institutional knowledge retention, consistent community relations with familiar faces

2. According to the International Association of Chiefs of Police (IACP) and Police Executive Research Forum (PERF), non-monetary recognition and job related tools can be just as meaningful as salary increases, especially when agencies have limited fiscal flexibility. This grant project provides practical, high-quality items that directly improve deputies' ability to do their job, visibly show appreciation from leadership and reinforce a sense of pride and professionalism.

3. The WCSO used a salary study across 32 agencies to identify its position in the regional compensation landscape (30th out of 32). This data-informed approach validates the need for non-salary incentives and supports the argument for urgency in intervention.

d. As WCSO strengthens its retention, it reduces cross-agency turnover, stabilizing law enforcement presence across the region. Mutual aid and joint operations benefit from retained, experienced WCSO personnel who are trained and familiar with local/regional protocols. The community we service benefits from retaining experienced deputies with increased trust, familiarity and reduced crime rates.

Goals & Objectives (Word Limit: 1,500)

A. The immediate goal of this program is to enhance the retention of existing sworn deputies by recognizing their dedication and providing meaningful, job-relevant incentives that improve morale, reinforce appreciation, and support long-term staffing stability. Our overall goal is to ensure that while we may not be able to offer the highest starting salaries, we work to promote the atmosphere of appreciation and recognize the importance of retaining our current personnel.

Investing in our current employees is not only a proactive measure but also a strategic one. Retaining skilled professionals who are familiar with agency protocols, values, and community dynamics ultimately saves time and resources that would otherwise be spent on recruiting and training new personnel. In addition, retaining experienced personnel strengthens community relationships and increases public trust. Incentivizing the excellence our deputies put forward results in improved law enforcement outcomes and increased community safety.

Specific objectives and expected outcomes include:

1. Enhance morale among sworn personnel
 - a. Objective: Improve workplace satisfaction and motivation through the distribution of high-quality, job-relevant retention incentives
 - b. Expected Outcome: Increased deputy engagement, job satisfaction, and pride in service.
 2. Retain all existing deputies
 - a. Objective: Reduce voluntary turnover by acknowledging the value and commitment of experienced personnel
 - b. Expected Outcome: Lower resignation rates, improved retention metrics, and greater organizational continuity
 3. Improve the Attractiveness of WCSO as a Long-Term Employee
 - a. Objective: Position WCSO as a desirable agency for career law enforcement professionals despite lower regional starting salaries
 - b. Expected Outcome: Increase in job applications and higher quality candidates interested in joining the agency
 4. Promote a Culture of Recognition and Support
 - a. Objective: Reinforce a culture where deputies feel seen, appreciated, and supported through consistent, agency-wide incentives
 - b. Expected Outcome: Strengthened internal cohesion and improved team dynamics.
 5. Support Operational Effectiveness and Community Safety
 - a. Objective: Maintain a skilled, experienced workforce capable of delivering uninterrupted and high-quality law enforcement services
 - b. Expected Outcome: Better response times, more effective policing, and increased public confidence in the agency
2. As detailed in the 'Project Design' section, we are requesting funding for the following equipment incentive items:
 - a. 5.11 BACKPACKS
 - b. LEATHERMAN MUT
 - c. BALLISTIC CLIPBOARD
 - d. RTIC COOLER
 - e. YETI TUMBLERS
 3. We have not received funding for this project in the past; however, success for this program will be defined by the retention, satisfaction, and performance of sworn deputies, along with the overall stability and effectiveness of the agency (specific points detailed in 'Data Collection Plan' section).
 4. We have not received funding for this project in the past.
 5. Items will be ordered in the first quarter of the grant project and distributed to sworn personnel upon completion of WCSO branding

Data Collection Plan (Word Limit: 250)

To evaluate the effectiveness of the FY26 PRAR Grant Program, the Worcester County Sheriff's Office (WCSO) will implement a structured data collection plan that captures relevant quantitative and qualitative data aligned with the program's goals, objectives, and performance indicators.

Outputs and measurements:

1. Track distribution and utilization of retention incentives
 - a. Number of sworn deputies who received PRAR-funded retention incentives during each quarter
2. Measure changes in staffing levels, turnover and morale
 - a. Number of sworn deputy vacancies at the beginning of this quarter
 - b. Number of sworn deputy vacancies at the end of this quarter
 - c. Number of sworn deputies who retired during this quarter
 - d. Number of sworn deputies who resigned during this quarter
3. Evaluate deputy satisfaction and organizational impact
 - a. Greater deputy satisfaction among existing personnel
 - b. Increased number of applicants for remaining open positions (currently 4)
4. Inform continuous improvement and future funding decisions

Grant Personnel (Word Limit: 500)

Qualifications & Experience of Agency:

- **Established Agency:** WCSO has a long-standing presence (since 1742) as the primary law enforcement agency in Worcester County, Maryland, with jurisdiction over a diverse and high-demand service area.
- **Skilled Workforce:** The agency employs 95 sworn deputies, all of whom are certified and trained according to Maryland Police Training and Standards Commission (MPTSC) regulations.
- **Service Area:** Responsible for protecting a year-round population of over 52,000 residents and managing public safety during seasonal influxes of over 300,000 visitors—demonstrating operational scale and complexity.
- WCSO has successfully managed multiple grant programs in the past, including those supporting recruitment, equipment upgrades, overtime compensation, and community policing initiatives.
- The agency maintains compliance with state and federal grant reporting requirements, performance tracking, and financial audits.

Project Director: Carrie Tingle, Financial Administrator (salary is budget funded)

Ms. Carrie Tingle serves as the Financial Administrator and Grants Coordinator for the Worcester County Sheriff's Office. Project Summary

The Worcester County Sheriff's Office FY26 Local Warrant Apprehension and Absconding (WAAG) Grant Program is designed to enhance the efficient execution of arrest warrants across Worcester County, Maryland. This initiative aims to improve public safety by swiftly locating and apprehending individuals with outstanding warrants, particularly those who pose a threat to the community. By removing dangerous offenders from the streets, this program directly benefits all residents of Worcester County and supports the continued safety and well-being of our communities. Requested funding in the amount of \$45,500 will offset overtime costs of personnel.

Overall Organization Information (Word Limit: 500)

A. Mission Statement: The mission statement of the Worcester County Sheriff's Office is to maintain a positive working relationship with the community, build trust and confidence and preserve peace while reducing crime and protecting the lives of citizens living in Worcester County.

B. Brief Overview: The Worcester County Sheriff's Office was established in 1742 and is in Snow Hill, Maryland, the county seat of Worcester County. As the easternmost county of the United States, Worcester County borders the Atlantic Ocean as well as both Delaware and Virginia lines. Located in the same building as the Worcester County Courthouse and government building, we are a full service law enforcement agency that maintains around the clock patrol service. Our agency currently employs 95 sworn deputies and 28 civilian support staff.

Our agency serves in numerous law enforcement and public safety capacities, including but not limited to: constitutional duties, individual courtroom security, Court House security, Government Center security, security escort for Treasurer's Office, extraditions across state lines, prisoner transports in and out of county and state, sex offender registrations and tracking, criminal investigations, civil processes, evictions, Sheriff's sales, Allied Law Enforcement agencies coordination, patrol services, traffic safety, control of County Fire Police, command of Animal Control, and oversight of the County Firearms Training Facility.

C. Key Organizational Information:

i. FY25 FTE: 116.3 (to include 95 Sworn law enforcement officers)

ii. Organizational Budget: FY25 \$17,280,865 (to include personnel salaries and benefits)

iii. Percentage of Budget application requested: .3% (\$45,500 requested)

iv. Jurisdictions: Entirety of Worcester County, including services to Berlin, Ocean City, Ocean Pines, Pocomoke and Snow Hill, Maryland and other smaller unincorporated areas

v. Client Population: The citizens of Worcester County and the thousands of visitors who visit the county annually, specifically during the months of Spring, Summer and Fall. The base population of Worcester County is approximately 52,460 with seasonal influxes of up to an additional 300,000 visitors. On average, each deputy is responsible for approximately 175 square miles during their shift. The WCSO has served Worcester County, MD since 1742.

Problem Statement/Needs Justification (Word Limit: 500)

A. Summarize

i. WAAG funding will allow the WCSO to serve court-ordered warrants outside of normal working hours, and to apprehend wanted and absconding individuals at unexpected times, ultimately reducing the number of outstanding warrants that needed to be served. Deputies ensure that warrants issued for violent crimes are a priority.

ii. Serving warrants and apprehending offenders is paramount in preserving peace and protecting the lives of citizens and visitors of Worcester County.

iii. Within the Judicial Services division of the Worcester County Sheriff's Office (WCSO) is the Warrant Unit, a specialized law enforcement team focused on locating and arresting individuals with outstanding warrants—particularly those related to serious crimes or those who are actively evading arrest. In addition, we maintain a team of 4 civilian analysts, who assist with the validation and research of open warrants among their other responsibilities.

iv. Worcester County currently faces a significant backlog of 8,134 outstanding warrants, indicating a pressing public safety and resource challenge. In 2024 alone, 72% (577 out of 802) of the arrests made by the Worcester County Sheriff's Office were warrant-related. This high percentage demonstrates the ongoing demand for warrant enforcement. However, with thousands of warrants still unserved, it is evident that current staffing and resources are insufficient. Expanding overtime hours dedicated specifically to warrant service is essential to reduce this backlog, improve community safety, and support timely justice system processes.

v. We do not anticipate any barriers to successful completion of this grant project.

vi. N/A

B. New request / continuation

i. Yes

1. N/A

2.

a. \$25,000

b. FY25 WAAG, GOCCP: \$25,000

c. Continued analysis, research and service of outstanding warrants

d. We are requesting an increase of \$20,500 in funding for FY26. As a result of a grant audit in FY25 Q2, we realized overtime warranted extradition costs were permissible. As a result, our requested reimbursement increased significantly between Q2 and Q3 (Q2-\$5,790.07 vs Q3-\$13,380.52). Increased funding will allow us to complete even more warrant services and warranted extraditions during overtime hours.

e. The spending of FY25 funding started off a bit slow, as we were unaware that warrant extradition costs were allowable. Once this was understood, funds expended in Q3 far exceeded Q2. We fully expect to expend all remaining FY25 funds by the end of the current grant period with no barriers or issues.

f. We have experienced no delays or adjustments in spending, other than the inclusion of warranted extradition costs as noted above.

Program Purpose Area (Word Limit: 150)

Our project cohesively aligns with the priorities listed within the WAAG NOFA. The purpose of the WCSO applying for this grant is to obtain grant funds to put towards overtimes purposes, that will allow us work overtime hours to serve an increased number of warrants and arrest violent offenders in our community to keep Worcester County safe. As this grant will allow the WCSO to serve warrants on an after-hours, we can continue to reduce the number of outstanding warrants awaiting service. In addition, serving warrants during unexpected hours generally result in more apprehensions as offenders are at their residences and not at work or other daytime activities. This will ultimately help us reduce the amount of wanted individuals and overall crime in Worcester County.

Project Design (Word Limit: 750)

The identified problem is that there are currently 8,134 outstanding warrants pending service in Worcester County, MD. In 2024, 577 of 802 Worcester County Sheriff's Office arrests were warrant arrests - 71%. There are still thousands of individuals in Worcester County who have not been arrested on outstanding warrants. Funding provided by WAAG will allow warrants to be served during overtime hours.

Projected results are that grant funding will increase the safety of our county. Having the option for deputies and analysts to work outside of normal business hours will lead to the arrest of more wanted individuals, with a focus on violent offenders. In cases where warrants involving crimes of violence need to be served, it may take multiple deputies and hours of research and surveillance to safely apprehend the individuals.

a. The program design will be as follows:

(Analysts will receive warrant, complete wanted check through METERS, complete in-house record check, complete Maryland Ident-Index check via CJIS Mainframe, complete III Identification information check via METERS, III complete criminal history check (METERS), complete NLETS criminal history check, complete NLETS driver inquiry, complete MVA name, driver and vehicle registration checks)

1. Deputies will be authorized to sign up for overtime details to serve warrants
2. Deputies will obtain a list of warrants and prioritize searching for those with charges for violent crimes first
3. Deputies will gather intelligence related to searching for the wanted person
4. Once the wanted person is located, deputies will arrest, transport, and process them
5. Deputies will then ensure the defendant goes in front of the District Court Commissioner or Judge for their initial appearance
6. A Deputy will then ensure that the defendant is released from WCSO or held on bond and transported to the Worcester County Jail

b. N/A

c. Serving warrants at varying times of the day, particularly during early mornings, evenings, and weekends, is supported by best practices and evidence-based methodologies used by law enforcement agencies nationwide. Research and operational experience have shown that non-traditional warrant service hours increase the likelihood of successful apprehensions, as individuals with outstanding warrants are more likely to be at home outside of regular business hours. This approach minimizes the chances of evasion and maximizes officer efficiency.

Industry standards, such as those recommended by the U.S. Marshals Service and other federal task forces, endorse flexible and intelligence-driven warrant operations. These strategies are informed by data on offender routines and are designed to increase officer safety while reducing community disruption. By adopting these proven practices, the Worcester County Sheriff's Office enhances its ability to locate and arrest wanted individuals effectively, contributing to overall crime reduction and improved public safety outcomes.

d. The level of cooperation we experience with our allied agencies remains strong and consistent. Historically, we have maintained mutually beneficial working relationships with local municipalities and the additional support provided through this grant has only deepened that collaboration. The increased involvement in warrant service activities has significantly enhanced interagency communication and coordination. Given our county-wide jurisdiction, we regularly execute warrants and apprehend wanted individuals across multiple municipal jurisdictions. These municipalities have proven to be dependable and responsive partners, readily providing assistance, intelligence, and personnel support when necessary to ensure successful outcomes.

Goals & Objectives (Word Limit: 1,500)

The overall goal of this program is the following:

Through coordination and cooperation between local law enforcement and state and federal agencies, we will be able to reduce the number of active warrants in our jurisdiction, as well as other jurisdictions in Maryland, by serving warrants outside of normal working hours. This will ultimately reduce the amount of crime and wanted individuals in Worcester County.

Objective #1: Reduce the number of existing active warrants and maintain a minimal number of active warrants going forward

1. Project Activities

Project activities will consist of deputies obtaining warrants, collecting intelligence on the wanted persons involved, serving warrants, and processing the offender before release or commitment. The deputy will first obtain warrants that need served from the Records division, where analysts have confirmed the warrant's validity. The deputy will then complete an intelligence packet on the wanted person to determine an address or address(es) where the person may be living or frequenting, the vehicles the individual may be

ITEM 5

operating, the place of employment where the person may be working, as well as identify known associates of the wanted person in attempts to find them. The deputy may also need to conduct a criminal history inquiry in case the person is wanted for serious crimes. The deputy may check the Maryland Dashboard website to check if the person has any firearms registered to them. The deputy may check open social media profiles in attempts to locate the wanted person. These intelligence packets can take up to an hour to complete but are necessary to ensure the deputy or deputies involved, as well as the wanted person, are as safe as possible during the apprehension.

Depending on the severity of the offense, the deputy may determine that the safest course of apprehension is to conduct surveillance and wait for the wanted person to walk outside of their residence or place of employment to arrest them, especially in cases of violent, repeat offenders. Open air take downs are typically safer than knock-and-talk approaches in cases with violent offenders. These cases can take longer to resolve, and it may involve multiple deputies and hours of surveillance to safely apprehend the person.

After the arrest of a wanted person, the arresting deputy will need to transport the wanted person to the Sheriff's Office to be processed, process the prisoner upon arrival, and take the prisoner before the District Court Commissioner. Once the prisoner is seen by the District Court Commissioner, he or she will either be released, or he or she may need to be transported to the county jail. This whole process can take hours, and if the arrestee is uncooperative, it may require the presence of two deputies.

2. Resources

Necessary resources are funds to offset overtime costs accrued by deputies serving warrants and making warrant apprehensions. The WCSO is requesting \$45,500 to allow deputies to perform warrant apprehensions on an overtime basis. The average overtime rate for a deputy (ranks Deputy-Sergeant) and/or analyst is \$50/hour. Accounting for 30% fringe benefits, the requested funding of \$45,500 will allow for approximately 700 hours of overtime warrant-related activities. Funds awarded will offset personnel overtime costs.

3. Program Measurement

The Worcester County Sheriff's Office warrant unit — typically measures success using a mix of quantitative and qualitative metrics. Here's a breakdown of how we track and evaluate effectiveness:

Quantitative Metrics

1. Warrants Cleared

- a. Number of warrants served or resolved (arrests made, people turning themselves in, etc.)
- b. Clearance rate: percentage (%) of outstanding warrants successfully executed
- c. High-Risk Apprehensions
- d. Number of violent or high-priority offenders safely apprehended
- e. Rate of successful captures without injury to officers, suspects, or the public

2. Time to Serve

- a. Average time from warrant issuance to execution
- b. Faster times can indicate better efficiency or intelligence

3. Fugitive Recovery Rate

- a. Especially for units with a focus on fugitives or extraditions

4. Collaboration Outcomes

- a. Joint operations with task forces (e.g., U.S. Marshals, local police) and the results of those

5. Community Impact

- a. Reduction in local crime rates tied to warrant enforcement
- b. Public perception (sometimes tracked through surveys or community feedback)
- c. Officer Safety & Procedure Compliance

d. Adherence to protocols and use-of-force standard

e. Fewer complaints or internal investigations

6. Intelligence-Driven Operations

a. Use of surveillance, informants, and technology to strategically target high value warrants rather than just volume.

7. Judicial Relationships

a. Maintaining trust and efficiency with courts and prosecutors, ensuring warrants are well-documented and legally sound.

The effectiveness of this program will be measured by the number of arrests made.

4. The Worcester County Sheriff's Office (WCSO) has a strong track record of utilizing resources effectively to serve warrants and apprehend offenders. Historical data from previous reporting periods support our ability to meet and exceed performance expectations:

2022: WCSO deputies made **710 total arrests**, of which **495 (70%)** were warrant-related

2023: Out of **768 total arrests**, **543 (71%)** were for outstanding warrants, demonstrating consistent focus and efficiency in warrant service

2024 (YTD): As of the latest reporting, **577 of 802 arrests (72%)** were for outstanding warrants—an upward trend in both volume and percentage, indicating growing demand and continued performance

In previous grant-funded overtime initiatives, the WCSO consistently met or exceeded targets for warrant-related operations. During a 6-month period in a prior overtime-funded project, deputies served **180 warrants** during non-traditional hours, contributing to a **15% increase** in apprehensions compared to the same period the year prior.

This data clearly supports the anticipated outputs of increasing warrant service rates and enhancing public safety through strategic use of overtime hours. It also demonstrates the WCSO's capability to effectively manage grant funds to achieve measurable results.

5. Overtime analysis and service of outstanding warrants will begin upon notification of grant funding. A/Sergeant Kenneth Parr will be responsible for scheduling and monitoring of individual deputies working on the grant project, while Carrie Tingle will ensure timelines and target dates are being met. Spending will vary per quarter, due to deputy availability and number of extraditions scheduled. We anticipate no barriers to expending all requested funding.

Data Collection Plan (Word Limit: 250)

The WCSO enters all warrants received into a records management System (RMS). RMS maintains the statistical data for all submitted active reports, recalled warrants, and warrants referred to other agencies. A Computer Aided Dispatch (CAD) system is utilized to track and monitor warrant attempts and services. Our scheduling and time-keeping program, inTime, allows us to monitor a Deputy's time spent working on WAAG related matters.

Warrants served will be organized by offense, with the outcome measures noted in the 'Goals and Objectives' section categorized by warrants attempted versus served.

Reports will be submitted to GOCCP on a quarterly basis.

Grant Personnel (Word Limit: 500)

The Worcester County Sheriff's Office is a full-service Sheriff's Office established in 1742. The Judicial Services division of the WCSO is assigned all active bench warrants through both District and Circuit Court, as well as arrest warrants within the County. This Division is the most experienced with warrant management within our county-wide jurisdiction, due largely to the fact that they receive warrants daily from the courts.

Project Director – Carrie Tingle (salary is budget funded)

Ms. Carrie Tingle serves as the Financial Administrator/Grants Coordinator for the Worcester County Sheriff's Office. She has a background in finance and has served in governmental environments for the past 16 years.

Financial Officer - Dhara Patel (salary is budget funded)

Dhara Patel serves as the Senior Budget Officer for Worcester County, where she leverages her background in finance and accounting to oversee complex grant administration and assists in the management of the county's multi-million-dollar budget. Her expertise plays a critical role in maintaining fiscal responsibility and supporting long-term financial planning across county departments.

Key Consultant - Acting Sergeant Kenneth Parr, Judicial Services Division (salary is budget funded)

A/Sgt. K. Parr is a 24-year Law Enforcement veteran and has been with the Worcester County Sheriff's Office for 21 of those years. His experience ranges from Patrol to Judicial Services Division Supervisor. He has a vast knowledge of warrant operations and initiatives.

Sustainability (Word Limit: 200)

- a. Approximately 7 deputies and 4 analysts will be involved in the overtime process of this WAAG project - ~6.02%
- b. N/A
- c. No other funds have been secured to support this project
- d. Our Agency will continue to research available resources to supplement budgeted overtime fund

Applicant Disclosure of Pending Applications Statement (Word Limit: 150)

The Worcester County Sheriff's Office does not have any pending applications submitted within the past 12 months for federally funded assistance that include requests for funding to support the same project being proposed under this solicitation and will cover the identical cost items outlined in the budget narrative and worksheet under this solicitation.

Budget Details and Spending Plan (Word Limit: 750)

a. Budget Plan

i. Our application for WAAG funding is to supplement existing budget funds by reimbursing overtime costs incurred for warrant-related activities, such as researching warrants, warrant service, warrant extradition service, etc. Because we are not budgeted overtime funds for this project, supplanting does not apply.

ii. We are requesting \$45,500, determined as follows: \$35,000 base overtime reimbursement plus 30% fringe benefits reimbursement. At an average overtime rate of \$50/hour, this funding will allow for ~700 hours of warrant-related overtime activity.

iii. We are requesting \$45,500, determined as follows: \$35,000 base overtime reimbursement plus 30% fringe benefits reimbursement. At an average overtime rate of \$50/hour, this funding will allow for ~700 hours of warrant-related overtime activity.

iv. We are requesting \$45,500, determined as follows: \$35,000 base overtime reimbursement plus 30% fringe benefits reimbursement. At an average overtime rate of \$50/hour, this funding will allow for ~700 hours of warrant-related overtime activity.

Certified Assurances

THE APPLICANT HEREBY ASSURES AND CERTIFIES THE FOLLOWING:

1. That Federal funds made available under this grant will not be used to supplant State or local funds, but will be used to increase the amounts of such funds that would, in the absence of Federal Funds, be made available for program activities.
2. That cost sharing funds required to pay the non-Federal portion of the cost of each project, for which grant funds are made available, shall be in addition to funds that would otherwise be made available for program activities by the recipient of the grant funds and shall be provided as required in the Grant Award document.
3. That if the subrecipient has expended \$1,000,000 or more in federal funds during the entities fiscal year, a single audit has been conducted in accordance with 2 CFR §200.514 and submitted to the Federal Audit Clearinghouse (<https://www.fac.gov/>).
4. That fund accounting, auditing, monitoring, evaluation procedures and such records as the Governor's Office of Crime Prevention and Policy shall prescribe to and shall be provided to assure fiscal control, proper management and efficient disbursement of funds received.
5. That the Grantee shall maintain such data and information and submit such reports in such form, at such times, and containing such information as the Governor's Office of Crime Prevention and Policy may reasonably be required to administer the program.
6. Subrecipients will comply (and will require any subgrantees or contractors to comply) with any applicable statutorily-imposed nondiscrimination requirements, which may include Title VI of the Civil Rights Act of 1964, which prohibits discrimination on the basis of race, color, national origin, religion or sex in the delivery of services (42 U.S.C. § 2000d), and the DOJ implementing regulations at 28 C.F.R. Part 42, subpart C; The Omnibus Crime Control and Safe Streets Act of 1968, which prohibits discrimination on the basis of race, color, national origin, religion, or sex in the delivery of services and employment practices (34 U.S.C. § 10228(c)(1)), and the DOJ implementing regulations at 28 C.F.R. Part 42, Subpart D; Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of disability in the delivery of services and employment practices (29 U.S.C § 794), and the DOJ implementing regulations at 28 C.F.R. Part 42, Subpart G; Title II of the Americans with Disabilities Act of 1990, which prohibits discrimination in the delivery of services and employment practices (42 U.S.C. § 12132), and the DOJ implementing regulations at 28 C.F.R. Part 35; Title IX of the Education Amendments of 1972, which prohibits discrimination on the basis of sex in educational programs (20 U.S.C. § 1681), and the DOJ implementing regulations at 28 C.F.R. Part 42, Subpart I; The DOJ regulations on the Partnerships with Faith-based and other Neighborhood Organizations, which prohibit discrimination on the basis of religion in the delivery of services and prohibit organizations from using DOJ funding on explicitly religious activities (28 C.F.R. Part 38);
- Age Discrimination Act of 1975, as amended, which prohibits discrimination on the basis of age in the delivery of services (42 U.S.C. § 6102), and the DOJ implementing regulation at 28 C.F.R. pt. 42, subpart I; Juvenile Justice and Delinquency Prevention Act of 1974, as amended, which prohibits discrimination on the basis of race, color, national origin, sex, and religion in the delivery of services and employment practices (34 U.S.C. § 11182 (b)), and DOJ implementing regulations at 28 C.F.R. §§ 31.202, .403 & part 42, subpart D; Victims of Crime Act of 1984, as amended, which prohibits discrimination on the basis of race, color, national origin, sex, religion, and disability in the delivery of services and employment practices (34 U.S.C. § 20110(e)), and the DOJ implementing regulation at 28 C.F.R. § 94.114; and Violence Against Women Act of 1994, as amended, which prohibits discrimination on the basis of race, color, national origin, sex, religion, disability, sexual orientation, and gender identity in the delivery of services and employment practices (34 U.S.C. § 12291(b)(13)). These laws prohibit agencies from retaliating against individuals for taking action to secure rights protected by these laws.
7. That in the event a Federal or state court or administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, sex, or disability against the Grantee, a copy of the finding will be forwarded to the Governor's Office of Crime Prevention and Policy
8. Subrecipients receiving Federal (Safe Streets Act which authorizes VAWA), VOCA, or Title II JJDPA) Department of Justice Funding are governmental or for-profit entities, that have fifty or more employees and that receive a single award of \$25,000 or more are required to prepare and submit electronically their Equal Opportunity Plan and certification utilizing the Equal Employment Opportunity Reporting tool located on the Office for Civil Rights (OCR) website at <https://ojp.gov/about/ocr/eeop.htm>
- Subrecipients receiving Federal (Safe Streets Act which authorizes VAWA), VOCA, or Title II JJDPA) Department of Justice Funding that are Medical or Educational Institution, Indian Tribe, or non profit, governmental or for-profit entities with largest individual grant received is less than \$25,000 and have less than 50 employees will need to submit an online certification form to the Office for Civil Rights (OCR) utilizing the Employment Opportunity tool at <https://ojp.gov/about/ocr/eeop.htm> but would be exempt from completing the Equal Opportunity Plan.
- The Office for Civil Rights has training presentations available to recipients of OJP, OVW and COPS Office funding to assist them in meeting their federal civil rights obligations. These trainings can be accessed at www.ojp.usdoj.gov/about/ocr/assistance.htm
9. That the Grantee will comply with the provisions of the Governor's Office of Crime Prevention and Policy's General and Special Conditions for Grants. General Conditions are posted on the Governor's Office of Crime Prevention, and Policy's website (<https://gocpp.maryland.gov/grants/general-conditions/>).

10. That the Grantee will comply with the provisions of 28 CFR Part 66 applicable to grants and cooperative agreements awarded with DOJ funding.

11. Subrecipients are obligated to provide services to Limited English Proficient (LEP) individuals. Refer to the DOJ's Guidance Document. To access this document see U.S. Department of Justice, Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons (67 Federal Regulation 41455 (2002)). This regulation may be accessed at: <https://www.archives.gov/eo/laws/title-vi.html>

Effective 1/18/2024, the Moore-Miller Administration renamed the Office to the Governor's Office of Crime Prevention and Policy (GOCPP). This change does not invalidate previous, current, or future agreements or documents referencing the agency as GOCCP or GOCPYVS.

CERTIFICATION: I certify that this program will comply with the provisions set forth by the State of Maryland and the Governor's Office of Crime Control and Prevention.

**CERTIFICATIONS REGARDING LOBBYING; DEBARMENT, SUSPENSION AND
OTHER RESPONSIBILITY MATTERS; AND DRUG-FREE WORKPLACE REQUIREMENTS**

Applicants should refer to the regulations cited below to determine the certification to which they are required to attest. Applicants should also review the instructions for certification included in the regulations before completing this form. Signature of this form provides for compliance with certification requirements under 28 CFR Part 69, "New Restrictions on Lobbying" and 28 CFR Part 67, "Government-wide Debarment and Suspension (Non-procurement) and Government-wide Requirements for Drug-Free Workplace (Grants)." The certifications shall be treated as a material representation of fact upon which reliance will be placed when the Department of Justice determines to award the covered transaction, grant, or cooperative agreement.

1. LOBBYING

As required by Section 1352, Title 31 of the U.S. Code, and implemented at 28 CFR Part 69, for persons entering into a grant or cooperative agreement over \$100,000, as defined at 28 CFR Part 69, the applicant certifies that:

(a) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the making of any Federal grant, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal grant or cooperative agreement;

(b) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form - LLL, "Disclosure of Lobbying Activities," in accordance with its instructions;

(c) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subgrants, contracts under grants and cooperative agreements, and subcontracts) and that all sub-recipients shall certify and disclose accordingly.

**2. DEBARMENT, SUSPENSION, AND OTHER
RESPONSIBILITY MATTERS
(DIRECT RECIPIENT)**

As required by Executive Order 12549, Debarment and Suspension, and implemented at 28 CFR Part 67, for prospective participants in primary covered transactions, as defined at 28 CFR Part 67, Section 67.510 --

A. The applicant certifies that it and its principals:

(a) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;

(b) Have not within a three-year period preceding this application been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with

obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

(c) Are not presently indicted or otherwise criminally or civilly charged by a Government entity (Federal, State, or local) with commission of any of the offenses enumerated in paragraph, (1) (b) of this certification; and

(d) Have not within a three-year period preceding this application had one or more public transactions (Federal, State, or local) terminate for cause or default; and

B. Where the applicant is unable to certify to any of the statements in this certification, he or she shall attach an explanation to this application.

**3. DRUG-FREE WORKPLACE
(GRANTEES OTHER THAN INDIVIDUALS)**

As required by the Drug-Free Workplace Act of 1988, and implemented at 28 CFR Part 67, Subpart F, for grantees, as defined at 28 CFR Part 67, Sections 67.615 and 67.620 --

A. The applicant certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an on-going drug-free awareness program to inform employees about --

(1) The dangers of drug abuse in the workplace;

(2) The grantee's policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance programs; and

(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

OJP FORM 4061/6 (3-91) REPLACES OJP FORMS 406/1/2, AMD 406/14 WHICH ARE OBSOLETE.

(c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will –

(1) Abide by the terms of the statement; and

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency, in writing, within 10 calendar days after having received notice under subparagraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to: Director, Grants and Contracts Service, U.S. Department of Education, 400 Maryland Avenue, S.W. (Room 312A, GSA Regional Office Building No. 3), Washington DC 20202-4571. Notice shall include the identification number(s) of each affected grant.

(f) Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is so convicted --

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e), and (f).

B. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

Place of Performance (street address, city, county, state, zip code)

Check ___ if there are workplaces on file that are not identified here.

Section 67, 630 of the regulations provides that a grantee that is a State may elect to make one certification in each Federal fiscal year. A copy of which should be included with each application for Department of Justice funding. States and State agencies may elect to use OJP Form 4061/7.

Check ___ if the State has elected to complete OJP Form 4061/7.

**DRUG-FREE WORKPLACE
(GRANTEES WHO ARE INDIVIDUALS)**

As required by the Drug-Free Workplace Act of 1988, and implemented at 28 CFR Part 67, Subpart F, for grantees, as defined at 28 CFR Part 67, Sections 67.615 and 67.620 --

As a condition of the grant, I certify that I will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity with the grant; and

B. If convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity, I will report the conviction, in writing, within 10 calendar days of the conviction, to: Department of Justice, Office of Justice Programs, ATTN: Control Desk, 633 Indiana Avenue, N.W., Washington, D.C. 20531.

As the duly authorized representative of the applicant, I hereby certify that the applicant will comply with the above certifications.

RE: 2025 Maryland Agricultural Fair Board Grants & Updates

Greetings,

The Maryland Agricultural Fair Board (MAFB) met in March to review the 2025 Grant Applications and allocate funds based on the Horse Racing Special Fund projections for Fiscal Year 2026. As a reminder, the MAFB grant cycle is annual from January 1 through December 31, whereas our funding cycle is based on the State fiscal year (July 1 through June 30). This system simplifies the process for fairs and shows without the complication of a fiscal-year system.

Based on the continuing decline of funding from the Horse Racing Special Fund and downward revenue projections from the Maryland Racing Commission, the Maryland Agricultural Fair Board had to make several challenging decisions to remain solvent while continuing to support the industry. Given the sweeping changes in Maryland horse racing and the uncertainty of the Special Fund, the Board elected to cut 8% from the 2024 grant allocations (or the actual expenditure, whichever value was lower) when determining grants for 2025. Beginning this year, spring shows will no longer be funded on a per-head basis; spring show grants will be reimbursed based on total monies paid for premiums, ribbons, trophies and awards. The Board also lifted a 2010 policy that restricted youth from entering multiple spring shows.

The Maryland Agricultural Fair Board continues to work to support fairs and shows in Maryland regardless of the funding shortfalls, including through partnerships with the State Veterinarian and MDA Animal Health team, the Maryland Association of Agricultural Fairs and Shows, Maryland 4-H and FFA, and other leaders in the industry. MAFB extends gratitude to Maryland Farm Bureau and all partners who supported HB650/SB563 that would stabilize MAFB funding, and while this bill did not pass, we look forward to engaging with our partners to identify avenues to support Maryland fairs and shows.

The impact of Maryland's fair and show industry goes well beyond the 1.5 million people that attend every year - it is felt by every Marylander through the impact that you have in youth development, agricultural education, economic impact in your community, and the showcasing of Maryland's #1 commercial industry. Thank you for everything that you do to support Maryland agriculture, and we look forward to continuing to support you in 2025.

Fiscal Year 2026 (July 1, 2025, through June 30, 2026)

This GRANT AGREEMENT, entered into this ____ day of _____, 2025, is between the Maryland Department of Agriculture, Maryland Agricultural Fair Board (Fair Board) and:

Grantee	
---------	--

GENERAL CONDITIONS OF GRANT

Due June 1st, 2025

1. The Fair Board agrees:
Subject to available funding, to grant the Grantee an allocation not to exceed/up to \$_____ to be used solely for the payment of expenditures for approved agriculturally related premiums, ribbons, and trophies, or other uses the Fair Board has authorized during its Fiscal Year '26. The Fair Board may award a supplemental grant at the close of the fiscal year if funds are available. Grant is subject to available appropriations. **PLEASE BE ADVISED THAT AT THIS TIME THE BOARD IS UNAWARE OF THE FUNDING AVAILABLE FOR THE UPCOMING YEAR AND DUE TO SUCH EVENTS GRANT FUNDS ARE SUBJECT TO BE REDUCED OR ELIMINATED.**

2. The Grantee agrees:
 - a. To file with the Fair Board, within 45 days after the last day of the Grantee's fair, show, or activity, a full accurate account of expenditures under this grant on forms provided by the Fair Board. A Grantee that holds an activity within 45 days prior to the close of the fiscal year must file their account no later than June 15, 2026. The account shall be sworn to by an officer of the Grantee and all records shall be subject to audit by a representative of the Board;
 - b. To file annually with the Fair Board a statement of profit or loss and a balance sheet indicating the grant and properly authenticated which shall be subject to audit by a representative of the Fair Board;
 - c. To secure additional revenue for the Grantee's expenditures, including premiums, ribbons, and awards or other uses the Fair Board has authorized in excess of the amount of the grant;
 - d. To file with the Fair Board, at least 30 days in advance of the show, a show catalog for the activity listing premiums, a schedule of events, and a listing of the Fair Board;
 - e. To file with Fair Board, at least 15 days in advance of the activity, a list of all livestock judges, and to abide by all conditions and regulations concerning livestock shows, including those noted in COMAR 15.12.01.07;
 - f. To pay all premiums won by qualified exhibitors within 30 days after the final day of the activity;
 - g. To file within 45 days of the final day of the activity an Activity Report on the form provided by the Fair Board; Late reports may be assessed a 5% penalty for every 30 days over the 45 days.
 - h. To comply with the Maryland Agricultural Fair Board regulations for fairs and shows.

3. This Agreement is subject to "Maryland Department of Agriculture's General Terms and Conditions for Grant Agreements" which is attached to and incorporated herein.

Maryland Department of Agriculture's
General Terms and Conditions for Grant Agreements

- 1) **TERMS AND APPLICABILITY:** These General Terms and Conditions apply to Grant Agreements. The General Terms and Conditions do not constitute a complete agreement but are part of the Grant Agreement executed by all parties, which identifies the specific work to be performed, grant amount, term, and special conditions, if any. The General Terms and Conditions and the Grant Agreement are intended to be complementary and shall be construed together. In the event of a direct conflict between them, the terms of the Memorandum shall govern and control.
- 2) **DEFINITIONS:** Specific terms used in this document have the following meaning:
 - a) "Grant Agreement" means the agreement between the Department and the grantee who has obtained a grant from MDA to perform certain work/services. It includes the Scope of Work, Budget, and these General Conditions.
 - b) "Scope of Work" or "Work" refers to the specific agreement of the Grantee, who has applied for or otherwise has received a grant, to perform certain work/services identified in the Grant Agreement or other work statement included in or incorporated into the Grant Agreement.
 - c) "Grantee" means person who has applied for or otherwise has received a grant to perform certain work/services under the Grant Agreement.
 - d) "Department" means the Maryland Department of Agriculture
- 3) **NOTICE:** Service of any notice under the Grant Agreement shall be complete upon mailing of such notice, postage prepaid, to the appropriate representative at the address indicated in the Grant Agreement. If no contract representative is named, then the person executing the Grant Agreement for a party shall be the contact representative for purposes of notice.
- 4) **PERFORMANCE:** The Grantee agrees to perform all work/services under this Grant Agreement continuously and diligently and to meet all milestones contained in the Grant Agreement.
- 5) **CHANGES:** This Agreement may be amended only with the written consent of both parties.
- 6) **NON-DISCRIMINATION:** Grantee may not discriminate on the basis of:
 - a) Political or religious opinion or affiliation, marital status, race, color, creed, or national origin;
 - b) Sex or age, except when age or sex constitutes a *bona fide* occupational qualification; or
 - c) The physical or mental disability of a qualified individual.
- 7) **DRUG AND ALCOHOL-FREE WORKPLACE:** Grantee agrees to comply with Maryland's policy concerning a drug and alcohol-free workplace, as set forth in COMAR 01.01.2023.16, and shall remain in compliance throughout the term of this Agreement.
- 8) **TERMINATION FOR NON-APPROPRIATION (Multi-Year Agreements):** If funds are not appropriated or otherwise made available to support continuation in any fiscal year succeeding the first fiscal year, this Agreement shall be terminated automatically as of the beginning of the fiscal year for which funds are not available.
- 9) **TERMINATION FOR CONVENIENCE:** MDA may terminate this Agreement, in whole or in part, without showing cause upon prior written notice to the Grantee specifying the extent and effective date of the termination. MDA shall pay all reasonable costs associated with this Agreement that the Grantee has incurred up to the date of termination, and all reasonable costs associated with termination of the Agreement.
- 10) **TERMINATION FOR DEFAULT:** If the Grantee violates any provision of this Agreement, MDA may terminate the Agreement by giving the Grantee written notice of the termination.
- 11) **MARYLAND LAW PREVAILS:** The law of Maryland shall govern the interpretation and enforcement of this Agreement.

- 12) **RECORD-KEEPING/AUDIT:** The Grantee shall retain and maintain all records and documents relating to this Agreement for three years after final payment by MDA hereunder or any applicable statute of limitations, whichever is longer, and shall make them available for inspection and audit by authorized representatives of MDA at all reasonable times.
- 13) **SEVERABILITY:** It is understood and agreed by the parties hereto that if any of these provisions shall contravene, or be invalid under the laws of the particular state, county, or jurisdiction where used, such contravention or invalidity shall not invalidate the whole agreement, but the Agreement shall be construed as if not containing the particular provision or provisions held to be invalid in the said particular state, county, or jurisdiction, and the rights and obligations of the parties shall be construed and enforced accordingly.
- 14) **USE/RETURN OF FUNDS:** The Grantee shall use all funds provided by MDA strictly in accordance with the Agreement, and return all funds not used should MDA decide that Grantee may not carry them over for use the following year. If the Agreement is terminated, the Grantee shall return all funds not used.
- 15) **NON-HIRING OF EMPLOYEES:** No official or employee of the State, as defined under State Government Article, §15-102, Annotated Code of Maryland, whose duties as such official or employee include matters relating to or affecting the subject matter of this agreement shall, during the pendency or term of this agreement and while serving as an official or employee of the State, become or be an employee of the Grantee or any entity that is a subcontractor on this agreement.
- 16) **ANTIBRIBERY:** The Grantee warrants that neither it nor any of its officers, directors, or partners nor any of its employees who are directly involved in obtaining or performing contracts with any public body has been convicted of bribery, attempted bribery, or conspiracy to bribe, under the laws of any state or of the federal government or has engaged in conduct since July 1, 1977, which would constitute bribery, attempted bribery, or conspiracy to bribe under the laws of any state or the federal government.
- 17) **SURVIVING TERMS:** Audit, confidentiality, document retention, and hold harmless obligations under this Grant Agreement shall survive expiration or termination of the Grant Agreement.
- 18) **NON-WAIVER OF RIGHTS; REMEDIES:** No failure on the part of the State or MDA to exercise, and no delay in exercising, any right under this Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude the State or MDA from further exercising that or any other right. The remedies provided under this Agreement are cumulative and not exclusive of any remedies provided by law.
- 19) **ASSIGNMENT OR TRANSFER:** The Grantee may not sell, transfer, or assign any of its obligations under this Agreement, or its rights, title, or interest in this Agreement, without further prior written consent of MDA.
- 20) **ENTIRE AGREEMENT:** This Agreement represents the complete, total and final understanding of the parties and no other understanding or representations, oral or written, regarding the subject matter of this Agreement, shall be deemed to exist or to bind the parties hereto at the time of execution.
- 21) **ELECTRONIC SIGNATURES:** This document may be executed in multiple counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument. Signatures, including notary signatures, provided by electronic means including, by way of example and not of limitation, facsimile, Adobe, PDF, and sent by electronic mail, or via an electronic signature program, shall be deemed to be original.

MEMORANDUM

TO: Worcester County Commissioners
FROM: Nicholas W. Rice, Procurement Officer
DATE: May 6, 2025
RE: Request to Purchase – Cybersecurity Solution

The Department of Information Technology is seeking approval to purchase the attached cybersecurity solution from Arctic Wolf in the amount of \$63,779.85. Pricing is based on the State of Maryland’s Department of Information Technology Master Contract, COTS #060B2490021 and provides the county with a 68% discount off list price.

Multiple solutions were reviewed, and it was determined this solution works best with our existing systems and provides strong value for the cost. This solution will allow the IT Department to combine and monitor data from all our current cybersecurity systems so they can quickly detect and respond to potential cyber threats.

Federal grant funding in the amount of \$50,000 was received this year. The additional \$13,779.85 will come from account 100.1090.020.6130.060 - Equipment Maintenance Software Licensing.

RE: Request to Contract – Worcester County 911 Center Wellness Network

The Department of Emergency Services is seeking Commissioner approval to contract with Behind the Line, Inc. to provide a Wellness Program for our 9-1-1 Specialists. These services are necessary to comply with Maryland law and the policies set forth by the State of Maryland 9-1-1 Board concerning mental wellness for 9-1-1 Specialists. The requirements include the regular delivery of mental health training, access to mental health resources, and the provision of crisis counseling services specifically focused on public safety personnel.

This service provider is currently providing similar services to the Sheriff's Office and Fire Marshal's Office. The proposed contract will be structured as a not-to-exceed agreement based on hours, with hours estimated according to the number of anticipated training sessions and a reserve of hours dedicated to employee engagement activities.

This request is contingent upon funding approval by the State of Maryland 9-1-1 Board. Payments will be made directly by the State of Maryland 9-1-1 Board.

Wellness Program: A Proposal for Worcester County 911 Center

Rationale & Overview:

911 Dispatchers are faced with a wide range of challenging experiences throughout their careers. To offset the impact that stress and traumatic events may have on a first responder, it is important to provide appropriate trainings and to support the creation of healthy coping skills and overall wellbeing across the span of their career. Behind the Line, Inc. has created specific programs to afford first responders a well-rounded positive and solution-focused program that promotes physical, emotional, and cognitive wellbeing and resiliency for the Worcester County 911 Center.

These programs consist of allied mental health professionals well trained in the how to support the unique needs of first responders. Through mental health check-ups, crisis management, ongoing therapeutic services, and peer support, BTL aims to decrease risk factors (e.g., substance abuse, marital & financial problems, physical illness, mental health needs) that often lead to burn-out, poor job performance, risky behavior, and even suicide. The Wellness Network also aims to increase protective factors (e.g., peer support, therapeutic supports, psychoeducation) to better the performance of first responders while also promoting retention and longevity in the field.

To coordinate the multi-faceted component, Behind the Line, Inc. proposes to provide a coordinator who will work simultaneously with key staff from the Worcester County 911 Center well as Dr. Scott and Marc Junkerman to ensure fidelity of services and to oversee the quick and effective implementation of all services to meet the ever-changing needs of the Center and community. Components of this network are described throughout this proposal.

Behind the Line, Inc. Responsibilities:

1. Consult, coordinate and assist with the 911 Center Peer Team
2. Consult, coordinate and present ongoing education regarding wellness and resiliency which can occur through, but is not limited to, roll calls, 1-hour trainings, and obtaining outside resources to present to 911 Center staff.
3. Consult, coordinate and implement mental health crisis response services when needed. This includes identifying the needs of 911 Center based upon the type of crisis encountered and coordinating such efforts in a timely fashion.
4. Assist with community resource development.

Behind the Line, Inc.
531 Riverside Dr.
Salisbury, MD. 21801

5. Work collaboratively with Dr. Scott to coordinate services so that all behavioral supports are accessed and utilized by 911 Center for the wellness network.

Peer support:

BTL will provide consultation and coordination to create and implement a unit of trained peers within the 911 Center who can assist their peers by actively listening, referring to local, culturally competent resources, and responding to critical incidents.

- All peers should have a training foundation of Peer Support Training (2 days); Critical Incident Stress Management (2 days); and mental health first aid (1 day).
- Peers should be prepared with knowledge regarding local resources to make referrals as needed.
- Peers should understand the differences between Pre-employment Assessments, EAP, self-referral for mental health services, Biennial Assessments, and Fit for Duty.
- Peers should be asked to participate in critical incident responses if they are not involved with the critical incident and resources are needed.
- Mental health consultation will be provided to peers upon request.
- Monthly meetings will be held to review progress and address further concerns.
- Handbooks should be created along with a confidentiality agreement to be signed by all who participate in the program.
- Peers will be responsible for documenting contact and tracking data regarding the progression of the program within and outside of the department.

Critical Incident Response:

BTL will provide consultation, coordination and appropriate support services to 911 Center during and after a critical incident to mitigate negative responses. Allied resources will be utilized as necessary depending upon the type of incident and needs of responders.

Psychoeducation/Ongoing Dissemination of Information:

Education and information will focus on the overall health of an individual, including outside factors that may also impact health and wellbeing in addition to job-related stressors. Providing this information on a regular basis, in a nonjudgmental manner should reduce the stigma as it relates to mental health, increase a first responder's ability to live a healthier life both physically

Behind the Line, Inc.
531 Riverside Dr.
Salisbury, MD. 21801

and mentally, and identify available and culturally appropriate resources within the community. BTL will provide the following:

Budget:

Consultation, coordination and implementation of the services are charged at a rate of \$200/hr. Services are offered at \$200/hr when contracted for a year at a time for services offered by two highly qualified doctoral professionals and a highly qualified Retired Officer for organizational management. BTL will offer updates regarding time and services rendered so that 911 Center can monitor hours utilized and is aware of any possible fees that may be billed should BTL go over 200 hours in the fiscal year.

BTL appreciates your consideration of this proposal and looks forward to working with the 911 center to improve the overall health and well-being of all first responders and the Department in general.

Respectfully submitted,

RE: Request to Contract – 911 Center Telephone Line Replacement

The Department of Emergency Services is requesting the Commissioner's approval to enter into a contract with Carousel Industries of North America, LLC, the current provider of 9-1-1 call handling equipment for the County, to implement a redundant and resilient administrative telephone system for the 9-1-1 Center. This upgraded service will replace the existing legacy telephone infrastructure from Verizon with a modern, IP-based solution that offers enhanced redundancy, including satellite-based connectivity.

The proposed contract includes a one-time cost of \$112,945 and recurring annual costs of \$272,945.04, for a total contract value of \$385,890.04. Pricing is based on the State of Maryland's Department of Information Technology Master Contract. This request is contingent upon funding approval from the State of Maryland's 9-1-1 Board. Under the terms of the 9-1-1 Board process, the vendor would be paid directly by the Board.

Should you have any questions, please feel free to contact me.

2. Executive Overview

2.1. NWN Carousel's Mantra

Provide a managed multi-access solution with a goal of unbreakable connectivity that remains up even in the most challenging conditions.

2.2. Solution Overview

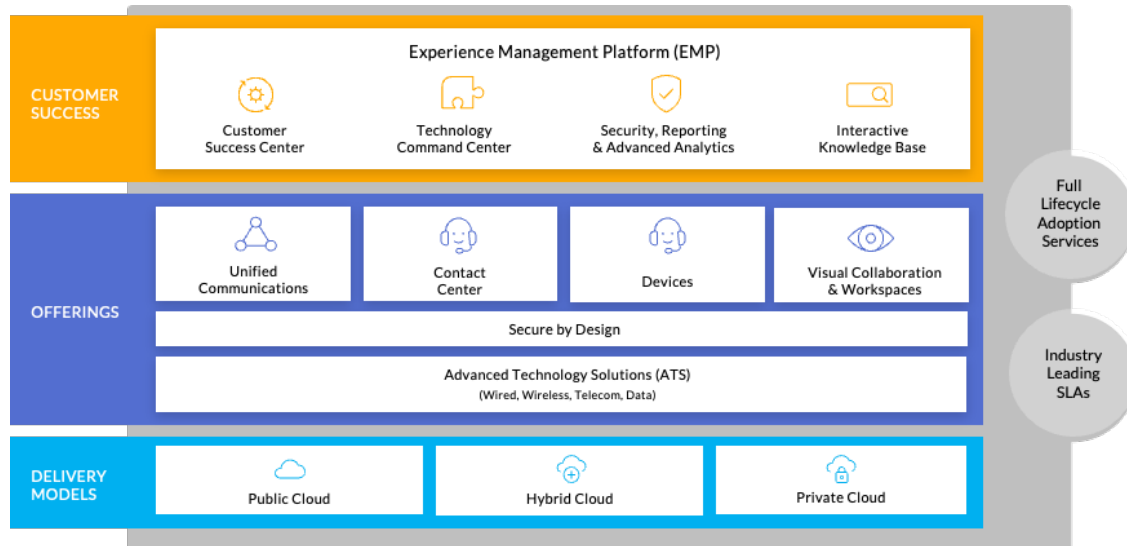

This *Scope of Work* ('SOW') document describes the services and deliverables that will be performed by NWN Carousel. The technology solution will provide Worcester County with significant new hardware, software, and support services. The end result will be the deployment of fully managed, redundant SIP Trunking Services to the primary and secondary PSAP locations. The solution is designed using a High Availability / Persistent Session Failover Design. In the event of service interruption to the terrestrial network (fiber cut, etc), the solution will leverage "priority class" low earth orbit satellite, LTE, and/or Broadband services for continuity. The tunneling technology deployed bonds the different access mediums into single, logical connection. In order to insure NIST Compliancy, external-facing static public IPs will be fixed at the carrier data center and allow for session persistence across the link even in the event of access outages.

The solution also includes deployment of cloud hosted EOC operations for voice calling. Cloud hosted EOC operations will allow the county to designate the EOC for alternate/failover 9-1-1 call routing within the physical EOC, while also providing the county the flexibility to designate alternate locations for caller treatment on demand. Mobility can be accomplished by relocating physical EOC telephones or leveraging soft clients.

For additional security, the solution includes Mutare Voice Traffic Filter to be deployed at the network edge, to provide multiple layers of protection against unwanted traffic, ensuring that malicious and nefarious traffic does not gain access to your voice network. Examples include robocalls, voice spam, spam storms, GEN AI attacks.

3. NWN Carousel’s Offerings

NWN Carousel’s offerings are divided into easy to understand and easy to consume bundles. These bundles include the required capabilities you need to get the most out of your technology investment. Each bundle builds upon the other, allowing you to do as much, or as little, or the work yourself, while leaving the rest to us.

The following offerings are covered in this statement of work:

3.1. Advanced Technology Solutions Scope of Services

NWN Carousel’s Advanced Technology Solutions offering provides customized business connectivity including Networking/Telecommunications, Wireless, Data and Microsoft Domain/Directory solutions to support the applications that facilitate the customer’s business. NWN Carousel’s ATS offering provides differentiated value to customers through an assessment led approach that focuses on understanding your infrastructure’s current state to leverage our expertise to architect a modern intelligent infrastructure to support your cloud communications needs.

3.2. Security Solutions

NWN Carousel’s Security Offering focuses on solving the architectural and operational challenges of implementing and maintaining a secure environment, NWN Carousel helps Customer focus on managing business risk with a comprehensive security architecture that mitigates manual effort and provides rich context for reporting and incident management. We help you achieve improved operational efficiency in a measurable and manageable format via a framework-led approach.

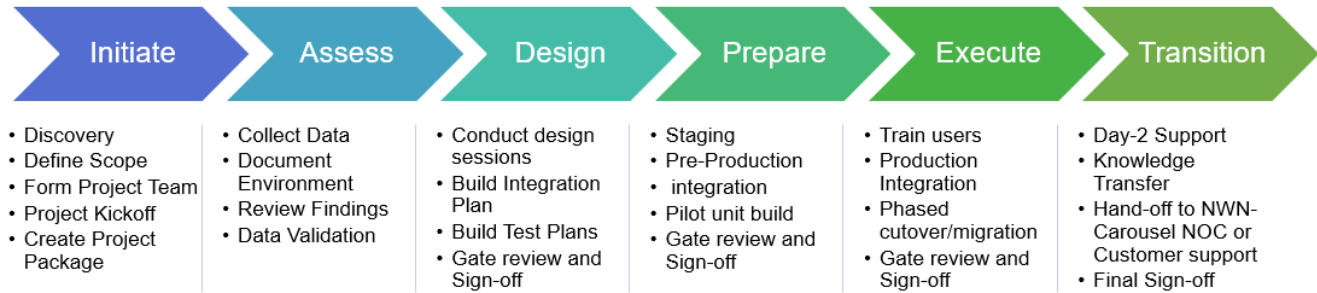

3.3. Unified Communications and Collaboration Solutions

NWN Carousel’s Unified Communication & Collaboration Service Bundles offer a suite of enterprise collaboration services and applications aimed to help customers enhance employee productivity and communication while improving the overall employee and customer experience. As part of the Unified Communications & Collaboration Solutions, NWN Carousel also provides Lifecycle, Adoption, and Monitor & Operate Services with the unparalleled visibility and control delivered by our Experience Management Platform (EMP), making this a true solution-as-a-Service offering.

4. Project Governance

4.1. Overview

To deliver the highest quality project implementation, NWN Carousel brings a tightly controlled, comprehensive project management process that emphasizes detailed up-front discovery and design to help avoid costly, time-consuming missteps later in the deployment cycle. This approach has a proven track record of success.

6. Incorporated by Reference

6.1. Overview

This SOW represents the work being performed by NWN Carousel for the customer during the contracted engagement. Some services and products used in the delivery of this SOW are governed by additional documentation and service descriptions. This information is applicable by feature and does not include any feature not covered by the scope above. These can be found in the following locations:

1. **Experience Management Services** – If EMP Services are included in this scope of work, then the following service description is included by reference: <https://nwnit.box.com/s/1csb40l92zhkm6llcdv2ywg4u7hhao2s>
2. Third Party End User License Agreements, Terms of Service, and Warranty Information can be found here: <https://nwncarousel.com/third-party-eula-tos-warranty/>
3. The NWN Carousel Acceptable Use Policy and if applicable to the Services described in this SOW the Emergency Services Addendum and Data Processing Agreement located at: <https://nwncarousel.com/compliance/>

7. Assumptions and Responsibilities

7.1. Project Assumptions

The following list represents some of the items that, unless otherwise noted above, are excluded from the work being performed by NWN Carousel as part of the scope of this project. Anything not specified in the scope above, nor specifically excluded below, is assumed to be excluded. Items that the customer wishes NWN Carousel to provide may be contracted on a time and materials basis, or as part of a separate fixed price scope. Exclusions include:

- NWN will provide knowledge transfer to Customer staff throughout the engagement. Knowledge transfer is not intended to replace formal technical training and certification.
- While under NWN Carousel supervision, all documents and scripts will be subject to NWN Carousel version control.
- Unless otherwise stated, all diagrams will be provided in Visio format, and all documentation will be provided in Microsoft Word or Portable Document format. NWN Carousel will provide softcopies of all deliverable documentation created as part of this project

7.2. General Customer Responsibilities

To support this scope of work, The Customer agrees to the following responsibilities:

- Customer agrees to designate a single point of contact to work with NWN Carousel for the duration of this project. This contact shall be available during normal business hours (Monday through Friday 8:00am to 5:30pm local time, excluding NWN Carousel observed holidays).
- Customer agrees to provide reasonable access to Customer sites and facilities, including, where applicable: access to a loading dock/facility to receive equipment, access to a secure workspace to store, stage, and test the equipment
- Customer agrees to provide remote access to the network to facilitate remote configuration and troubleshooting as required
- Customer agrees to provide proper security clearances and/or escorts as required to access the site for equipment installation and maintenance.
- Customer agrees to provide access to appropriate systems to facilitate the completion of this SOW.
- Building, furniture, and/or fixture modification, including but not limited to; the drilling of holes, cutting of access panels, floor cores, or exterior penetrations are the responsibility of others and are considered out of scope
- Customer agrees to provide any special safety equipment if required for sites visited by NWN Carousel personnel or sub-contractors
- Customer will be responsible to have complete backups of any data prior to commencement of our services. NWN assumes no responsibility for lost data.
- Customer will provide for the disposal of any packing materials, inserts, and boxes in which the equipment is shipped once installation is complete.
- Customer must have ACTIVE manufacturer support contracts on any existing equipment that NWN will be performing work on during this work effort.
- Customer agrees to ensure the installation environment is safe and free of contaminants, dust, debris, or other hazardous materials. Inspection, testing, and certification of such materials is the responsibility of the customer.
- Customer agrees that any delays caused by the customer are not the responsibility of NWN Carousel. Further, any additional time or expense incurred because of said delays will be subject to a change order and additional charges.
- If the site is not ready when NWN Carousel arrives, customer may be responsible for additional travel and expenses
- Unless otherwise noted in this proposal, implementation will occur in a single contiguous effort and, if required, site visits will be limited to one visit per site. If the schedule, or number of visits, must change due to delays in equipment availability, customer readiness, site readiness, or any issue outside of NWN Carousel's control, the NWN Carousel Project Manager will document the change and submit a Project Change Order to revise the implementation timeline.

- In the event Customer is purchasing software licenses or other usage-based consumption products or services under this SOW and Customer’s actual software license count or usage exceeds those initially purchased pursuant to this SOW, Customer will be invoiced during the next billing cycle based on the highest license count or usage consumed and not the amounts initially set forth in this SOW. Thereafter, Customer shall be billed based on highest license count or usage consumed under this SOW. For avoidance of doubt, overages will be billed in the month following when the overage occurred.

7.3. Installation Customer Responsibilities

To support this scope of work, The Customer agrees to the following responsibilities:

- Customer agrees to support and assist with the installation of Starlink Dish depending upon eventual location. This may include but not limited to additional cabling as needed.
- Customer will provide network and system documentation and any network topology diagram for the existing network infrastructure if available.
- Customer agrees to furnish NWN Carousel with building layouts, floor plans, cable and power drops and other applicable information to facilitate the physical installation of equipment and software covered by this scope of work.
- Customer agrees to ensure that proper environmental conditions are met, including, but not limited to proper power equipment grounded to code, backup power source if required, cooling, rack/floor space, and any external monitoring equipment required.
- Customer shall be responsible for any changes, reconfiguration, or upgrades to existing servers, systems, printers, and workstations to support this scope of work.
- Customer agrees to install, test, and verify the operation of any equipment or software not covered by this scope of work.
- Customer agrees to ensure that all cabling and facilities are installed, and clearly marked. If items are not clearly marked the customer will aid in identifying all cable drops and the equipment it is used for.
- Customer agrees to provide all supporting technologies including DHCP, DNS, or other systems required for normal functioning of the solution.
- Customer agrees to provide personnel to participate in any testing of the solution required once Customer agrees to provide all the cabling required to complete the installation that is not included with this equipment. All cabling longer than 20 feet will be installed by CUSTOMER and will be labeled with an indication of what the cabling supports.
- Customer shall be responsible to specify, order and ensure the provisioning of an adequate amount of circuit bandwidth and/or SIP trunks to support the operation of the system under normal and peak usage periods.
- All conduit, raceway, cable tray, supporting equipment and structure, regardless of purpose, is to be supplied and installed by others.

9.1. Terms

Customer shall be billed in accordance with the terms outlined above in the Billing Terms table set forth in the Financials Section. The payment frequency set forth in the table above details the timing and amount of the charges due under this SOW. Where applicable, unless Customer notifies NWN Carousel, as applicable, in writing at least ninety (90) days prior to the subscription renewal date, Customer’s subscription term will automatically renew on annual terms.

This SOW and any applicable Products or Services purchased hereunder are subject to Maryland Department of Information Technology PBXIV Master Contract <https://www.doit.state.md.us/itmc/mcDetails.aspx?mcID=5&smc=21>

The pricing contained in this SOW is valid for sixty (60) days from date of issue. Applicable taxes, and if applicable, telecommunications surcharges and fees, will be billed by NWN Carousel and itemized on a separate line item(s) on NWN Carousel’s invoice.

In the event Customer does not execute this SOW and only places a Purchase Order, such Purchase Order is deemed acceptance of the terms of this SOW and any additional or different terms in such Purchase Order will not bind NWN Carousel without its written consent to amend the terms of the SOW. Provided no additional or different terms are contained in a Purchase Order, NWN Carousel may reject a Purchase Order in its sole discretion within two (2) business days from its receipt and after which time such Purchase Order is deemed accepted (an “Accepted Purchase Order”). In the event Customer chooses to place a Purchase Order rather than signing this SOW, the date of the Accepted Purchase Order shall be considered the SOW Effective Date.

FROM: Dallas Baker, Jr., P.E., Director
DATE: April 8, 2025 *Dallas Baker Jr*
SUBJECT: Surplus Vehicles, Equipment and Miscellaneous Items

Public Works is requesting Commissioner approval of the attached list of County owned property proposed to be declared surplus in compliance with Worcester County's Code of Public Local Laws. The list must be advertised once a week for three consecutive weeks to notify the public, receive comment, schedule a required public hearing regarding list informing the public of the sale of the equipment on the Gov Deals auction site. Once the public hearing has been held and the Commissioners agree to declare the equipment as surplus, DPW Fleet Management will begin the process of arranging the on-line auction of the surplus property.

Please let me know if there are any questions.

MEMORANDUM

TO: Worcester County Commissioners
FROM: Charlene Sharpe, Legislative Analyst
DATE: April 28, 2025
RE: Letter in support of municipal bonds

The National Association of Counties (NACo) is urging counties to write to their members of Congress regarding the importance of tax-exempt municipal bonds. The tax-exempt status of these bonds, which counties use to fund major projects, is at risk as the federal government looks for ways to increase revenue.

I've attached a draft letter that could be sent to Congressman Harris, Sen. Alsobrooks and Sen. Van Hollen.

Page 2 – Information from NACo

Pages 3-5 – Draft letter

Counties are Built by Bonds

*Over the past decade, municipal bonds have underpinned **\$4 trillion** in infrastructure investments, such as roads, bridges, public transit, ports, libraries, police stations, and more.*

*Eliminating the tax-exemption is expected to shift **\$823.92 billion** in new costs on issuers and borrowers over the next 10 years*

*Eliminating the tax-exemption would result in additional **\$5,364** imposed on **153 million** American taxpayers and an additional **\$6,554** on **125 million** American households*

CONGRESS MUST PRESERVE THE TAX-EXEMPT STATUS OF MUNICIPAL BONDS TO SUPPORT CRITICAL LOCAL INFRASTRUCTURE WITHOUT BURDENING TAXPAYERS WITH HIGHER COSTS

Key provisions of the Tax Cuts and Jobs Act of 2017 (P.L. 115-97) are set to expire after December 31, 2025. As the 119th Congress works to enact tax legislation and extend expiring provisions, NACo urges Congress to preserve the tax-exempt status of municipal bonds to ensure that counties can continue to deliver essential services to our communities.

What is the State of Municipal Bonds?

Since the original 1913 tax code, county governments have depended on access to the capital market and issuance of tax-exempt bonds to finance our nation's infrastructure. Counties primarily issue bonds to finance key, long-term capital projects at a lower cost since the interest of the bonds is exempt from federal taxation. **The ability to issue bonds free from federal taxation has been a long-standing principle of the intergovernmental partnership.**

What are the Types Of Tax-Exempt Bonds Issued by Counties?

Tax-exempt bonds issued by local governments traditionally fall into 2 categories – general obligation bonds and revenue bonds. Regardless of the bond type, counties rely on public support when issuing bonds.

GENERAL OBLIGATION BONDS are backed by the "full faith and credit" of the issuing state or local government and are repaid by the taxing authority of the issuer. These bonds are typically issued to finance public safety and education – both of which are critical services counties provide to our residents – along with other projects that do not directly generate revenue.

REVENUE BONDS are supported by the revenue from a project, like a toll highway. Qualified private activity bonds (PABs) are a type of tax-exempt revenue bonds where use of the project and repayment of the bonds comes from a private source. PABs can be issued to finance certain affordable housing projects, wastewater facilities, utilities, airports and other transportation facilities that serve our communities.

Dear Congressman Harris:

On behalf of the Worcester County Commissioners, I respectfully request your support for maintaining the federal tax exemption on municipal bonds as Congress moves forward with efforts to reduce the federal deficit. Tax-exempt municipal bonds have been the cornerstone of state and local infrastructure investment for over 100 years and are responsible for financing much of the nation's infrastructure.

In Worcester County, municipal bonds have enabled the advancement of countless key projects. Most recently, we used this funding to make critical improvements at the county jail, built a new logistical storage facility for public safety, bought a new belt filter press for sludge processing, and paid for the design, engineering and construction of an addition to our county's busiest middle school.

The tax-exemption of municipal bond interest from federal income tax represents one of the best examples of the federal-state-local partnership. Because of the exemption, investors are willing to buy municipal bonds that pay less interest relative to other securities. Capping or eliminating the exemption will cause investors to seek higher interest rates, which could result in an estimated \$823 billion in increased costs to finance projects for state and local governments. Those increased costs will ultimately be felt by all of our constituents – the taxpayers. It is estimated that eliminating the tax-exempt status will raise costs by over \$6,500 per household.

Thank you for your consideration of this request and your continued service representing the people of Worcester County.

Sincerely,

Theodore J. Elder

Dear Mr. Davis:

The Worcester County Commissioners wholeheartedly support your company's upcoming development project in Pocomoke City. This would include the development of 37 townhomes, with the support of DHCD's Project UPLIFT (Utilizing Progressive Lending Investments to Finance Transformation), making them much more affordable.

There is a dire need for housing, especially in the south end, with the expansion of Hardwire LLC as well as growth at NASA Wallops. You have an excellent track record of investing in our county, and we look forward to seeing these projects come to fruition.

Sincerely,

Theodore J. Elder

RE: Public Hearing Request for CDBG CV 2 Grant Amendment

The Maryland Department of Housing and Community Development has reclaimed COVID (Cares Act) funds, which are now available to support homeless shelters. Worcester County is eligible to receive these funds through an amendment to its original CV 2 Grant.

Two local shelters, Diakonia and Samaritan Ministries, have identified eligible needs for these funds, including homeless shelter supplies and kitchen appliances. The total grant amendment amount is \$54,879. Diakonia proposes to use \$30,401 to purchase food, bottled water, hygiene supplies, and first aid supplies. Samaritan Ministries proposes to use \$24,478 to purchase kitchen appliances and food.

As required by the Community Development Block Grant (CDBG) program, a public hearing must be held to approve the grant amendment. I respectfully request the public hearing be held at the Commissioner meeting on June 3, 2025.

FUNDING OPPORTUNITY

COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM – COVID FUNDING

The Maryland Department of Housing and Community Development (DHCD) has approximately \$2 million of CDBG COVID funding available. While the COVID crisis is technically over, there is still the opportunity to meet the criteria of “preparing for” a resurgence of COVID. To this end, we are offering funds as amendments to non-entitlement grantees who received funding from DHCD’s CDBG COVID.

The funds would be made available for homeless and food projects. Specifically, the funds can be used for services, food supplies, shelter improvements, and food bank facility improvements.

Eligible activities include:

- Acquisition of equipment and appliances to improve facilities such as freezers, refrigerators, ovens, HVAC systems, and shelving*
- Operating costs for staff providing direct services
- Food supplies

◆Funding for *minimal* project administration will be considered for Grantees.

◆Funds will be provided as amendments to the recent grant agreements.

◆Grantees must conduct a public hearing and submit a description of activities, a budget and beneficiary information.

◆Equipment and appliance must be installed from manufacturer or be installed with non-CDBG funds.

Note that all activities must completed by June 2026 with no time extensions.

The Program will host a call on Tuesday, March 4th at 1 pm to discuss CDBG COVID uses and specifics.

April 28, 2025

Dear Commissioner President & County Commissioners,

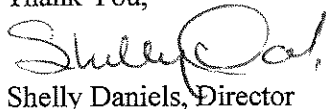

The Board of Directors, staff, those in crisis and residents would like to thank you for the opportunity to request COVID funding to assist us in replacing some Kitchen/ Soup Kitchen and Food Pantry Equipment and to purchase food for our Food Pantry, Soup Kitchen and Shelter.

The needs here at the shelter are great and continue to grow due to the economy. We have been in operation since 1986 helping those in need in Worcester County. We are collaborating with Disability Advocates, Worcester County Parole & Probation, Worcester Youth & Family, Health Department for parenting classes, UMES for nutritional classes, Priority Partners for Health Classes, and many others to provide resources locally in Pocomoke to help those in need in Worcester County. Agencies come into the shelter and provide classes and other resources for the residents and those in the community. When someone is in a crisis it is sometimes difficult to get from point A to point B, so we are providing those resources at the shelter for those in need to access them also transportation can be an issue to those in need. We continue to provide several resources and referrals to those in crisis to become self-sufficient again. We are so thankful to be collaborating with so many organizations to make Samaritan Shelter a one stop resource for the community.

So, you can see your generosity is being well spent to help those in need. Your continued support is critical to keeping the doors open at Samaritan Shelter. Without your support we would not be able to apply for the grants we apply for to help keep the shelter running. We will be grateful for your continued support in the coming year. We do our best to keep our budget the same so we only have a staff of 5 to help keep costs down so funding can go to direct services for the residents.

If you have any questions, please feel free to call me at 443-944-3889.

Thank You,

Shelly Daniels, Director

Program Demographics

Days and hours of operation? Shelter 24/7 (3 meals a day plus snacks), Soup Kitchen Wed. 11-12:30 pm, Food Bank Tuesday & Saturday from 1-2 pm or as needed, hot meals as needed for anyone not in the shelter.

Program and the services provided and how long you have provided these services. Samaritan Shelter is a homeless shelter serving those in need for 37 years. We provide shelter, food, clothing, and many resources to the homeless. We have a food pantry and a soup kitchen where we provide to those in need in the community with food insecurities. We are governed by a dedicated group of 15 individual Board Members who diligently work to increase self-sufficiency for the homeless and those in need. Our board consists of a diverse group of individuals bringing various expertise to the table. The shelter is run by the Director who the Board hired 16 years ago and had previously worked at the shelter for 9 years before taking a 2-year break and 4 House managers who help run the day-to-day operations. All services are offered at no charge

Communities we serve. Samaritan serves the homeless, low income, seniors and those who are less fortunate and in need.

Number of individuals and families we serve annually by your program. We serve between 350 – 500 individuals annually in food pantries, soup kitchen and shelter.

The estimate of individuals that we will serve with this grant.

We estimate serving 510 individuals whose incomes are low to no income, homeless, doubled up, have food insecurities through the Shelter, Soup Kitchen and Food Pantry.

Grocery bags and meals provided annually by your program.

FY 2022-2023 we served 11,106 Meals in the Shelter, 1,954 Meals in the Soup Kitchen and distributed 8,570 Grocery Bags in the Food Pantry.

Human Resources Director

PAT WALLS
Deputy Director

To: Weston Young, Chief Administrative Officer
From: Stacey Norton, Human Resources Director
Date: April 28, 2025
Subject: Request for over-expenditure to add seasonal Human Resources Intern

We are requesting an over expenditure to add a seasonal **Human Resources Intern** to the Human Resources department effective June 2, 2025, G16/S1, \$4,322 annually. This expense will be offset by revenues from LGIT and Chesapeake refunds.

This seasonal HR Intern would work up to a maximum of 180 hours over the summer season starting on or around June 2, 2025, and ending on or around August 31, 2025.

We have multiple projects in the HR pipeline in addition to our daily work. Additional dedicated support to help move these projects forward and assist with our daily work would support completing them sooner. This position would assist with the following projects: finalizing and publishing recruiting metrics, automate new hire onboarding, automate new hire benefits enrollment, and gathering information to research Human Resources Information System options. Assistance with daily work includes supporting the processing of FY26 budgeted personnel changes, recruitment support, benefits enrollment, new hire onboarding, among other daily activities to not only support the HR team but provide exposure to multiple disciplines within Human Resources.

We are looking to fill this position with a student who lives in Worcester County and who is currently attending a college or university with an emphasis on human resources or business management. It is our goal that this position will meet their college graduation requirements for an internship in Human Resources.

Thank you for your consideration.

MEMORANDUM

TO: Worcester County Commissioners
FROM: Nicholas W. Rice, Procurement Officer
DATE: May 6, 2025
RE: Request to Purchase – Fire Training Tower

The Fire Marshal's Office is requesting approval to purchase a new four-story fire training tower at the Worcester County Fire Training Center in Newark. The new fire training tower will replace a 42-year-old, unsafe structure, eliminating the need for costly out-of-county training. It will provide realistic, multi-scenario training for over 700 fire and EMS personnel, law enforcement, and federal partners. The tower will also support community outreach, serve local high school fire science students, and promote regional collaboration through shared use with neighboring agencies.

The tower was quoted by WHP Trainingtowers through their cooperative contract with Sourcewell for a total of \$1,441,351.21. The cooperative contract provides the County with a discount of \$116,427.08.

A state grant of \$250,000 has been awarded for this project. The additional funding has been approved in the FY24 Assigned Funds account, Fire Tower/Training Center Upgrades/Expansion in the amount of \$1,850,000.

Sourcewell is a cooperative purchasing organization that competitively awards purchasing contracts on behalf of itself and its participating agencies. Sourcewell follows the competitive contracting law process to solicit, evaluate, and award cooperative purchasing contracts for goods and services.

Should you have any questions, please feel free to contact me.

Prevailing Wages: Prevailing wages have been included based on the Maryland Department of Labor Prevailing Wage Informational Rates for Worcester County Maryland via dllr.state.md.us. If the General Decision is updated or a job specific wage determination is performed wages will be adjusted accordingly and be the responsibility of the owner.

All pricing is in US Dollars and is valid for 30 days. It is the policy of WHP Trainingtowers™ to provide a reasonable cost estimate for your budgeting purposes. It is not uncommon in the construction industry to offer cost estimates that are for low end or stripped-down structures. WHP believes the cost estimate should reflect a training simulator that meets OSHA safety requirements, is of the highest quality, and will meet the expectations of the customer.

Schedule: We would require 4 weeks to prepare conceptual drawings after award of the contract or purchase order and 18-20 weeks for delivery after receipt of approved drawings. If the foundation is in place the erection would be complete approximately 13-15 weeks after delivery of building. Some optional items such as brick exteriors will require more time to complete erection.

Design Criteria: Pricing is based on the following structural design criteria per **IBC 2021**:

1. *Live Loads*- (a) Roof: 100 psf (b) Floor: 100 psf (c) Attic: 100 psf
2. *Wind Loads*- (a) Speed: **124 mph** (b) Exposure: C
3. *Seismic Loads*- (a) Coefficient S_s [max]: 55 (b) Coefficient S₁ [max]: 13
4. *Soil Capacity*- Minimum 1500 lbs/sq.ft.

*Requirements exceeding these loads may result in additional costs.

Terms & Conditions: The parties (WHP Training Towers and Customer as indicated on this Proposal) agree that supply chain issues, beyond our control, may impact both the timing of performance of the Work and costs of the Work. Performance will be excused, and the parties will not be liable for any failure to perform under this Agreement, when we are unable, despite reasonable and diligent efforts to do so, to obtain raw materials or equipment or supplies on commercially reasonable terms. The price for the Work in this Proposal is based on current materials or supply prices, but the market for the materials and equipment is currently considered to be volatile, and sudden price increases could occur which arise from tariffs or otherwise. As such, should there be an increase in the prices of specified materials that are

purchased *after execution of contract* for use in this Project, the Customer agrees to pay that cost increase to WHP Training Towers.

Exclusions: We exclude from our proposal: taxes, permits, special insurance requirements if any, field painting of exterior handrails and stairs, mechanical, electrical, fire protection systems, gas fired simulators, winter conditions, concrete foundations, slab on grade, anchor bolts, site work, excavation, engineering layout and general condition items and any other miscellaneous fees.

Terms: For materials a deposit of 25% on the building package is due on receipt of order (signing of contract). Balance of payment on materials due on delivery to site. No retention on materials. Labor will be billed monthly. Invoices not in dispute over 30 days will be assessed 1 ½ % per month on balances in excess of 30 days. Financing is available through lease purchase programs.

We hope you find the proposal acceptable. If we can provide you with further information, please feel free to call.

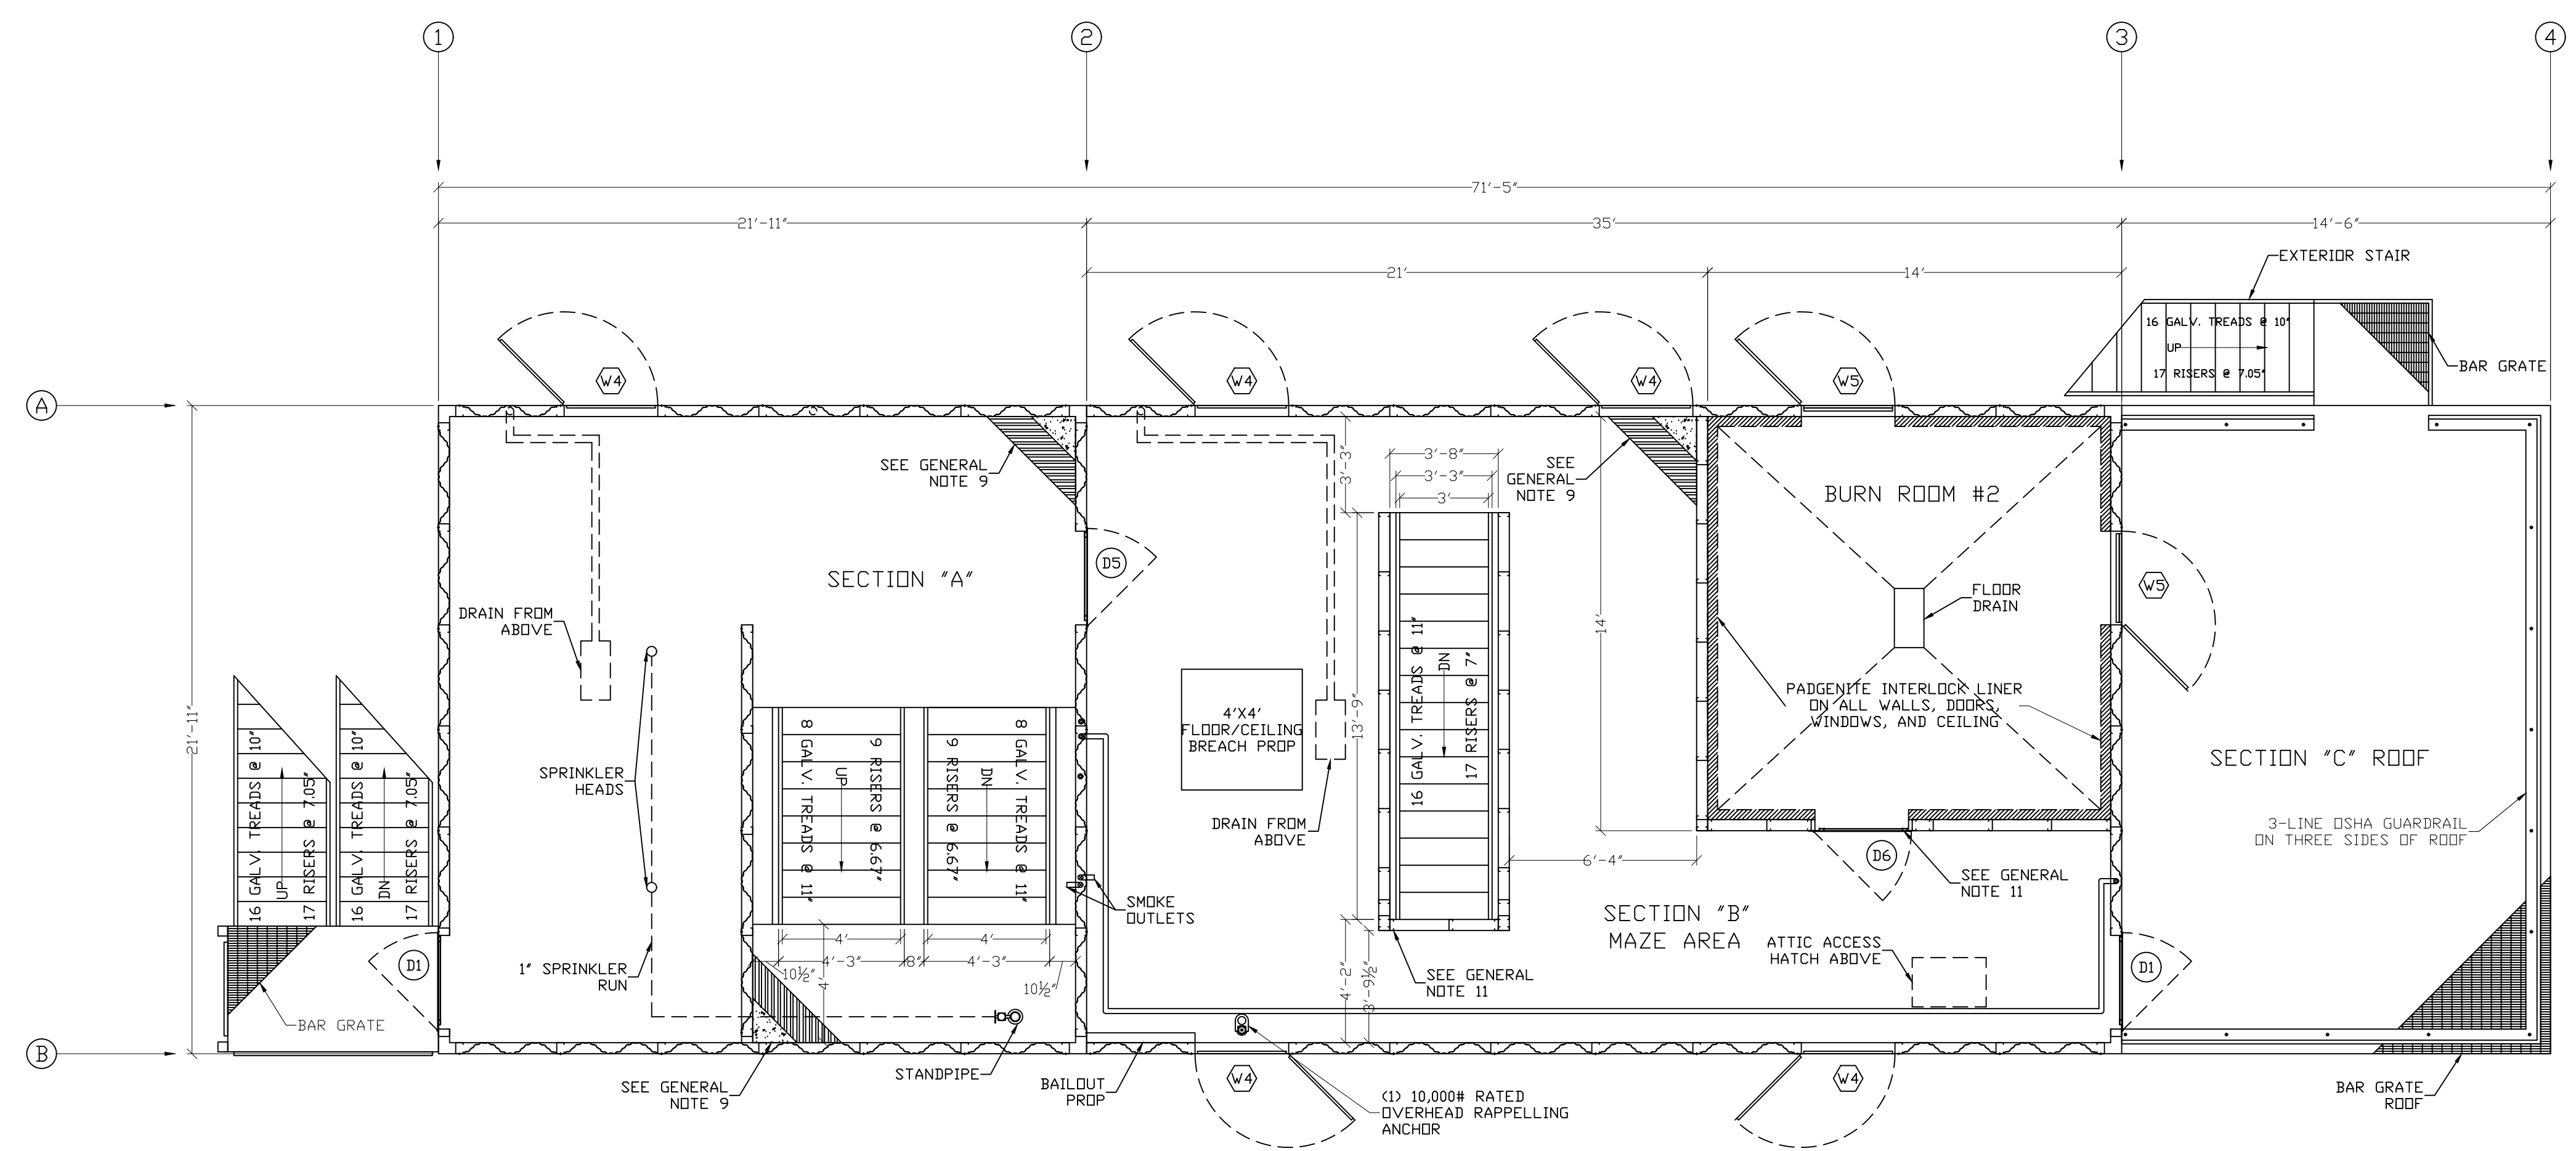

Sincerely,

Capt. Rob Van Bibber (Ret.)

RE: Proposed Private Lane Names – Connections to Samuel Bowen Boulevard

We are requesting the naming of several existing connection points between Samuel Bowen Boulevard and US Route 50 (Ocean Gateway). From east to west, they are as follows:

- **Zike Lane** – the existing private driveway at Ocean Landings I (adjacent to the Zoom car wash), as named/shown on Google Maps.
- **Brader Lane** – the existing private driveway at Ocean Landings II (adjacent to the McDonalds), as named/shown on Google Maps.

Attached please find a map and memo from Kelly Henry, Technical Services Manager, relative to this request. If approved, I have taken the liberty of drafting a resolution for the private road names to that effect which is attached. An electronic copy will be sent to your office as well.

As always, I will be available to discuss this matter with you and the County Commissioners at your convenience.

Subject: Proposed Connector Name – Brader Lane and Zike Lane

As part of the development of Ocean Landing shopping complex (Home Depot and Walmart), there are two driveways connecting Samuel Bowen Boulevard to Ocean Gateway / US Route 50. These connectors are commercial driveways, not roads owned or maintained by the State Highway Administration or the County. Google map, which is used by Sheriff’s Office, shows the connector at McDonalds as Brader Lane and the one at Zoom Car Wash as Zike Avenue and Kreiling Way. I have not been able to ascertain who named these connectors. Since the public and the Sheriff’s Office utilize Google maps for navigation and accident reporting, the Department of Emergency Services requested that these connectors be named and added to the County’s road centerline data for 911 CAD dispatch.

In keeping with the County’s practice of using “Lane” as the road type for private roads, I would like to submit the following for consideration and approval by the County Commissioners: Brader Lane and Zike Lane. These names would be limited to the driveway connection between Ocean Gateway / US Route 50 and Samuel Bowen Boulevard.

For your reference I have attached both an excerpt from Google Maps along with the 2024 aerial. The location of the connectors is marked with a red arrow.

RESOLUTION NO. 25-___

RESOLUTION NAMING PRIVATE LANES
OFF OF SAMUEL BOWEN BOULEVARD
IN BERLIN AS
ZIKE LANE AND BRADER LANE

WHEREAS, the Worcester County Commissioners have adopted an Inventory of Public Roads of Worcester County in accordance with § PW 1-202 of the Code of Public Local Laws of Worcester County, Maryland; and

WHEREAS, in accordance with the provisions of § PS 6-101(e) of the Code of Public Local Laws of Worcester County, Maryland, the Worcester County Commissioners are to name all private lanes which have three or more buildable lots or three or more inhabitable structures, including houses, mobile homes, businesses or other structures, selecting a name which is not the same or similar to another private lane or a public road listed in the Inventory of Public Roads of Worcester County, Maryland; and

WHEREAS, the County Commissioners have received a request by the Department of Emergency Services to name two private lanes in Berlin which serve as private driveway connections to various commercial businesses between US Route 50 and Samuel Bowen Boulevard;

WHEREAS, Zike Lane and Brader Lane are appropriate names which are not the same or similar to another private lane name or public road name in the Inventory of Public Roads of Worcester County, Maryland.

NOW, THEREFORE, BE IT RESOLVED that:

Section 1. The private lane located between US Route 50 (Ocean Gateway) and Samuel Bowen Boulevard in Berlin, in the Third Tax District of Worcester County, Maryland as shown on Worcester County Tax Map 26, Parcel 455, Lots 3B and 4; is hereby named **Zike Lane**, for which a sign will be erected by the Roads Division of the Worcester County Department of Public Works.

Section 2. The private lane located between US Route 50 (Ocean Gateway) and Samuel Bowen Boulevard in Berlin, in the Third Tax District of Worcester County, Maryland as shown on Worcester County Tax Map 26, Parcel 463, Outlot 1; is hereby named **Brader Lane**, for which a sign will be erected by the Roads Division of the Worcester County Department of Public Works.

Section 3. Executed this _____ day of _____, 2025. This Resolution shall be effective immediately.

FROM: Kelly Rados, Director of Recreation & Parks

DATE: April 28, 2025

SUBJECT: Isle of Wight Park special use request – Town of Ocean City

The Recreation & Parks Department has received a request from the Town of Ocean City for special use of Isle of Wight (IOW) Park during the 2025 Ocean City Air Show. The request includes utilizing the park as a landing zone for a military UH-72A Lakota helicopter to transport Navy pilots for the event. The helicopter would need to land at IOW twice per day for three days: June 14, 14 and 15, 2025. Exact times of use are to be determined based on the flight schedule and crew itinerary for the event.

Their request includes the following:

1. Advanced notice to the public of the park closure for safety reasons and military operational needs.
2. Closure of the Park on the days previously stated.
3. Creation of an identifiable 110' x 110' landing zone at the east end of the park.
4. Removal of obstructions in or near the landing zone (i.e. picnic tables or other equipment).
5. Space secured by County Sheriff unit.
6. Fire Department unit on site for active times of LZ use.

Our Department has reviewed this request, besides a few memorial benches and trees that are inside the landing zone area that are anchored and cannot be removed, we have no other issues with this request.

In addition, our Department has shared and communicated this request with the Sheriff's Department as well as Emergency Services and Fire Marshalls Office. The Sheriff's Department is in contact with the Town of Ocean City directly to accommodate their request. In addition, Emergency Services as spoken with the Ocean City Fire Department regarding providing an engine standby. OCFD has agreed to coordinate with the event holder and will handle this request.

If you approve, we are recommending the following information to be required by the Town of Ocean City:

1. Provide us with the scheduled times of the helicopter landings/transport.
2. TOC Staff will be required to relocate picnic tables and place them back at the end of their event.
3. On site Point of Contact name, telephone number, etc. to handle any unforeseen issues.
4. Acknowledges all the required permitting for the operation of the event.

The Town of Ocean City, in cooperation with the U.S. Navy Blue Angels and OC Air Show Coordinator, is respectfully requesting approval of a special exception for use of Isle of Wight. This request mirrors the previous 2023 request, approval and demonstrated safe use of the park that year for the air show.

For the 2025 OC Air Show event, the U.S. Navy Demonstration Team requires direct and timely access to Wallops Flight Facility from Worcester County. In order to avoid delays caused by traffic or similar, a scenario has been designed to safely move the Navy pilots from their hotel at 67th Street to their aircraft and enlisted team using a military UH-72A Lakota helicopter piloted by military crew. Specifications on the helicopter are below. The plan includes the creation of a landing zone (LZ) at Isle of Wight with the helicopter would need to land at Isle of Wight twice per day for three days: June 13, 14 and 15, 2025. Exact times of use are to be determined upon release of the Blue Angels flight schedule and crew itinerary.

As part of the request, the following special exceptions and needs will apply:

1. Advanced notice to the public of the park closure for safety reasons and military operational needs.
2. Closure of the Park on the days previously stated.
3. Creation of an identifiable 110' x 110' landing zone at the east end of the park.
4. Removal of obstructions in or near the landing zone (i.e. picnic tables or other equipment).
5. Space secured by County Sheriff unit.
6. Fire Department unit on site for active times of LZ use.

The UH-72A is a twin-engined light duty helicopter. It is equipped with a single 4-bladed main rotor and a single 2-bladed tail rotor mounted on the left-hand side of the tail assembly. Overall, the UH-72A helicopter has a length of 10.18 m (33.4 ft) and a height of 3.44 m (11.3 ft). This helicopter has a rotor system without hinges with a composite main rotor blades which are 11 m in diameter. Meanwhile, the diameter of the tail rotor is 1.95 m. The helicopters tail unit is mounted high with a pair of non-moving horizontal stabilizers mounted below the tail rotor. In addition, there are twin vertical stabilizers mounted on the outside edges of the horizontal stabilizers, thus effectively boxing in the tail rotor, enabling the safe loading and unloading of the cargo area. Basic crew consists of a pilot and co-pilot.

The UH-72A is capable of transporting eight passengers or two litters in the medical evacuation capacity. The aircraft body has access doors mounted on each side of the fuselage, as well as large clamshell doors on the rear of the airframe to allow access to the cargo area for the loading of bulk cargo or litters. The UH-72A is equipped with a rescue winch, which is mounted on the left-hand side above the crew compartment door. The UH-72A utilizes a twin skid landing gear system.

MEMORANDUM

TO: Worcester County Commissioners
FROM: Nicholas W. Rice, Procurement Officer
DATE: May 6, 2025
RE: Request to Award - Ocean Pines Wastewater Treatment Plant Treatment Unit 4 Tank Cleaning

Please see the attached bid tabulation for the Ocean Pines Wastewater Treatment Plant Treatment Unit 4 Tank Cleaning project. Public Works is requesting the Commissioner’s approval to award this project to the lowest responsive and responsible vendor, Miller Environmental Group, in the amount of \$124,157.97. Bids were due and opened on Monday, April 21, 2025 at 2:30pm. Five bids were received.

The County has \$75,000 budgeted in Ocean Pines WWTP Capital Equipment Account # 555.8003.9010.090. Public Works is requesting approval of an over-expenditure on this account with the remaining funding available in the Ocean Pines reserve account. The purpose of this project is for cleaning of the Ocean Pines Wastewater Treatment Plant (WWTP) Treatment Unit 4 (FET4) of all wastewaters, sludge, sediment, vegetation, and debris. If the tank is not routinely cleaned, sludge will build inside the tank and impact flow/treatment. Over time this will cause a lack of treatment resulting in fines from the Maryland Department of the Environment.

Should you have any questions, please feel free to contact me.

MEMORANDUM

TO: Weston Young P.E., Chief Administrative Officer
 Candace Savage, CGFM, Deputy Chief Administrative Officer
FROM: Dallas Baker Jr., P.E., Director *Dallas Baker Jr*
DATE: April 28, 2025
SUBJECT: Ocean Pines WWTP Repairs

Public Works is requesting Commissioner approval to overspend the Ocean Pines account System Maintenance Wastewater Treatment Plant Maint. – 555.8003.6500.030 by \$127,000 in order to repair a bent rake arm on Clarifier 1, replace corroded metal components of the clarifier weir wall, repair a failed blower, and provide funding for wastewater plant maintenance for the remainder of FY 25. The total cost of all repairs is \$107,084.40. The Treatment Plant Maintenance account currently has a balance of -\$175.98 (as of 4/28/25). Funds are available in the Ocean Pines reserve account to cover the overage.

Clarifier 1

Clarifier 1 has a bent rake arm, staff solicited quotes to repair the arm and Twisted Steel Metal Designs provided the lowest quote at \$18,237.76 (attached). When the clarifier was drained so that repairs could be made, it was discovered the weir wall around the top of the clarifier was significantly corroded (see images below). The weir wall is located below the water line and was not visible until the tank was drained.

The contractor provided a quote of \$61,113.67 (attached) to remove and replace the corroded components. It is recommended to award the repair to Twisted Steel since they are already onsite, and the tank is already drained. If the clarifier is not placed back in service, the treatment capacity of the plant will be reduced by approximately 1/3 of its rated flow.

Moving forward, Public Works is recommending a rotating annual inspection of all tanks during the off season, whereby individual tanks will be drained, cleaned, inspected, and any repairs made, one tank each year (there are nine tanks at Ocean Pines WWTP). The inspection and cleaning process started this fiscal year with Treatment Unit No. 4

Blower

Ocean Pines WWTP is served by five (5) 100 HP blowers. Four of the five are necessary to operate the plant with the 5th blower serving as a back up. One of the five has recently stopped working. Hill's is the only local, authorized representative for Hoffman blowers (the manufacturer), as such this is a sole source request. Hill's estimate to repair the blower is \$27,732.97 (quote attached). The cost to replace the blower with a new unit is \$58,769.00 and the lead time on a replacement is unknown. The blower dates back to the 1970's and is original to the plant. While the plant continues to operate, if another blower malfunctions while the spare is not working, the plant will not be able to meet its discharge permit limits.

Please let me know if there are any questions.

4/8/2025

WE HEREBY SUBMIT SPECIFICATIONS AND ESTIMATES FOR: Replacement of existing Weir Wall, Trough Bottom, and Gussett Plates, that Weir Plate bolts to, in order to hold in place.

SCOPE OF WORK

- Take out existing weir plate (keep & reuse) New stainless steel bolts
- Cut out existing wall, bottom plate, and gussetts
- Grind & Clean up all areas at weld points
- Install gussetts & bottom, weld out continuous 360 degrees around tank wall
- Install upright wall for weir to bolt to & weld out solid 360 degrees
- Clean all welds + debris
- Prime all with epoxy primer and top coat of epoxy finish
- Clean up, remove all scrap, and scaffold
- Turn back over to customer
- Looking to work 21 days straight or less, whichever comes first
- This is a time + material, not to exceed price. Progress Payments Required.
- When cutting weir wall itself it will be kept in mind that if bottom & gussetts can be saved, they will, which will cut down the cost and time.
- Demo will take place before any steel is ordered – for the fact of, the bottom plating of the trough requires custom fabrication (including CAD design & a plasma table) for it's unique dimensions.

MEMORANDUM

TO: Worcester County Commissioners
 FROM: Nicholas W. Rice, Procurement Officer
 DATE: May 6, 2025
 RE: Recommendation to Award – Independent Auditing Services

Administration is recommending the County award the Independent Auditing Services contract to CliftonLarsonAllen LLP. Proposals were due and opened on Tuesday, March 25, 2025. Four proposals were received. I have attached the proposal tabulation and contract to this memo. An evaluation team consisting of three members reviewed each proposal individually prior to an overall group average being established. All three members of the committee agree that the highest scoring proposal, which was received from CliftonLarsonAllen LLP, represents the best value to Worcester County. The total value of the five-year contract is \$485,450, covering the audit fees for the next five fiscal years and the preparation costs for the Annual Comprehensive Financial Report (ACFR).

Funding for these services will come from various general and enterprise funds.

Should you have any questions, please feel free to contact me.

SUBJECT: No On-Street Parking – Public Hearing Request

Public Works is requesting the Commissioners schedule public hearings to solicit input regarding the recent approvals of no on-street parking for Snug Harbor and Bayside Landings. Several citizens have reached out indicating the groups that spearheaded the no-parking efforts were not authorized representatives of the HOA/community-at-large. Other citizens have expressed their general displeasure at the changes and indicated they were unaware the issue was being considered. Public Works has not installed signs in either community yet.

There is no formal County policy regarding the creation of no-parking areas. Given the recent feedback, Public Works suggests the Commissioners revisit the issue and schedule a public hearing for both communities so they have the opportunity to comment.

Please let me know if there are any questions.

- **Public Safety Hazard**
- **Community Petition**

- **Dangerous conditions due to vehicle congestion and blocked visual paths; concerns for pedestrians, especially children and pets**

Snug Harbor Road Community Demographics

Currently 141 Homes and 44 Lots on Snug Harbor Rd. and Meadow Dr.

- 83 Homes + 44 Lots in the Snug Harbor Community
- Plus 22 Independent Homes on Snug Harbor Rd.
- Plus 36 Homes Landings at Bayside Residents on Snug Harbor Rd.

Snug Harbor Rd. is the only access to the Community

Zero Fire hydrants East of Meadow Dr.

No Sidewalks

No Curbs

No Shoulders

Snug Harbor Rd. is less than 19' wide

Lined with Mailboxes on both sides

Public Safety Hazard

Emergency Vehicles cannot access the community and perform their functions unimpeded.

Fire Truck Access is a significant concern. Snug Harbor Road is very narrow, has NO sidewalks, very soft earth and deep ditches on the south side, and mailboxes very close to the road on either side.

Lack of Sidewalks Endanger Pedestrians, Bicyclists, Pets & even Mailboxes

Lack of Shoulders force vehicles to Park in Lanes of Traffic

Why is this a new Concern?

Recent and ongoing building of new homes in addition to multiple short term rental properties have added to the street volume of Vehicle and Pedestrian traffic. Additionally, many people have started parking on Snug Harbor Rd. blocking the normal flow of traffic. This has created dangerous conditions for both vehicles and Pedestrians.

- In the past two years, The Landings at Bayside has added 18 homes along Snug Harbor Road. In addition, other new homes have been added on Snug Harbor. While increasing population alone has increased the number of parked cars on the narrow street. Additionally, a significant number of these homes are short term rentals. Many do not realize that the Snug Harbor community homes are on wells and have no fire hydrants to provide water for firefighting, thus needing the street clear for emergency vehicles. No Parking signs will make sure everyone is informed.

In the Fall of 2018, there was a house fire at 12355 Snug Harbor Road that massively damaged the home. In March of 2019 there was a second fire that destroyed the home at 12332 Snug Harbor Road and killed the owner's pet. Berlin Fire Chief JD Rhodes addressed the community about the fires in 2019. He made it very clear that any vehicle parked on our roads would be a hazard due to the narrow street width. In the case of the 2018 fire, emergency tanker vehicles drove back and forth to fill from the fire hydrant halfway down Snug Harbor Road (hoses could not reach from the fire hydrant to the house). The 2019 fire was a two-alarm fire, and trucks came from several companies serving our larger community. Bethany Church on the corner of 611 and Snug Harbor Road was the staging area. Fire trucks were arriving at the church at different times and had to be directed the full length of Snug Harbor Road to get to the fire. In both cases the roads had to be clear of parked cars.

- **Additionally, regarding Fire Truck Access: The Snug Harbor Community (83 homes) has no fire hydrants and is dependent on well water. Fire trucks must arrive in a short time and require tankers or a hookup to a Bayside hydrant that will be a significant distance away.**

Petition for No Parking on Snug Harbor Road

We, the owners of properties along Snug Harbor Road and Meadow Drive, have signed this petition to have the Worcester County government enforce No Parking on Snug Harbor Rd because vehicles parking on Snug Harbor Road have created unsafe conditions as described below.

A "YES" response with name, address, and/or lot number(s) indicates support of this petition.

1. Roads are narrow and emergency vehicles are unable to get to the scene if the cars are blocking their path

People owning homes in this community consist of 83 residents with 127 lots in the Snug Harbor Community on the canals, 22 owners along the South side of Snug Harbor Rd, and 36 owners in the Landings at Bayside community. The first Public Safety issue is that the Snug Harbor community of 83 homes has no fire hydrants and is dependent upon well water; therefore, fire trucks must arrive in the shortest amount of time possible because the need for water must be met with tankers or hooking up to a Bayside fire hydrant that is a significant distance away. The narrow streets are 19 feet wide, some sides of the street have steep embankments, often with several feet of water, making them unusable for cars or emergency vehicles. Therefore, any parked vehicle turns the roads into "One-Way" traffic and significantly slows the time it takes a rescue vehicle to reach the Snug Harbor community.

In the Fall of 2018, there was a house fire at 12355 Snug Harbor Road that massively damaged the home. In March of 2019 there was a second fire that destroyed the home at 12332 Snug Harbor Road and killed the owner's pet. Berlin Fire Chief JD Rhodes addressed the community about the fires in 2019. He made it very clear that any vehicle parked on our roads would be a hazard due to street width. In the case of the 2018 fire, emergency tanker vehicles drove back and forth to fill from the fire hydrant halfway down Snug Harbor Road (hoses could not reach from the fire hydrant to the house). The 2019 fire was a two-alarm fire, and trucks came from several companies serving our larger community. Bethany Church on the corner of 611 and Snug Harbor Road was the staging area. Fire trucks were arriving at the church at different times and had to be directed the full length of Snug Harbor Road to get to the fire. In both cases the roads had to be clear of parked cars and No Parking signs are essential for doing so.

2. Parking on the road is a violation of PS Code 3-201, subsection B #27. Literally and in Spirit.

"27 Impeding traffic. A person may not park a vehicle in a way as to impede vehicular or pedestrian traffic."

. Because Snug Harbor Road is less than 19' wide, when a vehicle is parked on the road it completely blocks an entire lane of traffic interrupting the normal flow of traffic. In effect Snug Harbor Road is turned into a one lane road when this occurs, and traffic backs up. In addition, because Snug Harbor Road has no sidewalks, Pedestrian traffic is also impeded and endangered.

3. Recent and ongoing building of new homes in addition to multiple short term rental properties have added to the street volume of Vehicle and Pedestrian traffic. Additionally, many people have started parking on Snug Harbor Rd, blocking the normal flow of traffic. This has created dangerous conditions for both vehicles and Pedestrians.

In the past two years, The Landings at Bayside has added 18 homes along Snug Harbor Road. In addition, other new homes have been added on Snug Harbor. While increasing population alone has increased the number of parked cars on the narrow street. Additionally, a significant number of these homes are short term rentals. Many do not realize that the Snug Harbor community homes are on wells and have no fire hydrants to provide water for firefighting, thus needing the street clear for emergency vehicles. No Parking signs will make sure everyone is informed.

4. Dangerous conditions due to vehicle congestion and blocked visual paths; concerns for pedestrians, especially children and pets

Again, Snug Harbor Road has no sidewalks and poor lighting. The number of pedestrians walking our streets to enjoy the water views, children looking to bike in a safe neighborhood, and dog walkers have all increased significantly. In the past month one of our neighbors reported almost hitting an adult walking into the street from behind a parked car. Thankfully the person was not hurt but again the probability of a child or pet running out from behind a parked car on our narrow streets is now fearfully great. Drivers turning off 611 onto Snug Harbor Rd take a few minutes to slow to 30 mph and with the density of new Bayside homes at that end of Snug Harbor Rd there is an even greater risk to pedestrians. No Parking signs will keep the streets safer for the community. Vehicles parking in the road significantly increase the risk of accident, injury and even death for the community. Something that we all wish to avoid and something that is avoidable.

PS Code 3-
201,
subsection B
#27

Snug Harbor Rd. and Bayside are not the same

ITEM 29

Snug Harbor Road is less Than 19' Wide, Bayside is over 24' Wide

- Many Bayside Streets Have Curbs
- No Mailboxes on sides

- Landings at Bayside Road
- Much More Space for 2 Vehicles to Pass even When a Car is Parked on the Road
- Sidewalks for Pedestrian Safety
- Mailboxes only on one side of the road

Compared to Snug Harbor Road

- Impossible for 2 Vehicles to pass when a car is parked in the road
- Totally Impedes Traffic.
- Forces Pedestrians to Walk in the middle of the road

Why is Eliminating Road Parking so Important

Snug Harbor Road is the only access to the Community and is a dead-end road.

Fire Truck Access is a significant concern. Snug Harbor Road is very narrow, has NO sidewalks, very soft earth and deep ditches on the south side, and mailboxes very close to the road on either side.

Snug Harbor Road has Limited lighting.

Snug Harbor Road is used by many families walking through the community to enjoy the water view, children riding bikes and dog walkers. These pedestrians often can not see around parked cars.

There should
not be a need
for on Street
Parking on Snug
Harbor Road

Each Bayside home was designed with at least 6 parking spaces and some may have more.

The Bayside Community has Overflow parking areas (at the Community Center), accessible by road or sidewalks.

Bayside Additional Parking Area

What's at Stake?

- 5 Months ago, a Pedestrian was struck and killed at the intersection of Route 611 and Landings Blvd.
- This is located between Snug Harbor Rd. and Landings Blvd.(the entrance to the Landings at Bayside.)
- This can and will happen again in our community, if we do not take action now.
- Let's Improve Safety by eliminating Parking on Snug Harbor Road.

November 4, 2024(BERLIN, MD) – Maryland State Police are investigating a fatal pedestrian crash in Worcester County.

Troopers from the Berlin Barrack responded at about 10:15 p.m. on Nov. 2, 2024, to a report of a crash on northbound Maryland 611 and Landing Blvd. in Berlin.

ANY
QUESTIONS?

November 12, 2024

Dear County Commissioners:

I am writing on behalf of the Parking Solutions Committee in the Bayside Neighborhood that has been convened by our Homeowner's Association to assess and address parking concerns throughout the community.

A Committee of The Landings at Bayside Residents have convened multiple times over the past 6 months to deliberate upon prevailing parking challenges and to collaborate toward effective solutions in conjunction with the management company, developer, board, and County representatives. On Friday, November 8th we met with the HOA Board and many members of the community, where everyone was positively encouraged by our efforts to date and supports pursuing our request with the County.

Of primary concern is that emergency vehicles cannot easily access homes and townhomes due to over-parking on both sides of the streets; parking on both sides of the street makes it difficult for homeowners and visitors to navigate, as well as making it dangerous for children, pets, and pedestrians to traverse the neighborhood.

I would be remiss not to mention here that there is significant community - wide concern regarding the overall number of vehicles related to the influx of short term rentals with new construction; while we are eager to address parking specifically, many of the issues arising from the neighborhood's growth are directly attributable to unchecked rental allowances and would like the HOA Board to address this moving forward, in concert with County guidance as well.

We have asked Mr. Dallas Baker and Mr. Kevin Lynch to please review this request with Emergency Services so that you all can properly evaluate the feasibility of allowing parking on "one side of the street only" throughout the neighborhood, ensuring compliance with emergency management guidelines and regulations.

Our formal request is accompanied here by the areas shown on the sketch and map attached requesting no parking on one side of the street throughout Bayside. Two other points to note, we have suggested to our management company that this should apply to the private roadways, the alleys behind homes and townhomes as well; we have been working closely with the Snug Harbor Civic Association so that our two neighborhoods are approaching you with similar concerns and solutions.

Please be in touch with any questions.

Thank You,

Sara Gorfinkel

At said public hearing the County Commissioners will consider the Residential Planned Community and the recommendation of the Planning Commission, any proposed restrictions, conditions or limitations as may be deemed by them to be appropriate to preserve, improve, or protect the general character and design of the lands and improvements being developed, and the advisability of reserving the power and authority to approve or disapprove the design of building, construction, landscaping or other improvements, alterations and changes made or to be made on the subject land or lands to assure conformity with the intent and purpose of applicable State laws and regulations and the County Zoning Ordinance.

A map of the proposed area, the staff file on the Residential Planned Community application and the Planning Commission's file, which will be entered into record at the public hearing, are on file and available for inspection at the Department of Development, Review and Permitting, Government Center - Room 1201 (2nd Floor), One West Market Street, Snow Hill, Maryland 21863 between the hours of 8:00A.M. and 4:30 P.M., Monday through Friday (except holidays). Interested parties may also call (410) 632-1200.

MEMORANDUM

TO: County Commissioners
FROM: Kristen M. Tremblay, AICP, Zoning Administrator
DATE: April 25, 2025
RE: Crepe Myrtle Court Residential Planned Community (RPC) Step I – Changes to Site Plans from Planning Commission Meeting

The County Commissioners will see in the attached site plans that sidewalks have been added per the Planning Commission’s conditions of approval. The sidewalks are proposed along the exterior of a loop drive and are four (4) feet in width.

The plans have also been adjusted to remove extraneous road spurs and have a more holistic design with a loop road instead of spurs that end at the property lines. Additionally, the applicants have amended the site plan to accommodate the parking spaces near the pool amenity as discussed at the meeting.

A more comprehensive review of the development proposal will be undertaken during subsequent Step II and Step III review of the Residential Planned Community if the project receives a favorable recommendation from the Commissioners.

Yours,

Kristen M. Tremblay

I. GENERAL INFORMATION:

Date of Planning Commission Review: February 6, 2025

Date of TRC Review: January 8, 2025

Approval requested: Step I Residential Planned Community – Establishment of the RPC Floating Zone – Crepe Myrtle Court.

Project Description: Proposed construction of 24 two-family dwellings and one single-family dwelling.

Location: South side of MD Route 707 (Old Bridge Road), west of Greenridge Lane, Tax Map 26, Parcel 157, Tax District 10, R-4 General Residential District

Owner: Kathleen Clark
12319 Ocean Gateway, Suite 304
Ocean City, MD 21842

Land Planner: Iott Architecture & Engineering, Inc.
310 Hammond St., Suite 100
Salisbury, MD 21804

Existing Conditions: The 4.82 acre site area is comprised of approximately 4.51 acres of uplands, 0.18 acres of non-tidal wetlands, and 0.06 acres of tidal wetlands. The majority of the property is cleared, with some existing forested areas to the rear.

Proposed Project: The Crepe Myrtle Court RPC as shown on the Step I plan is proposed to be a residential community comprised of 24 two-family dwellings and one single-family dwelling. Proposed open space totals approximately 2.23 acres. 0.14 acres of active recreation spaces is provided, and 0.30 acres of passive recreation space is provided. The Step I plan indicates there will be one (1) point of access to the community from Old Bridge Road (MD. Route 707). Previously, the Planning Commission reviewed a similar project on the same property known as Shadyside Village (which consisted of Townhome Units).

II. COMMENTS RELATIVE TO COMPLIANCE WITH BASIC RPC REQUIREMENTS:

Zoning: A development is required to meet the major RPC standards when consisting of greater than 20 proposed units. RPC's are permitted in the R-4 General Residential District.

Permitted Uses: Single-family and two-family dwellings are permitted uses in the R-4 General Residential District.

Density: In the R-4 District, a maximum of eight (8) units per net acre are allowed. The total lot area is 4.82 acres. The net lot area is 4.67 acres (after deducting wetlands and road widening requirements along Old Bridge Road). The total permitted density is 33.9 units (6.85 units per acre) and the applicant is proposing 25 units. Thus, the proposed density is 5.18 units per acre.

Maximum limitation of 70% for residential uses: The project proposes 2.44 acres of its land area (50.6%) for residential uses including building footprints, roads, and sidewalks.

Minimum limitation of 20% of retail and service uses: The project does not propose any commercial uses.

Minimum requirement of 30% for common use open space and recreational areas: Given the project's net acreage of 4.67 acres, a total of 1.4 acres is required to be provided for open space. A total of 2.23 acres of open space is provided.

Open space is required to have a certain amount of active and passive recreational features, as well as lands preserved in their natural state. The requirements are as follows:

- **Minimum of 50% of required open space shall be retained in its natural state:** The project is proposing 1.81 acres of the total open space in a natural state- therefore, this requirement has been met.
- **Minimum of 10% of required open space shall be for active recreation:** The project is proposing to provide 0.14 acres (10%) of open space for active recreation. A minimum of 10% is required - therefore this requirement has been met. Active recreation is defined as uses, areas or activities that are oriented towards potential competition and involving special equipment. Special equipment was provided with a community swimming pool.
- **Minimum of 20% of required open space shall be for passive recreation:** The project is proposing to provide 0.30 acres (21.4%) of the total open space in

passive recreation. A minimum of 20% is required - therefore this requirement has been met. Passive recreation is defined as uses, areas or activities oriented to noncompetitive activities which typically require no special equipment.

III. FINDINGS AND RECOMMENDATIONS OF THE PLANNING COMMISSION

1. The relationship of the RPC with the Comprehensive Plan, zoning regulations, and other established policy guidelines:

The subject property is currently in the “Existing Developed Areas” land use category of the Comprehensive Plan. The EDA category recognizes the importance of maintaining the neighborhood character and strongly encourages mixed-use developments.

The Comprehensive Plan encourages the use of low impact development and cluster techniques to reduce overall impervious surface and maintain wildlife habitat.

Relative to consistency with the zoning regulations, the Planning Commission finds that the project site is zoned R-4 General Residential with the R-4 District being a zoning classification in which RPC’s are permitted. It also finds that the project as proposed complies with those requirements cited in §ZS 1-315 relative to maximum density, maximum limitation for residential uses, minimum requirement for common use open space and recreational areas, and types of permitted uses. Furthermore, the Planning Commission finds that the submittals relative to the proposed project comply with the requirements cited in §ZS 1-315(k)(2)A1. For individual structures, there shall be no minimum lot area, setback, bulk, lot width, or road frontage requirements. Such standards shall be approved by the Planning Commission during the Step II (Master Plan) review.

2. The general location of the site and its relationship to existing land uses in the immediate vicinity:

The subject properties are located on the easterly side of MD Route 611 (Stephen Decatur Highway), just north of the Mystic Harbor Subdivision. The Planning Commission finds that this area can best be characterized as a mix of residential and commercial land uses. The neighboring developments of Whispering Woods, Mystic Harbor, Deer Point, and Ocean Reef all consist of primarily single-family dwellings, and the Salt Life Community consists of manufactured homes. While

this development will consist of blocks of two-family dwelling buildings, the development is situated more towards Stephen Decatur. The R-4 General Residential District encourages infill development and higher densities to encourage traditional neighborhood development while still utilizing conservation features in its design. Additionally, this district is intended to accommodate the most diverse types of housing and ranges of affordability.

Relative to the commercial uses, there are many commercial developments along MD Route 611 (Stephen Decatur Highway) to serve the needs of this development. The proposal does not include a commercial component; however, the Planning Commission finds that the proposed use as a two-family dwelling development is consistent with existing land uses in the vicinity.

‘*Screening*’ as defined by the code, will need to be provided along Old Bridge Road as it is considered a collector road per ZS1-322(e)(6). A landscaping plan will need to be provided for Step II review.

3. The availability and adequacy of public facilities, services, and utilities to meet the needs of the RPC and the long-term implications the project would have on subsequent local development patterns and demand for public facilities and services:

The Planning Commission finds that the property proposed to be developed into the Crepe Myrtle Court RPC are presently zoned R-4 General Residential District. The surrounding developed lands are similarly zoned for residential (R-1 Rural Residential) and commercial uses (C-2 General Commercial). According to the General Residential District (R-4) zoning classification, two-family (duplex) residential development at a density of eight (8) dwelling units per net acre is permitted by zoning. Furthermore, residential planned communities of the same density are permitted by that zoning district. Thus, the proposed density of 6.85 dwelling units per acre is allowable under the zoning ordinance. The two-family dwelling units are consistent with the surrounding residential and commercial developments located within this area.

Therefore, the Planning Commission concludes that the proposed Crepe Myrtle Court RPC will not have an adverse long-term implication on development patterns in the area.

All private roads within the development shall be constructed to one of the RPC road standards and must be reviewed and approved by the County Roads Division

of the Department of Public Works. Should the applicant propose approved private roads, they should include the RPC Approved Private Road Standard (WO 200-06) on future plans. Approved private roads will require review and approval by the County Commissioners under the provisions of §ZS 1-123 - ‘Approved Private Roads.’ The applicant should ensure that the preliminary layout of the travelways as shown on the plan will be able to accommodate one of the road standards.

Relative to certain public facilities, according to the applicants’ written narrative, the developer is requesting that the dwelling units be served by public water from the Mystic Harbor service area and sewer via connection to the West Ocean City service area. The applicants have acknowledged that there is a total of 25 EDU’s of public sewer capacity currently available currently but will need to obtain additional water EDU’s.

In consideration of their review, the Planning Commission finds that there will be no negative impacts to public facilities and services resulting from the proposed RPC.

4. The consistency of the RPC with the general design standards as contained in Subsections (j)(1) through (j)(5):

Relative to the protection of key environmental features, the Planning Commission finds that the open space provided exceeds or meets the minimum required under the RPC regulations.

This project is not required to comply with the Worcester County Forest Conservation Law. Further, the project is located within the Atlantic Coastal Bays Critical Area (ACBCA) program boundary and is designated Intensely Developed Area (IDA) and non-waterfront. A Critical Area Report as defined within §NR3-109(d)(2) will need to be provided.

Additionally, Joy S. Birch, Natural Resources Planner III, stated in her Planning Commission staff report that all items required within a Critical Area site plan (§NR3-109(d)(1)) will need to be provided if not done so already including, but not limited to: identifying Habitat Protection areas, locating (of stating the lack there of) tributary streams and associated buffers, tidal wetlands, soils, lot coverage calculations, limits of disturbance, proposed clearing, etc. Documents proving the 10% pollution reduction requirements will also need to be submitted

along with documentation that the 15% afforestation requirement will be accomplished.

Relative to the general layout and clustering of the development, the Planning Commission finds that the proposed RPC minimizes land impacts, while maximizing contiguous open spaces.

The traffic circulation patterns promote connectivity within the proposed development, and limit access to the public road system to one commercial entrance that will be designed to meet the State Highway Administration (SHA) standards. Subsection (j)(4) of the design standards encourages limiting the number of dead-end streets. This development will not have any dead-end streets, but will have two (2) stubs for access to four (4) of the units (two on each side).

A sidewalk is proposed to be provided along MD Route 707 road frontage for future connections. Internal pedestrian sidewalks were not originally proposed, but the Planning Commission, as a condition of their approval during the Step I process, required the installation of sidewalks as required under Design Guidelines Section 16(b)(2).

The Fire Marshal's Office has stated in their comments letter that the turning radius shall meet the most restrictive fire apparatus turning radius which is 33 feet inside and 55 feet outside. Approved turnarounds or cul-de-sacs shall be provided on roadways exceeding 150 feet in length. Additionally, the Planning Commission, during its Step I review, deferred to the Fire Marshal's Office to determine whether the requirement for vehicular travelways at the rear of all structures, as outlined in §ZS1-319(c)(5), was necessary.

No traffic study was submitted along with this application. The Planning Commission "may require such additional copies, information, studies, surveys, impact statements or other data, including third-party verification or additional studies as it may deem necessary and appropriate at any stage of the [subdivision] process, at the applicant's expense" – §ZS2-401(d) (A subdivision will be required if the RPC is approved). During its Step I review, the Planning Commission did not require a traffic impact study.

Overall, the Planning Commission finds that the RPC has demonstrated consistency with the general design standards contained in §ZS 1-315(j)(1) through (j)(5).

5. The relationship of the RPC's proposed construction schedule, including any phasing, and the demand for and timely provision of public facilities, services and utilities necessary to serve the project:

Within the narrative, the applicant states that the property has a total of 25 existing sewer EDU's within the Mystic Harbour Sanitary Service Area. Additional water EDU's will need to be acquired to provide service for the remainder of the proposed development. The project and its associated infrastructure, including water, sewer, recreation areas, stormwater management, and roadways are proposed to be completed in one phase. Both water and sewer infrastructure are already located within the project boundary. Construction of these facilities will be undertaken by the Owner and dedicated to Worcester County when completed.

The Planning Commission finds that if all EDU's are able to be acquired and a concrete timeline for when improvements will be provided prior to any subdivision action including preliminary plat, the project would meet this metric.

6. The capacity of the existing road network to provide suitable vehicular access for the RPC, the appropriateness of any existing or proposed improvements to the transportation network, the adequacy of the pedestrian and bicycle circulation, and the proposed means of connectivity of the project to surrounding residential, commercial and recreational development and uses:

Connectivity to main transportation networks is another feature of the proposed development that is consistent with the Comprehensive Plan.

Access will be via one (1) commercial entrance onto MD Route 707 (Old Bridge Road) for the residential uses. Inter-parcel connectors are not provided, although the narrative states that the private road that will serve the community has a western spur that could be connected to the adjacent western parcel in the future.

The private roads are proposed to be constructed in accordance with Worcester County Road Standards and dedicated to the Homeowners Association. For Step II, the site plan will need to indicate that the roads are proposed to be private.

Regarding pedestrian and bicycle circulation, a sidewalk is proposed to be provided along MD Route 707 road frontage for future connections. Internal pedestrian sidewalks were not originally proposed, but the Planning Commission,

as a condition of their approval during the Step I process, required the installation of sidewalks as required under Design Guidelines Section 16(b)(2). Bicycle racks are also provided as part of the development.

The Planning Commission finds that the access points to MD Route 707 (Old Bridge Road), will not have a significantly adverse impact on traffic patterns in the area, provided they meet all standards. The committee also concludes that the State Highway Administration will need to ensure that all entrance design requirements are being met.

7. The relationship of the proposed method of wastewater disposal and provision of potable water service with the goals, objectives and recommendations of the Comprehensive Plan, Comprehensive Water and Sewer Plan, and other established policy guidelines:

The Comprehensive Plan notes that “[s]ewer service...is one of the county’s most powerful growth management tools” (Chapter 6). The Water and Wastewater Division of the Department of Public Works has not noted in their TRC comments any concerns with the proposal and that perfunctory comments such as requiring plumbing permits for each residence is required was provided.

The Planning Commission finds that the project is aligned with this standard of the Residential Planned Community provisions.

IV. THE RECOMMENDATION OF THE PLANNING COMMISSION

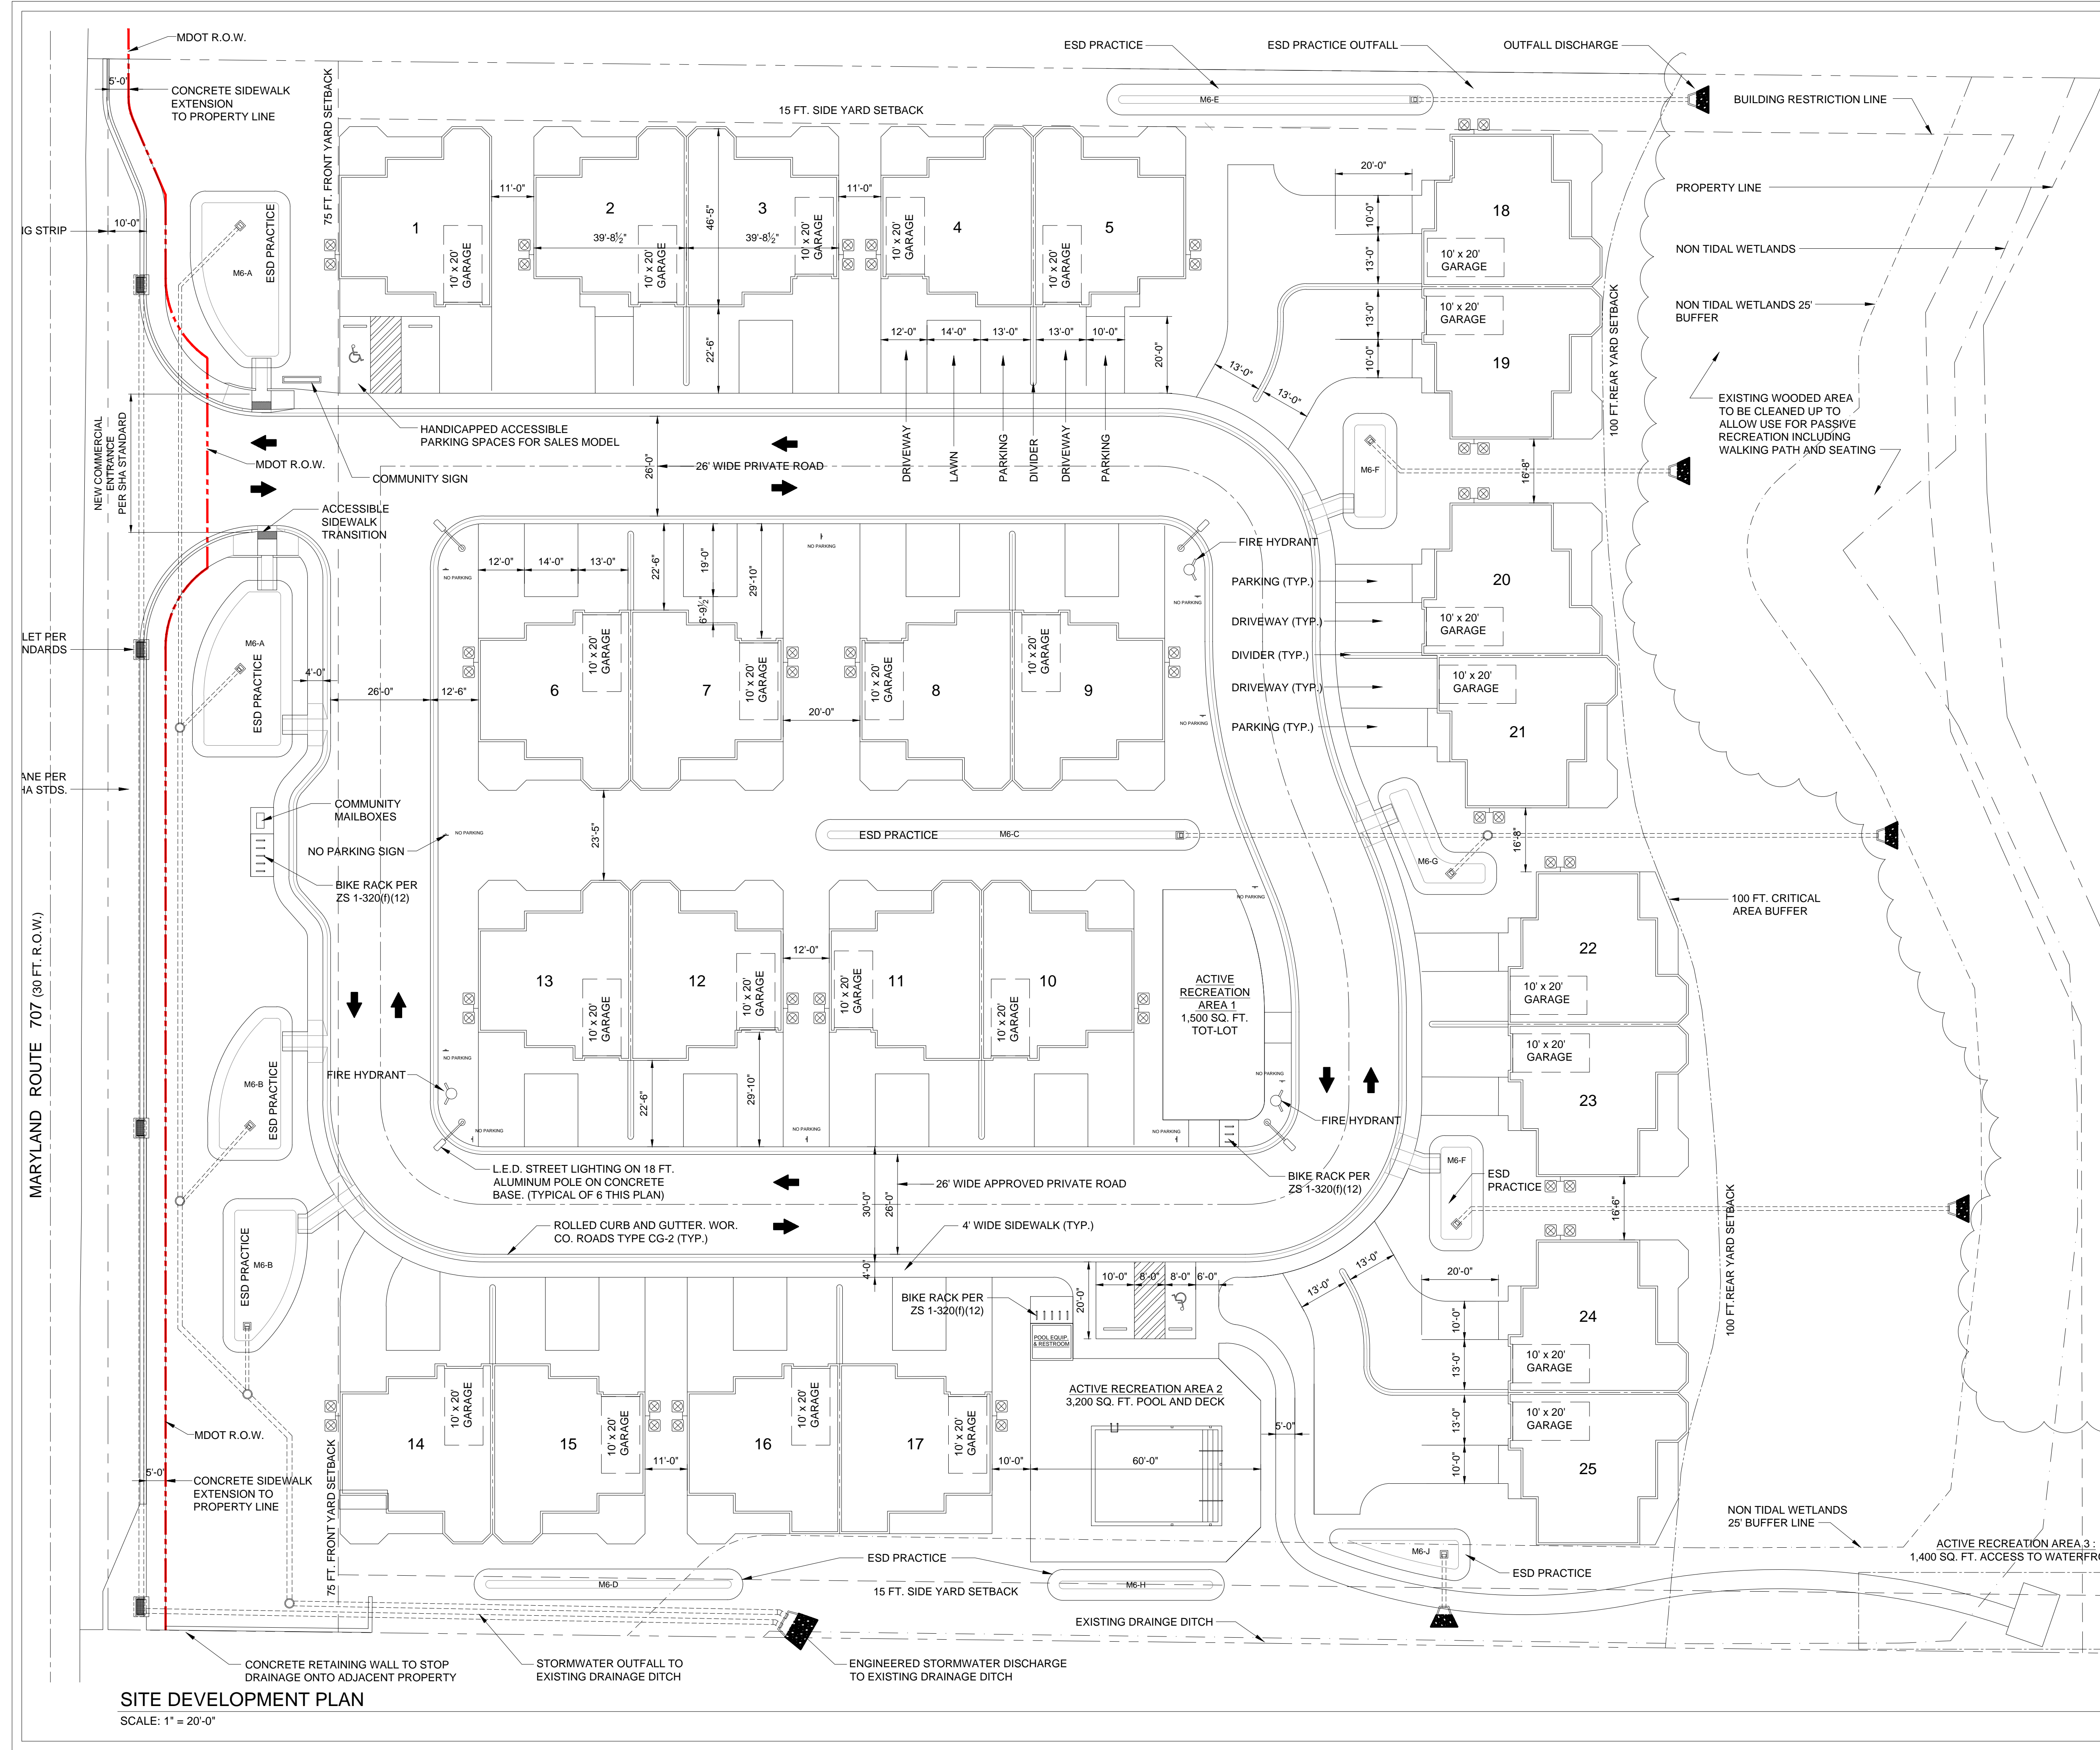

Based upon its findings, the Planning Commission finds that the area in which the subject property is located is currently in the “Existing Developed Areas” land use category of the Comprehensive Plan. The R-4 General Residential District as well as the Existing Developed Area recommends infill development and higher densities to encourage a diverse range of housing types and affordability within a traditional neighborhood development while still utilizing conservation features in its design. The R-4 General Residential District has a recommended density of eight units per one acre and therefore the Planning Commission concludes that the proposed Crepe Myrtle Court RPC, which has a density of 5.2 units per acre, is thus in accordance with the Comprehensive Plan.

Additionally, the proposed project as submitted complies with the regulations as set forth in §ZS 1-315 relative to residential planned communities. The Planning Commission notes that the proposed project maintains sensitive non-tidal wetlands and existing wooded areas to the maximum extent practicable. The

Planning Commission also concludes that the project will not have an adverse impact on local traffic and transportation patterns, and that it has an adequate number of water and sewer EDU's.

***Therefore, based upon its review, the Planning Commission favorably recommends that the request for establishment of the residential planned community floating zone for Crepe Myrtle Court RPC be approved subject to the following conditions:**

1. Sidewalks shall be provided throughout the development, including along Old Bridge Road;
2. The Planning Commission will defer to the Fire Marshal's office regarding vehicular travelway access to the rear of all structures to provide access for fire-fighting equipment, as further outlined in §ZS1-319(c)(5);
3. A third parking space for each unit shall not be required, as it was confirmed that no units will be short-term rentals and will be included in the covenants and bylaws of the community;
4. No traffic study shall be required;
5. A landscaping plan shall be required for the entire site and not just the frontage along Old Bridge Road;
6. A minimum of two (2) parking spaces, and an additional drop-off space, shall be required for the proposed pool amenity.

Project: Step I Concept Plan –Crepe Myrtle Court Residential Planned Community (RPC).

Proposed construction of 25 Two-Family Dwelling Units. Located on the southerly side of MD Rt. 707 (Old Bridge Road) west of Keyser Point Road, Tax Map 26, Parcel 157, Tax District 10, R-4 General Residential District, Kathleen Schardt C/O Kathleen Marie Clark, owner/ Iott Architecture & Engineering, Inc., engineer.

Prepared by: Ben Zito, DRP Specialist

Contact: bmzito@worcestermd.gov or (410) 632-1200, extension 1134

The Technical Review Committee shall consider the items listed below. The Technical Review Committee Report is required to be prepared within 90 days of the review for an upcoming Planning Commission meeting.

- (i) The plans for the development fulfill the goals and objectives and comply with the recommendations of the Comprehensive Plan and are compatible with and complement the character and nature of existing and anticipated development in the vicinity of the proposed development.
- (ii) The design of the development will, as its first priority, protect to the greatest extent feasible existing forested areas and greenways, floodplains, the Critical Area, where applicable, tidal and nontidal wetlands, sensitive areas or special habitats, and source water and aquifer recharge areas.
- (iii) The residential planned community's design lends itself to a clustered, pedestrian scaled development, providing mixed uses where appropriate, and is in keeping with the scale, layout, uses, architectural style and landscape design of existing County towns and villages and blends the natural and built environments.
- (iv) The residential planned community's design minimizes impervious surfaces and the consumption of vacant lands while maximizing open space.
- (v) The project's layout and design promote street, trail and sidewalk connectivity within the project and to and through adjoining properties and neighborhoods.

- (vi) The types and extent of uses and structures in the project will not adversely affect the future development or value of undeveloped neighboring areas or the use, maintenance and value of neighboring areas already developed.
- (vii) The development will secure for the residents of the County a development which is consistent with the Comprehensive Plan and which is compatible with and complementary to established development in the County.

Project Specific Comments: This project is subject to, but not limited to, the following sections of the Zoning and Subdivision Control Article:

§ZS1-208	R-4 General Residential District

*The proposed project is also subject to the *Design Guidelines and Standards for Commercial Uses* as revised and adopted on January 17, 2017. Under Section 2 of the Design Guidelines, the Planning Commission is able to grant a waiver to the requirements contained within, as long as the applicant can meet the provisions described. Please keep in mind that if a similar standard is listed in the Zoning Code and does not allow for a waiver, that standard cannot be waived. “These guidelines and standards apply to all projects other than multi-family and townhouse development which are subject to site plan review under ZS1-325 of the Zoning and Subdivision Control Article and which cumulatively total ten thousand square feet in gross floor area or more.” – Page 5 of Design Guidelines and Standards. Multi-family is defined by the Zoning Ordinance as a building containing three (3) or more dwellings. <https://ecode360.com/14018289>

***Please provide a detailed listing of all site plan changes along with any resubmission.**

Site Plan and General Comments:

- (1) Please provide a written narrative addressing the seven (7) required standards per §ZS1-315 before the item may be placed on the Planning Commission agenda.**

<https://ecode360.com/14020765>

- (2) **Previously, the townhomes planned for Shadyside Village were not subject to the Design Guidelines. Due to the change in the type of development, it is now subject to the Design Guidelines.**
- (3) The proposed pool at active recreation area # 2 will require approval from the Worcester County Health Department. Please reach out to Ryan Hayward for more information.
- (4) Please note that parking spaces for each unit will need to measure 10' x 20' and will need to be demarcated on the plans. Two (2) parking spaces will be required for each unit. Please note that parking spaces need to be situated in such a way that any automobile may be parked or unparked without moving another. This may impact the design widths of the driveways. <https://ecode360.com/14018289> and <https://ecode360.com/14021038>
- (5) Vehicular travelways for firefighting equipment will need to be accessible to the rear of all structures. Please discuss with the Fire Marshal on how best to accomplish this. §ZS1-319(c)(5). <https://ecode360.com/14021023>
- (6) Please provide a note on the site plan that the bike rack near recreation space #1 will hold five (5) bicycles. §ZS1-320(f)(12). <https://ecode360.com/14021060>
- (7) Please provide a landscaping plan. §ZS1-322(d). <https://ecode360.com/14021093>
- (8) Landscaped screening is required to be installed along Old Bridge Road (MD. Route 707). §ZS1-322(e)(6). <https://ecode360.com/14021130>
- (9) A maintenance and replacement bond for required landscaping is mandatory for a period not to exceed two (2) years in an amount not to exceed one hundred and twenty-five percent (125%) of the installation cost. A landscape estimate for a nursery will be required to be provided at permit stage to accurately determine the bond amount. §ZS1-322(g). <https://ecode360.com/14021139>
- (10) Provide additional details about the proposed site lighting. §ZS1-323. <https://ecode360.com/14021143>
- (11) Please indicate if there is any signage proposed. If so, please show the proposed location on the site plan and please account for traffic visibility at the entrance. §ZS1-324. <https://ecode360.com/14021154>
- (12) An additional zoning permit for all site improvements including but not limited to the model's ADA parking, any additional parking spaces, signage, recreation areas and landscaping will be needed at the time of building permits.
- (13) "Buttercup Lane" was approved for the previously proposed development at this location: 'Shadyside Village.' It will be necessary to submit two (2) additional road names for consideration and approval.
- (14) Please provide a separate narrative that explains how the development will relate to the architectural style and landscape design in the existing County towns, villages and surrounding development. <https://ecode360.com/14020787>
- (15) Please also provide a detailed time schedule for the implementation and construction of the development, and if appropriate, a plan for phasing the construction of the residential planned community, showing the general geographical coverage of future plats or plans,

their approximate sequence of submission, each of which must meet pertinent requirements either on their own or in conjunction with prior phases. <https://ecode360.com/14020791>

- (16) Please show dumpster locations if planned.
- (17) As this project is subject to the Design Guidelines, sidewalks at least five (5) feet in width shall be provided along all sides of the lot that abut a public or private right-of-way. Sidewalks shall be provided with human-scale lighting to create a safe and attractive pedestrian atmosphere. (Design Guidelines - Section 16 (b)(2)). A waiver may be requested of the Planning Commission during Step III review, but is not guaranteed to be granted.

Next Steps for Step I Concept Plan Approval. §ZS1-315(k)(2)

- 1) The written statement outlined in §ZS1-315(k)(2)(A)(1)(ix) will need to be provided by the applicant. Upon the receiving the written statement, the Technical Review Committee shall write a report known as the “Technical Review Committee Report,” which will be issued to the applicant and the Planning Commission.
- 2) The Planning Commission shall then meet with the applicant to review the submission and the Technical Review Committee Report and may as a group visit the site of the proposed project. The Planning Commission shall produce findings based on the items considered under Subsections (k)(2)A1(ix)a through (k)(2)A1(ix)g hereof. The Planning Commission shall also produce a recommendation to the County Commissioners as to approval or disapproval of the residential planned community application, which may address the areas identified in the Technical Review Committee Report and such other areas of concern and such requirements as the Planning Commission may deem necessary and appropriate to advise the County Commissioners. The Planning Commission shall submit its recommendation within ninety days after receipt of the Technical Review Committee Report, unless extended by the County Commissioners.
- 3) The County Commissioners shall consider the application and recommendation and hold a public hearing within ninety days of receipt of the Planning Commission's recommendation, unless extended by the County Commissioners. The hearing shall have the same procedural formalities as a map amendment as described in § ZS 1-113(c) hereof. Notice of such public hearing shall be as required in § ZS 1-114 hereof. The County Commissioners shall review the application, Technical Review Committee Report and Planning Commission's recommendation and shall, following the public hearing, approve or disapprove the application and, if approved, establish the residential planned community floating zone. Failure of the County Commissioners to reach a formal decision to approve or disapprove the application within six months of the public hearing shall constitute a denial of the application. In granting an approval, the County Commissioners may impose conditions which shall become a part of the approval regulating the residential planned community. In addition, the County Commissioners may require independent reports of consultants, at the expense of the developer, prior to Step I concept plan approval. Any residential planned community approved by the County Commissioners must be

unconditionally accepted as approved, in writing, by the applicant requesting such use within ninety days after approval by the County Commissioners. Failure to so accept, in writing, any such residential planned community so approved by the County Commissioners shall be considered a rejection and abandonment by the applicant of the approval, and thereafter any such residential planned community so approved shall be null and void and of no effect whatsoever. Any transfers of the property shall be subject to the approved plan. Step I concept plan approval by the County Commissioners shall be considered a reclassification and subject to appeal as such.

- 4) Step I approval shall automatically expire and terminate unless the Step II approval is obtained within one year from the date of Step I approval. The County Commissioners may extend the Step I approval for a maximum of one additional year, provided the one-year extension is requested not less than sixty days prior to the expiration of the Step I approval and granted prior to expiration as well.

TECHNICAL REVIEW COMMITTEE COMMENTS

PROJECT: Crepe Myrtle Court

TRC #: 202400782

LOCATION: Tax Map 26, Parcel 157, South side of MD route 707 west of Greenridge Lane

CONTACT: New England Dev Inc

MEETING DATE: January 8, 2025

COMMENTS BY: Robert Korb, Jr.

Chief Deputy Fire Marshal

As you requested, this office has reviewed plans for the above project. Construction shall be in accordance with applicable Worcester County and State of Maryland fire codes. This review is based upon information contained in the submitted TRC plans only, and does not cover unsatisfactory conditions resulting from errors, omissions, or failure to clearly indicate conditions. A full plan review by this office is required prior to the issuance of a building permit. The following comments are noted from a fire protection and life safety standpoint.

Scope of Project:

Site development consisting of a 25 unit residential development.

General Comments

1. A water supply for fire protection shall be identified indicating the following:
 - a. Water Source
 - b. Engineering study for reliability of water source
 - c. Size (in gallons) of water source
 - d. Replenishment of water supply
 - e. Diameter of in ground pipe
 - f. Number of hydrants
 - g. Location of hydrants
 - h. Roadway width and surface types
 - i. Distance from hydrant to roadway
2. If public water source, approved plans by the public works department.
3. Water source plans must be approved prior to recording of plat.

4. Fire hydrants shall be located within 3 ft. of curb line. Placement of fire hydrants shall be coordinated with this office prior to installation.
5. Obstructions shall not be placed or kept near fire hydrants, fire department inlet connections, or fire protection system control valves in a manner that would prevent such equipment or fire hydrants from being immediately visible and accessible.
6. All underground water mains and hydrants **shall be installed, completed, and in service** prior to construction work or as soon as combustible material accumulates, whichever comes first. A stop work order will be issued if fire hydrants are not in service prior to construction work start.
7. Fire Lanes shall be provided at the start of a project and shall be maintained throughout construction. Fire lanes shall be not less than 20 ft. in unobstructed width, able to withstand live loads of fire apparatus, and have a minimum of 13 ft. 6 in. of vertical clearance. Fire lane access roadways must be established prior to construction start of any structure in the project. Failure to maintain roadways throughout the project will be grounds to issue stop work orders until the roadway access is corrected.
8. Coordinate 9-1-1 addressing with Worcester County Department of Emergency Services (410) 632-1311.

Specific Comments

1. The proposed homes shall be protected by an automatic sprinkler system. Plans shall be submitted and approved by this office prior to the installation of such system.
2. The turning radius shall meet the most restrictive Ocean City Fire Department apparatus turning radius which is 33 feet inside and 55 feet outside. Approved turnarounds or cul-de-sacs shall be provided on roadways exceeding 150 ft. in length.
3. All fire hydrant locations shall be approved by this office.
4. A complete set of building plans shall be submitted and approved prior to the start of construction.
5. No further comments at this time.

Critical Area:

This project is located in the Atlantic Coastal Bays Critical Area (ACBCA) program boundary designated Intensely Developed Area (IDA) with a 100' buffer. Please see following comments:

1. Ensure all items required within a Critical Area site plan NR 3-109(d)(1) have been provided. This includes, but is not limited to, identifying Habitat Protection areas, locating (or stating the lack there of) tributary streams and associated buffers, tidal wetlands, soils, lot coverage calculations, limits of disturbance, proposed clearing, etc.
2. Provide us with a Critical Area Report as defined within NR 3-109(d)(2).
3. Need the Stormwater Plan to match the overall site development plan.
4. Provide documents that the site will meet the 10% pollution reduction requirements. The Department can provide you with a copy of the worksheet if needed.

5. Illustrate and/or provide documentation that the 15% afforestation requirement will be accomplished. If plantings are to be completed to achieve the 15 percent afforestation requirement, a Critical Area planting bond (and calculations) will be required.
6. This project meets the requirement for the Maryland Critical Area Commission Project Notification parameters, therefore provide additional copies of the plan, Critical Area Report, 10% rule compliance details, and all other pertinent documents when submitted, will be forwarded to Commission Staff for review and comment.
7. Please submit the Critical Area review fee of \$366.75. Additional review fees will be collected at each step of the RPC process.

Storm Water Management & Erosion and Sediment Control:

Storm Water Management & Erosion and Sediment Control:

Stormwater Management Concept Plan approval has been received.

General Provisions:

- All Erosion and Sediment controls should comply with the 2011 Maryland Standards and Specifications for Erosion and Sediment Control.
- All Storm water Management practices shall be designed to meet the requirements of the 2007 Maryland Storm water Management Act.
- All projects over one (1) acre shall be required to file for a General Permit / Notice of Intent (NOI) for construction activity through Maryland Department of Environment. This is mandated through the Environmental Protection Agency's (EPA) National Pollutant Discharge Elimination System (NPDES). Any permits to be issued by Worcester County for disturbance that exceeds one acre will not be issued without NOI authorization being obtained prior to.

FROM: Brian Soper, Natural Resources Administrator

SUBJECT: Stormwater/Sediment Erosion Control Plan/Permit

Please note, if a Stormwater plan is approved by this office and does not include phasing, the corresponding permit can only receive Stormwater Final approval once all improvements are completed and the entire site is stabilized. This includes properties which have multiple Building or Zoning permits associated with the Stormwater plans. If a Stormwater Bond is required per the permit, the bond will only be released once a Stormwater Final approval takes place.

Additionally, if pervious pavement (i.e. asphalt, concrete) is proposed as a Stormwater Best Management Practice (BMP), an engineer will be required to ensure that this BMP is installed per the approved plan and the correct sequence is detailed on approved plans. Furthermore, all site disturbance must be stabilized prior to beginning the BMP installation process to avoid any contamination or performance issues. If components of the BMP become contaminated, excavation may be required. A detail/schematic must be site specific and reflect how associated sub drains are connected to piping and also illustrate all material being used in subgrade when using this BMP.

If you have any questions, please feel free to contact the Natural Resources Administrator, Brian Soper, at (410) 632-1220, ext. 1147.

MEMORANDUM

TO: Weston S. Young, Chief Administrative Officer
FROM: Jennifer K. Keener, AICP, Director
DATE: February 7, 2025
RE: Request to Schedule Public Hearing – Crepe Myrtle Court Residential Planned Community (RPC) Step I

At this time, I am requesting that the County Commissioners schedule a public hearing for the establishment of a floating zone associated with the proposed Crepe Myrtle Court Residential Planned Community. A draft of the public hearing notice is attached.

The application seeks to establish a residential planned community (RPC) floating zone on the property known as Crepe Myrtle Court (formerly Shady Side Village), located on the southerly side of MD Route 707 (Old Bridge Road), west of Greenridge Lane, Tax Map 26, Parcel 157. The proposed RPC consists of 24 duplex units and one single-family dwelling. It was reviewed by the Planning Commission at its meeting on Thursday, February 6, 2025, and given a favorable recommendation subject to certain conditions. The Findings of Fact and Recommendation of the Planning Commission are being prepared; however, a copy of the site plan sheet is attached for your consideration.

As always, I will be available to discuss this matter with you and the County Commissioners at your convenience.

****via email****

Dear Commissioners:

As you know, we have enjoyed several productive meetings with you and your staff regarding the exciting effort underway to completely revamp our Bank Street from Green Street to River Street, establishing an attractive promenade for tourism and economic development activities designed to take advantage of the proximity to the scenic Pocomoke River.

In those discussions we have talked about the county commissioners donating a small amount of property immediately abutting Bank Street, amounting to some 9,648 square feet of land, more or less. More specifically, the property is described as a portion of Parcel 95 and Lot 61A on a plan entitled "Subdivision of the lands of the County Commissioners of Worcester County, Maryland" prepared by Davis, Bowen & Friedel, Inc, dated December 2024.

We understand that the commissioners will follow an established process to declare the land as surplus public property in order to make the donation to the Town. We are prepared to provide any support or documentation that will assist you with that process. Please feel free to have your legal counsel reach out to our Town attorney, Ms. Maureen Howarth, at his convenience.

On behalf of the Mayor, Council, staff and citizens of the Town of Snow Hill, we thank you for your generosity and partnership in this exciting project that will add so much to the quality of life of our county seat.

Best wishes,

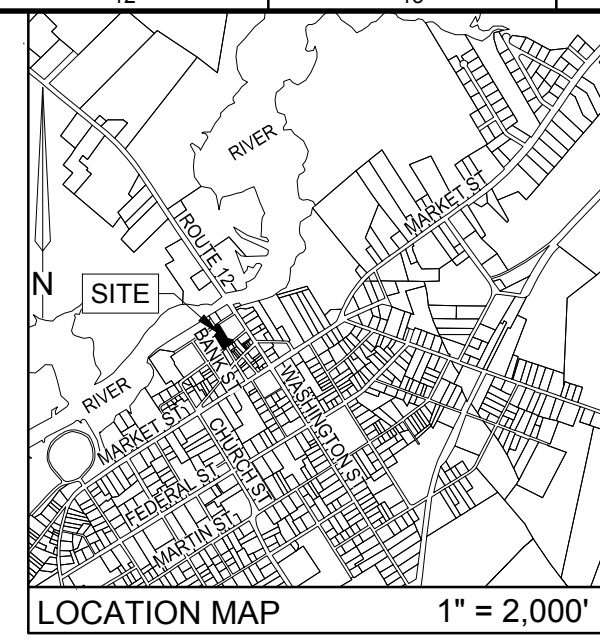

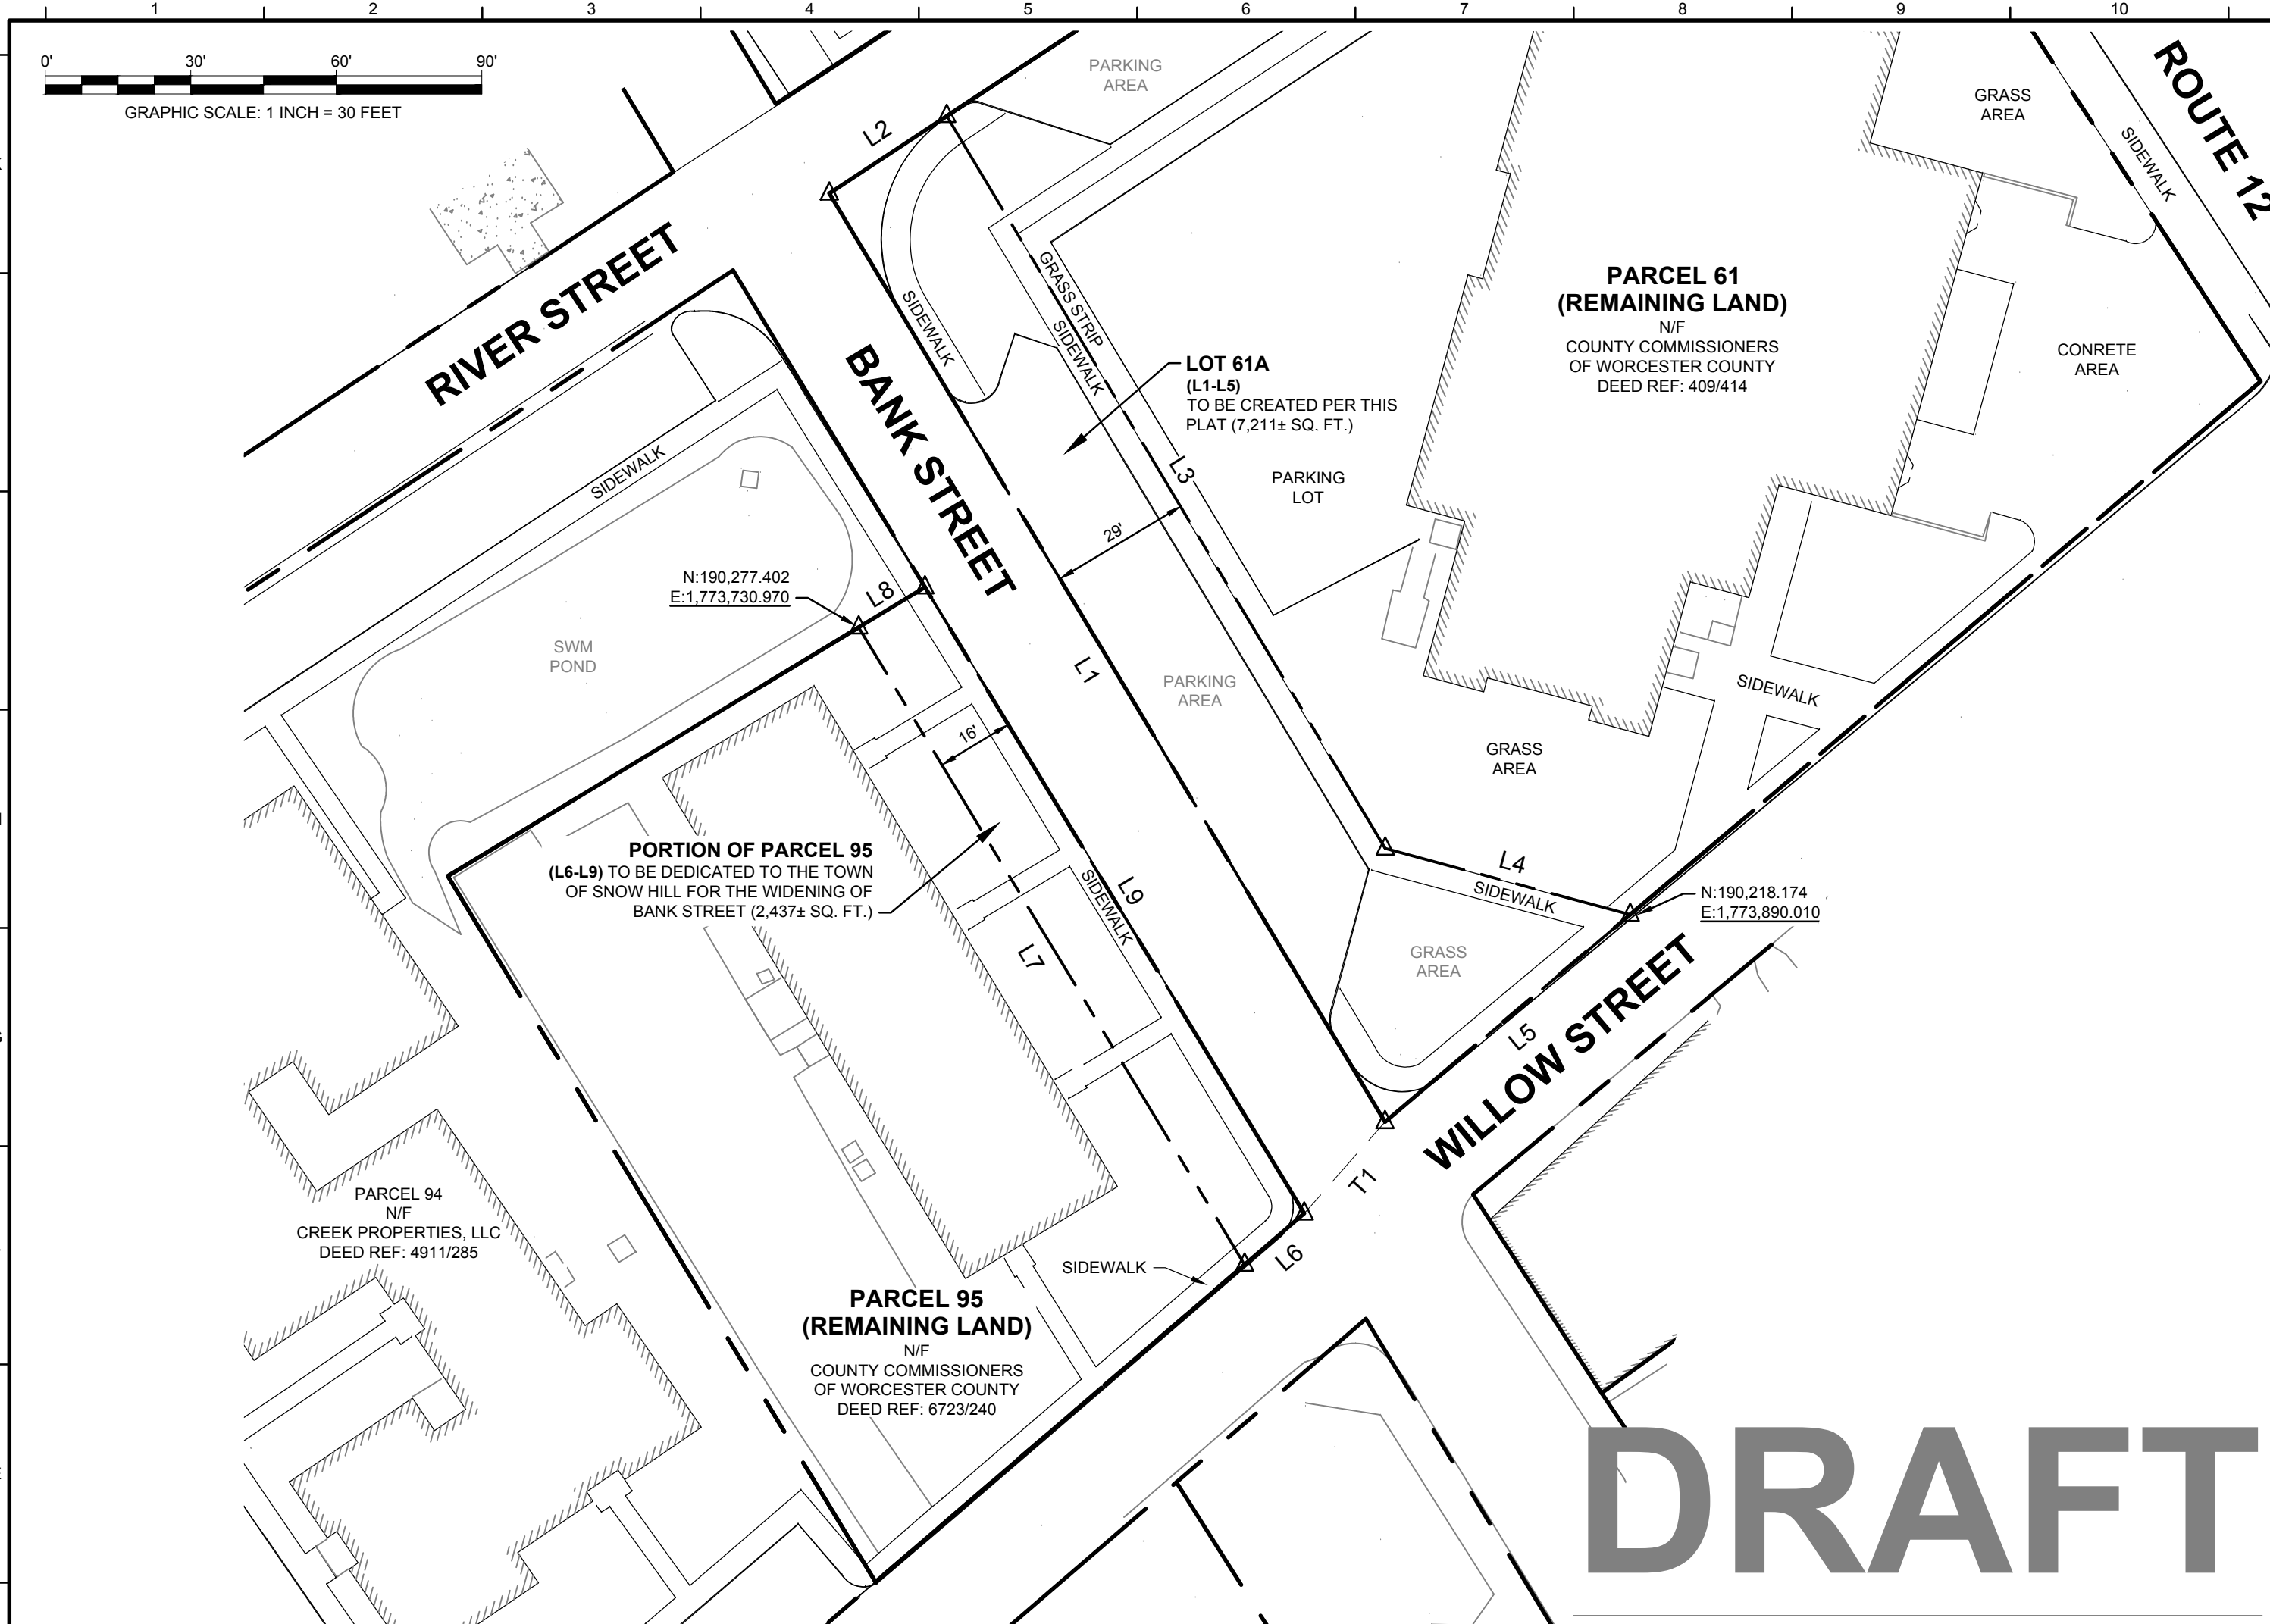

Sincerely,
